Chapter-48: Shadow of Heavenly Things
Chapter-49: Four Horsemen Return
Chapter-50: The Bottomless Pit
Chapter-51: The Mighty Angel
Chapter-52: Witnesses and Woman on Moon
Chapter-53: Beast Rises
Chapter-54: MYSTERY BABYLON
Chapter-55: Marriage Supper

BIBLE CONSTRUCTION

The purpose of this book is to explore ancient knowledge of DNA and Cell Biology, which has been preserved within the pages of the Christian Bible. The main goal will be to compare Scripture with what we now know about human physiology in order to see if there is a message that has been waiting for a future generation to finally uncover.

For our main reference, we will be using the best English translation available, the 1611 King James Version.

Before we even begin to open the Bible and examine its pages, we will first look at the actual physical construction of the Bible itself to see if any Genetic clues have been left for us to discover.

The Bible is divided into two sections... the first section is called the Old Testament. The second section is called the New Testament.

The New Testament contains 27 books.

The Old Testament contains 39 books.

This is a total of 66 books.

These two sections are often called witnesses... or more specifically the "Two Witnesses".

There are many reasons why they are called the Two Witnesses, but a good example would be that the word "Testament" is related to the word "testimony".

A testimony is something one gives to a jury for example in order to be a witness.

Biblical scripture contains many descriptions of these Two Witnesses, and as you will soon find out, these descriptions often sound very 'alchemical' in nature.

Note that the term Alchemy will be used throughout these presentations because it conveys a deeper message than simply using words like 'Bio-chemistry' or 'Science'.

This is an important key in helping us decipher things like 'Heaven joining with Earth' or even 'Sun joining with Moon', which are major themes not just in alchemy, but in many esoteric and exoteric teachings.

And just in case you are a Christian thinking this is appearing a bit too New Age-ish... here is the original artwork for the 1611 King James Bible...

The full size image can be found here...

<http://en.wikipedia.org/wiki/File:KJV-King-James-Version-Bible-first-edition-title-page-1611.xcf>

Notice the Sun (a 'Masculine' symbol) and Moon (a 'Feminine' symbol) have joined forces and in between them or rather in their 'union' we find all kinds of stories being told. Wait till you find out what those stories are about!

Is that a Mason hiding in the middle there?

If you know anything about Hiram Abiff, you know he was killed with a blow to the head. See that hole he's got?

By the way, Wikipedia has been considering deleting that image. Now you know why.

Uh huh. Keep reading, because Heaven joining with Earth is precisely what we find in the two sections of the Bible.

The metaphorical concept of Heaven and Earth comes to us from many places in Scripture, however 1st John 5 verses 7 and 8 are some of the most striking examples...

Here is the first verse describing heaven...

1 John 5:7

"For there are three that bear record (in other words bear witness) in heaven, the Father, the Word, and the Holy Ghost: and these three are one"

Note that the verse describing the Heavenly Witness contains three unique descriptors...

The Father
The Word
and The Holy Ghost

These three descriptors describe things that are "heavenly".

The Father - "Our Father who art in heaven"

The Word - "In the beginning was the Word, and the Word was with God, and the Word was God"

and The Holy Ghost - "And the Holy Ghost descended in a bodily shape like a dove upon him"

Again, these are things which are heavenly... and these three are one... as in one testament or one witness... or how about one Codon?

More on Codons later.

If one were to choose which testament this would fit into, it would without a doubt fit into the New Testament.

The New Testament is when we are introduced to stories of the Holy Ghost, Jesus and the word being with God.

Therefore, the New Testament would be a representation of the "Heavenly" Witness.

Here is the second verse describing earth...

1 John 5:8

"And there are three that bear witness in earth, the spirit, and the water, and the blood: and these three agree in one"

Note also that this verse describing the Earthly witness contains three unique descriptors as well...

The Spirit
The Water
and The Blood

and these three are one as well... in other words... one testament or one witness.

These three descriptors describe things that are "Earthly".

The Spirit - is basically what you and I are, except we are in a sense 'trapped' in a fleshly body of water and blood.

Anyone who studies the Bible can attest to the fact that the Old Testament matches these descriptions perfectly.

The Earth opening “her” mouth to receive the blood of Able in Genesis 4:11 for example.

Or how about the Genesis story of the flood. Water for sure.

...and of course the 'spirits' who roam the earth seeking to influence mankind behind the scenes.

And there we have it. The two witnesses are not just the Old Testament and New Testament, but a representation of Heaven joining with Earth.

Here is another important key...

Note that the Four Gospels of Matthew, Mark, Luke and John separate the Two Witnesses. Think of them as the Sky that sits in between Heaven and Earth.

So now when we look at the construction of the Bible, we see a progression, or an ascension from Earth on the left, to Sky in the middle and finally to Heaven on the right... or “Right Hand Path”.

This is arguably one of the most important concepts to understand while reading this presentation.

In fact, most modern Bible translations have either censored part of these passages or have eliminated them entirely!

Look at the KJV version compared to the rest...

http://biblehub.com/1_john/5-7.htm

It is the source of a lot of controversy, and you will soon learn why.

It should be noted at this time that... yes... the Two Witnesses represent two actual people in addition to what we have discussed so far.

The Two Witnesses relate to many things in Scripture. Once we put it all together, it will make much more sense.

For you see... the Bible is written in a sort of "Fourth Dimensional Logic".

The Bible is Written in Highly Advanced 4th Dimensional Logic

Matthew 6:10

"Thy kingdom come. Thy will be done in earth, as it is in heaven"

Did you catch that? In Earth... as it is in Heaven.

As Above, so Below.

As Without, so Within.

Everything in this Universe is connected and related to one another in the most amazing ways.

Earlier we mentioned that the New Testament contains 27 books.

Did you know that the Sun revolves around its axis once every 27 years (approximately)?

The Sun is in the Heavens. Jesus is often compared to the Sun.

Wait until you find out what the 39 books of the Old Testament relate to! Yep... Astro-Theology is all over the place. How did they know?

BIBLE CONSTRUCTION – Relating to DNA

Now that we know a little about the physical construction of the Bible, it's time to relate what we've learned so far to DNA.

Here is a handy chart for reference...

First, we'll link the DNA elements shown in the chart to their respective Key Words...

Hydrogen = Heaven

This one's my favorite.

Hydrogen is element number one on the Periodic Table of Elements...

http://en.wikipedia.org/wiki/Periodic_table

Just like Jesus is number one to us Christians... easy to remember.

Can you think of something in the Heavens that is made of Hydrogen and related to Jesus?

That's right... the Sun.

The Sun is made mostly of Hydrogen, and Jesus is often compared to the Sun throughout Scripture.

Who is Number 1?

Colossians 3:11

"Where there is neither Greek nor Jew, circumcision nor uncircumcision, Barbarian, Scythian, bond nor free: but **Christ is all, and in all**"

Galatians 3:28

"There is neither Jew nor Greek, there is neither bond nor free, there is neither male nor female: for **ye are all one in Christ Jesus**"

IE

IT'S
ELEMENTAL

Note that Hydrogen 'floats' or 'ascends' into the heavens... something that most Christians would like to do one day.

If you've ever seen photos from the Hubble Telescope, then you most likely saw Hydrogen Clouds.

Scripture tell us that Jesus will return "in the clouds"...

Matthew 26:64

"Jesus saith unto him, Thou hast said: nevertheless I say unto you, Hereafter shall ye see the Son of man sitting on the right hand of power, and coming in the clouds of heaven"

Later we will learn about the "Pillar of Cloud" that hovered over the Tabernacle.

Just for fun... take a look at that Hydrogen atom.

Imagine Jesus was a Proton, sitting at the right hand of Power called the Neutron.

Interesting yes?

Who do you suppose the Electron would be?

Next...

Phosphorus = Earth

Phosphorus is Element number fifteen on the Periodic Table of Elements.

It is likened to our sinful, worldly, earthly nature. It is a heavy element that acts like an anchor... preventing us from 'ascending' in a sense.

Phosphorus is a 'fiery' element. Matches are made from it...

<http://en.wikipedia.org/wiki/Phosphorus>

When the Bible speaks of our flesh being corrupt, I believe it has to do with this element as you will soon see. Hint... ever heard of matches called Lucifers?

Note that the element next to Phosphorus (element fifteen), is Sulfur (element sixteen).

Sulfur is called Brimstone in Scripture. The idea here is to get away from "Fire and Brimstone" and towards the path of Hydrogen, or Jesus/Heaven.

Now then... what is in between Heaven/Hydrogen and Earth/Phosphorus?

The Sky of course! We also know this from Genesis 1...

"In the beginning God created the heaven and the earth"

Then he created a space in between...

"God called the expanse "sky." Evening came and then morning: the second day"

Perfect. The Sky is made mostly of Nitrogen. Nitrogen is element seven. Seven is a very special number indeed.

Air is what we breathe, and it is often associated to spirits... like the "Seven Spirits" in Revelation.

Thus, the Sky portion of the Bible Genetic Code would relate to the Nitrogenous Bases of...

Adenine
Cytosine
Guanine
Thymine

Since these elements exist between Heaven and Earth, we can relate them to their respective section of the Bible as well.

The Four Gospels of...

Matthew
Mark
Luke
John

Our final element is more of a 'component' of DNA and is not found on the Periodic Table.

That component is called Deoxyribose.

Deoxyribose is basically Sugar... and it can be compared to the 'Forbidden Fruit' found on the Tree of Knowledge of Good and Evil.

Later we will compare it to Manna. The 'Food of Angels'.

Excellent. We now have all of our DNA elements...

DNA - Chemical Analysis

H Hydrogen

The Sun is mostly Hydrogen, as well as Hydrogen Clouds throughout the Universe. Christ is often compared with the Sun. The various DNA chemicals revolve around the Hydrogen Bonds, just like planets revolve around our Sun!

A Adenine

C Cytosine

G Guanine

T Thymine

D Deoxyribose

Earth's atmosphere is Nitrogen based. A. C. G. & T. are also Nitrogen based. The Four Gospels are often compared to 'The Four Living Creatures' and 'The Four Winds' mentioned in Scripture.

Deoxyribose is Sugar. Honey is often used in scripture to describe something sweet. In Revelation 10:10, honey is even used to describe DNA! *"And I took the little book (DNA) out of the angel's hand, and ate it up; and it was in my mouth sweet as honey"*

P Phosphorus

Phosphorus is used to make matches. The name literally means "Light Bearer", or "Lucifer"! Phosphorus is often likened to Venus, (which has a Sulphur atmosphere) as well as the goddess Isis.

And finally, we can place these elements onto our Bible graphic...

Heaven and Earth as a DNA Nucleotide

Now... for all intents and purposes... the last graphic shown depicts what is known in the scientific community as a 'Nucleotide'... however the 'Chief Cornerstone' is usually left out of diagrams.

We will discuss this further in our next lesson.

Here is another 'Heaven and Earth' comparison between the two sections of the Bible...

The “Two Messiah’s”

**Old Testament
‘Earth’
Judaism**

**Awaits
‘Earthly’ Messiah
(Moshiach)
and Kingdom**

**New Testament
‘Heaven’
Christianity**

**Awaits
‘Heavenly’ Messiah
(Jesus Christ)
and Kingdom**

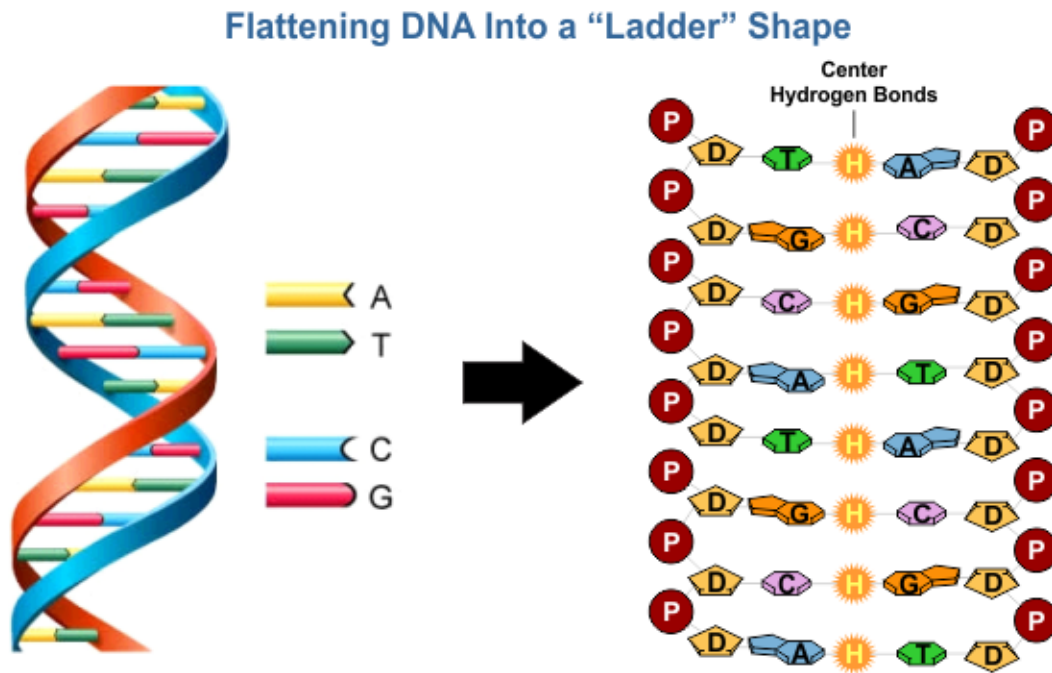

Judaism is more in line with Old Testament teachings and awaits the ‘earthly’ messiah and kingdom of Moshiach.

Christianity on the other hand is more in line with New Testament teachings and awaits the ‘heavenly’ messiah and kingdom of Jesus.

BIBLE CONSTRUCTION – DNA In-Depth

A nucleotide is the basic building block of DNA.

If one were to take the spiral or ‘whirlwind’ shape of DNA, untwist it, and then lay it flat, one would see it resembles a ladder...

Think of Jacob’s ladder.

Genesis 28:12

“And he dreamed, and behold a ladder set up on the earth, and the top of it reached to heaven: and behold the angels of God ascending and descending on it”

Now if one were to cut the ladder down the middle, one would have half a ladder, otherwise known as RNA...

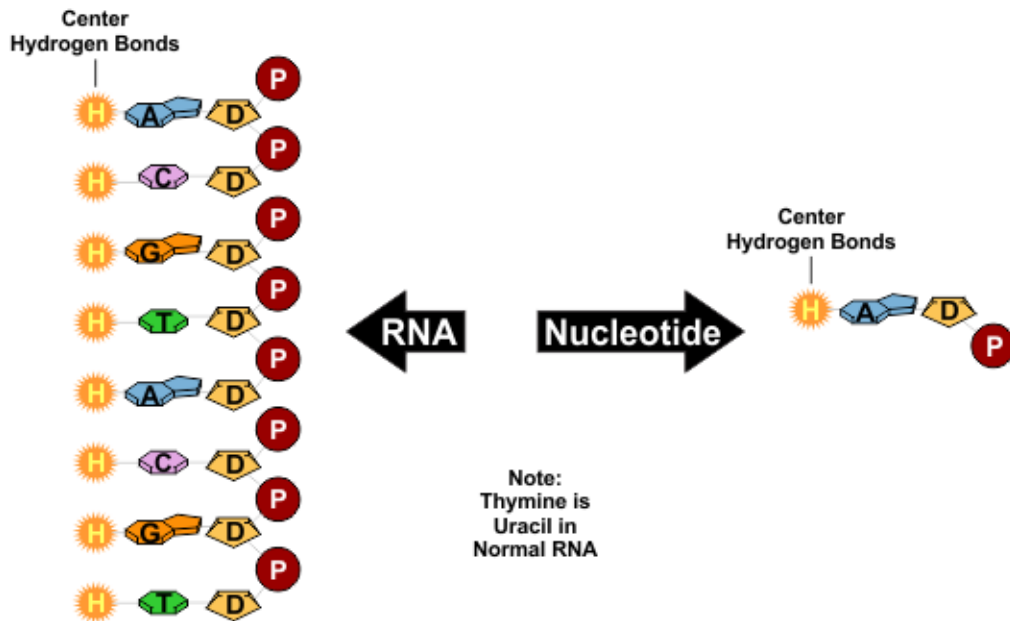

Cutting the “Ladder” in Half Creates RNA

Note that we are keeping the Hydrogen Bonds visible so as not to reject our Chief Cornerstone.

Finally, if one were to narrow the RNA strand to a single ‘rung’, one would have a Nucleotide...

Narrowing RNA to a Single “Rung” Creates a Nucleotide

It’s a match!

A DNA Nucleotide is a perfect representation of the physical construction of the Bible... and vice versa.

“Heaven Meets Earth” in the Form of a Nucleotide

Gospel Symbols

A = Matthew = Man

T = Mark = Lion

G = Luke = Ox

C = John = Eagle

Note that the Four Gospels of Matthew, Mark, Luke and John are assigned to symbolic beings.

Some of you may have seen these in esoteric artwork, like in this Tarot card for example...

Here we see them in this Masonic Artwork...

How did the Four Gospels become assigned to these beings?

We will cover this shortly when we open the Bible and begin studying the first book... Genesis, or rather... the "Book of Genes".

Further in this teaching, we will discuss what the Two Pillars of J&B (shown in the various diagrams) represent.

BIBLE CONSTRUCTION – KJV Title Artwork

One last item of interest before we open the Bible and read the first book called Genesis.

Now that our Mind's Eye has a bit of training, we are now ready to explore the King James Artwork a bit further...

Again... here is the higher resolution version...

<http://upload.wikimedia.org/wikipedia/commons/thumb/0/06/KJV-King-James-Version-Bible-first-edition-title-page-1611.xcf/1667px-KJV-King-James-Version-Bible-first-edition-title-page-1611.xcf.png>

Be sure and download it before they censor it!

Notice we have the Sun and Moon (Heaven and Earth) at the top and our Two Pillars of Jachin and Boaz.

Moses is Jachin (Masculine) and Aaron is Boaz (Feminine). They are standing at the entrance of King Solomon's Temple.

What does a temple mean in Bible code?

John 2:20

"Then said the Jews, Forty and six years was this temple in building, and wilt thou rear it up in three days?"

John 2:21

"But he spake of the temple of his body"

So a 'Temple' = 'Human Body'.

The "46 years in the making" should be obvious to those that know a little about DNA.

That's right! Humans have 46 Chromosomes. Very good.

The two Chromatids that make up the 'cross' are very much like the Two Witnesses.

We will learn more about them when we get to Zecharia...

The Two Witnesses of Revelation A Representation of a Chromosome

*"For who hath despised
the day of small things?"*

*"The hands of Zerubbabel have
laid the foundation of this house;
his hands shall also finish it"*

*"and they shall prophesy
a thousand two hundred
and threescore days,
clothed in sackcloth"*

"X" Shaped Chromosomes

*"This is the word of the
LORD unto Zerubbabel"*

Chromatid vs. Olive Tree

Olive Tree

Also... the 'Three Days' portion is something will learn about later when we discuss Codons and Amino Acids in the Book of Exodus.

Here's a hint. The Old Testament is 39 books...

$39 / 3 = 13$.

This is another Astro-Theological code having to do with Moon cycles.

Keep studying the KJV artwork and you will see the Four Living Creatures of Matthew, Mark, Luke and John.

A, C, G, T.

Notice Moses holds a phallic looking rod? Male

Aaron looks a bit feminine with his 'breast' plate and 'ovum/egg' shaped container. Female.

Like it or not, this is our KJV Bible. Complete with occult/Rosicrucian symbology...

If you haven't caught on by now, we are seeing a picture of the moment of conception that has been encoded by the King James artists.

Do you think they knew something that they perhaps were too scared to talk about?

BTW... here are the various characters...

The Twelve Apostles With Mason Next to "Holy Grail"

...and some more artwork with the A, C, G, T theme...

Nucleotide in Artwork

"When the Morning Stars Sang Together"

1611 KJV Bible

Masonic Royal Arch

It is now time to open our Bibles and read the first book... of Genes.

THE BOOK OF GENESIS

Finally, it's time to open our Bibles to the very first book. The book of Genes, or Genesis.

Now that we've all gone through our basic training exercises, we can begin to recognize some of the alchemical 'language' in the texts.

Conveniently enough, it just so happens that the very first sentence establishes our first two elements of Hydrogen and Phosphorus...

Genesis 1:1

"In the beginning God created the heaven and the earth"

Nice.

Next sentence...

Genesis 1:2

"And the earth was without form, and void"

So it would seem that the element of Phosphorus, which makes up the backbone of the RNA strand, hasn't been Genetically Engineered by God into living beings yet. Perhaps the RNA strands are strewn about.

Thankfully, the verses and pages that follow turn the RNA into living beings. They describe precisely, step by step, how the various elements are combined to create DNA and Genes.

I should mention at this point that I borrow heavily from Masonic artwork. This is for several reasons. The main reason is that I'm too lazy to recreate original artwork myself and don't have a budget for this stuff.

Another reason is this...

Masons may be a lot of things but stupid is not one of them.

Whoever put these images together knew what they were doing... big time. If they truly run things behind the scenes, then it is important that we understand what their ultimate goal is.

Understanding the symbols is therefore an important key to help visualize where we are all heading.

As you will begin to see, the Holy Royal Arch is a perfect graphical representation of the first seven days of creation... and of course it is also a representation of the physical construction of the Bible itself... and even our Solar System (As Above, so Below)...

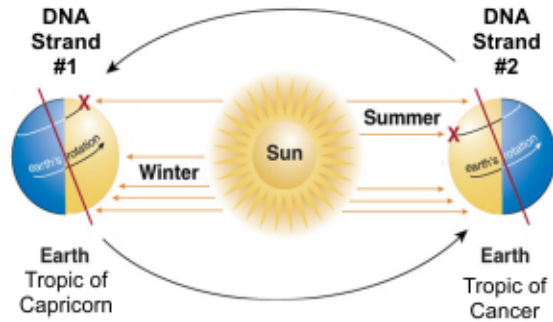

As you view the graphic, try and visualize the Pillar of Earth (Boaz) orbiting the Pillar of the Sun (Jachin).

The Tropic of Capricorn and the Tropic of Cancer give us our two DNA strands...

Earth Revolves Around the Sun... Just Like in DNA!

Solar System

When this information is placed on the Holy Royal Arch, we now can look through “both eyes” instead of only our left.

Zechariah 11:17

“Woe to the idol shepherd that leaveth the flock! the sword shall be upon his arm, and upon his right eye: his arm shall be clean dried up, and his right eye shall be utterly darkened”

We must look through both eyes in order to see the bigger picture...

See that building in the center? That is our ‘Temple’. Christ is the Chief Cornerstone of sure foundation.

Ephesians 2:20

And are built upon the foundation of the apostles and prophets, Jesus Christ himself being the chief corner stone;

The building depicted is also called The Parthenon, meaning “Virgin”... as in Virgin Mary.

Why do Masons use that particular building in much of their architecture?

Because it has 46 and 23 pillars of course!

“The Parthenon had 46 outer pillars and 23 inner pillars in total”

<http://en.wikipedia.org/wiki/Parthenon>

Remember, Humans have 46 Chromosomes... of which... 23 are ‘sacrificed’ from Mom and Dad to make a baby.

“Pillars of Witness”

DNA does not lie!
God will know the ‘Wheat’ from the ‘Tares’
“Let both grow together until the harvest”

GENESIS - Arch Symbolism in Paintings

If you watched my 'Special Announcement' film, you will have seen the Holy Royal Arch being decoded step by step, using Genesis as the 'Rosetta Stone'.

We now have several deep Masonic secrets revealed to us! Unfortunately, those that refuse to read the Bible of course will never 'get it'.

One of the greatest revealed secrets is the Checkerboard Floor. Not only does it represent God separating Light from Dark, but it's also a representation of the Sea!

Those that are more familiar with Scripture will know of stories of 'Beasts rising out of the Sea'. Think of the Sea as a mother's saltwater womb... and DNA surrounded by water.

Armed with our new Magick Eyes, we can already begin to decipher other Royal Arch symbolism hidden around us.

I have provided a few examples. "Parnassus" painting by Mantegna...

[http://en.wikipedia.org/wiki/Parnassus_\(Mantegna\)](http://en.wikipedia.org/wiki/Parnassus_(Mantegna))

We can see the obvious Arch which symbolizes the Zodiac as well as the Rainbow Covenant...

Genesis 9:13

"I do set my bow in the cloud, and it shall be for a token of a covenant between me and the earth"

The Twelve Signs of the Zodiac can all be seen...

- *) Nine dancing women
- *) The Lyre (Liar?) on the left makes ten
- *) 'Royal Couple' on top makes twelve

Jachin is on the right as Hermes/Mercury

Boaz is on the left as the Earthly 'man in the pit'.

The 'thirteenth' figure is the "Man/Child" or the returning future Messiah. This next one is rather stunning.

It is a prophecy by St. John Bosco...

<http://www.catholiccompany.com/blog/vision-john-don-bosco-two-columns-mary-eucharist>

Again we see Jachin with a Sun/Eucharist object above it and Boaz with Mary.

In addition we see the 'Sky' in between them filling the sails of a ship or Ark.

Notice instead of a Checkerboard Floor we have a Sea! Yet another confirmation of a future 'Beast rising out of the Sea'.

Is there evidence of this ship representing the birth of some sort of 'being'?

Part of the prophecy reads...

"Beaked prows ram the flagship again and again, but to no avail, as, unscathed and undaunted, it keeps on its course"

That sounds familiar...

Revelation 13:4

"And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, Who is like unto the beast? who is able to make war with him?"

More from St John's prophecy...

"At times a formidable ram splinters a gaping hole into its hull, but, immediately, a breeze from the two columns instantly seals the gash"

Deadly wounds being healed by the Pillars of DNA eh? That's some damn good DNA!

Revelation 13:3

"And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast"

More from St John's prophecy...

"But no sooner is the Pope dead than another takes his place"

The prophecy ends with the 'Beast' winning and everyone joining with it.

How does the Beast do it? Why is the Beast so successful?

"Only two things can save us in such a grave hour: devotion to Mary and frequent Communion"

So... Mary saves the day... and the Beast wins?

Does that sound right?

Does the Catholic Church really serve Mary, or do they serve an imposter?

One last note... notice the Pillars on the Bosco painting have anchors?

Later we will do a study on "Strake Sail".

Acts 27:17

"Which when they had taken up, they used helps, undergirding the ship; and, fearing lest they should fall into the quicksands, strake sail, and so were driven"

A Strake Sail is a type of Anchor that looks like an underwater parachute...

An Anchor rises out of the Sea... of DNA. Get it?

What is a Strake?

Looks like DNA doesn't it? It is interesting that the KJV translators used that word to describe an Anchor.

Is there a deeper meaning that the Masons picked up on?

A Beast Rises Out of the Sea of DNA

GENESIS – Tree of Knowledge

The story of Adam and Eve involves two trees. One is called “The Tree of Life” and the other... “The Tree of Knowledge of Good and Evil”.

Guess which one we were grafted onto when we were born?

Reliefs of King Ashur-Nasir-Pal II Analysis: Tree of Knowledge vs. DNA

Unfortunately, we are stuck with the inferior one... complete with Serpents (Phosphorus/Lucifers) and sweet fruits (Deoxyribose)...

Thankfully there is an upgrade plan to “graft” us back into the Tree of Life.

Actually there are a few of them.

One can either choose the Jesus upgrade plan or the “others”.

Here are some verses regarding the Jesus plan...

Romans 11:23 (NLV)

“And if the people of Israel turn from their unbelief, they will be grafted in again, for God has the power to graft them back into the tree”

Romans 11:24 (NLV)

“You, by nature, were a branch cut from a wild olive tree. So if God was willing to do something contrary to nature by grafting you into his cultivated tree, he will be far more eager to graft the original branches back into the tree where they belong”

Doesn't that sound a bit like Gene Splicing? The only caveat is that we have to wait until resurrection day to see if we qualify... which means facing death.

The “other” plan...

...involves mankind upgrading mankind.

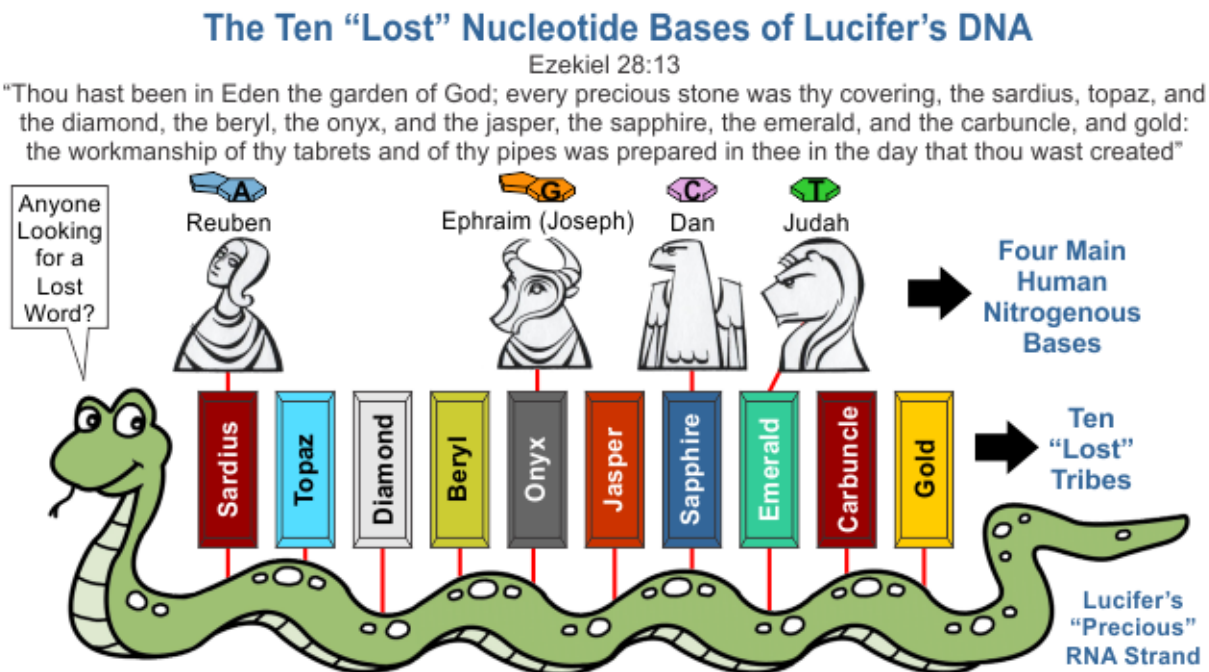

See that image on the right? That is called “The Tree of Life”.

Is it though? Says who?

Its official name is called the Sephirot.

<http://en.wikipedia.org/wiki/Sephiroth>

The circles are called “emanations”. There are ten of them. As in the number of Stones Lucifer is adorned with...

It’s also the number of God’s Commandments, which is the ‘strength of Sin’...

[1 Corinthians 15:56](#)

“The sting of death is sin; and the strength of sin is the law”

What are “emanations”?

Let’s take a look at what Wikipedia has to say...

“Emanation, from the Latin emanare meaning "to flow from" or "to pour forth or out of"”

<http://en.wikipedia.org/wiki/Emanationism>

It’s sort of like a Giant god ‘spurting out’ little baby gods... to put in in G-Rated language.

In other words... seeds.

In Kabbalah, or Jewish Mysticism, there is one Commandment assigned to each emanation or sphere.

Blasphemy?

Note that Kabbalah and Jewish Mysticism is exactly what God was trying to keep Israel away from when he brought them out of Egypt. Obviously, some of the teachings stayed with them.

Deuteronomy 18:10-11

"There shall not be found among you any one that maketh his son or his daughter to pass through the fire, or that useth divination, or an observer of times, or an enchanter, or a witch"

"Or a charmer, or a consulter with familiar spirits, or a wizard, or a necromancer"

Hopefully the reason why God wants us to stay clear of such things will become obvious as we continue these teachings.

The Ten Commandments are literally the Word of God... as in A, C, G, T.

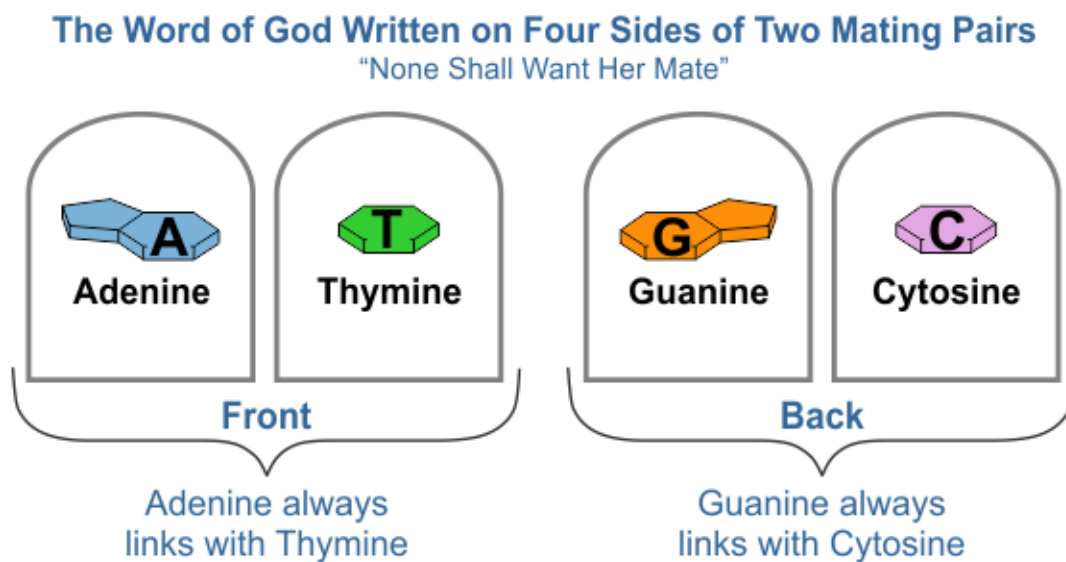

Again... seeds.

Luke 8:11

"This is the meaning of the parable: The seed is the word of God"

God literally "wrote" the Ten Commandments onto the "Stones"... Moses did not 'chisel' them in.

They were written on both sides like mating pairs...

Isaiah 34:16

"Seek ye out of the book of the LORD, and read: no one of these shall fail, none shall want her mate: for my mouth it hath commanded, and his spirit it hath gathered them"

Therefore, when we are talking about the Sephirot, we are talking about a "Base Ten" DNA construct.

In other words... instead of four Base Pairs (A, C, G, T) like we humans have, the so called "Tree of Life" has Ten Base Pairs... just like Lucifer!

So now whenever you see someone teaching about how wonderful the Sephirot is, you know they are talking about Lucifer.

Jews to this day celebrate Lucifer's "Ten Stones" of the "Man 2.0 Second Temple", by lighting the Nine Flames of the Chanukiah. Note that Gold, the material that the Chanukiah is made out of, is the Tenth Stone.

One final note about “eminations”. It also means “emissions”.

WARNING

This gets a little “X” Rated. Get it? X as in Chromosome? Oh never mind.

Ezekiel 23:20

“There she lusted after her lovers, whose genitals were like those of donkeys and whose emission was like that of horses”

So for all you kabbalists out there... hopefully someone explained this stuff to you before you dived into it. If they didn't, then congratulations... you are now part of someone's Magick experiment.

This is how the 'game' works, and why everything is a 'secret' or 'mystery'. It's so that **you** don't find out that you are in fact a pawn.

When we finally get to the Book of Revelation, we will see the ultimate Alchemical conclusion to all of this with the "Ten Horns" as hinted at in my previous slide.

Perhaps some of you can understand the significance of the word 'inkhorn' in relation to the Ark of the Covenant...

Ezekiel 9

"And the glory of the God of Israel was gone up from the cherub, whereupon he was, to the threshold of the house. And he called to the man clothed with linen, which had the writer's inkhorn by his side"

If not, don't worry... you will.

GENESIS – More on the Sephirot

As we delve further into the true meaning of the Sephirot, we see that it involves re-creating the perfect Man... or Man 2.0.

Right away one can see the Serpent strand of RNA and the Image of Man superimposed onto the Tree as to further reinforce the agenda.

Agenda is the operative word here. Make no mistake. These practices, rituals, Magick etc. are ultimately designed to manifest “THE ONE”.

Who is “THE ONE”?

It depends. If one is a Christian, then “THE ONE” would mean something akin to The Antichrist.

If one is a New Ager, Mason, Hindu, or other religion... then “THE ONE” could represent a future long awaited Messiah.

Who is right? Maybe in the end... it will be both. Time will tell.

Towards the end of this presentation, we will uncover a deeply hidden mystery encoded within The Book of Revelation.

With the advancement of Science and the aid of the Internet, we can quickly scour the planets archives for clues using the Christian Bible as our guide.

What will be revealed will be shocking to some.

- *) Ten Emanations
- *) Ten Kings
- *) Ten Commandments
- *) Ten Horns
- *) Ten DNA Base Pairs
- *) Ten “Lost Tribes”

It all adds up to the literal re-creation of Lucifer himself... or should I say... itself.

Scholars that are on the cutting edge of this research are hard to find, and information on this subject is scarce at the moment.

Here is one of those scholars, Pastor Mike Hoggard, mapping out the Sephirot vs. New Man agenda in this unique video.

Fast forward to 19:00 to learn more about this so called “Tree of Life”...

<http://youtu.be/xFvx-RgdVeU>

GENESIS – The Giants (Nephilim)

So where did all of this Occult Genetic knowledge originate from?

According to Scripture, it was before the great flood of Noah's time.

Genesis 6:4 (NIV)

"The Nephilim were on the earth in those days--and also afterward--when the sons of God went to the daughters of humans and had children by them. They were the heroes of old, men of renown"

There was so much GMO tinkering going on at that time that something drastic had to be done.

An Earth sterilization program was therefore set into place.

Genesis 6:7

"And the LORD said, I will destroy man whom I have created from the face of the earth; both man, and beast, and the creeping thing, and the fowls of the air; for it repenteth me that I have made them"

Notice the language...

- 1) Man
- 2) Beast
- 3) Fowl
- 4) Creeping Thing

Sound familiar?

What's missing in the Masonic Tracing Boards?

Fish and Great Whales (Leviathan).

In other words... those that were "under the sea" survived. This is why in Revelation we hear of 'Beasts rising out of the sea'... because what happened before, will happen again.

Ecclesiastes 1:10

"Is there anything of which one can say, 'Look! This is something new'? It was here already, long ago; it was here before our time"

Ecclesiastes 1:9

"The thing that hath been, it is that which shall be; and that which is done is that which shall be done: and there is no new thing under the sun"

Did the fallen angels escape the destruction by hiding under the sea?

Jude 1:6

"And the angels which kept not their first estate, but left their own habitation, he hath reserved in everlasting chains under darkness unto the judgment of the great day"

Is someone trying to tell us something?

Matthew 8:31 (NIV)

The demons begged Jesus, "If you drive us out, send us into the herd of pigs"

Matthew 8:32 (KJV)

"And he said unto them, Go. And when they were come out, they went into the herd of swine: and, behold, the whole herd of swine ran violently down a steep place into the sea, and perished in the waters"

http://youtu.be/2pnS_7YsYzM

With all of the unprecedented Genetic tampering going on now... how much longer does the Human Race have before the next sterilization campaign occurs?

GENESIS – The Hand of Mysteries

This image is called “The Hand of Mysteries”.

Its symbols are said to have no ‘official’ or ‘conclusive’ interpretation... thus the name.

In the book, *The Secret Teaching of All Ages* by Manly P. Hall, the "Hand of Mysteries" was said to have played a role in the founding of the United States.

This may very well be true and you are about to learn why.

Yes, armed with Biblical knowledge we can finally begin to decipher its mysteries.

Uh oh... does this mean we are about to become ‘Palm Readers’?

Let’s start with the four outer winged creatures.

Remember our Matthew, Mark, Luke and John symbolism?

That is our first clue. These winged creatures are related to the Four Living Creatures... except they are a bit different.

Let's see what Scripture has to say about them...

Daniel 7:2

"Daniel spake and said, I saw in my vision by night, and, behold, the four winds of the heaven strove upon the great sea"

That's quite a match! Four 'wings' creating four 'winds' (related to Sky/A,C,G,T) stroving upon a Sea with a great fish in the middle.

Next...

Daniel 7:3

"And four great beasts came up from the sea, diverse one from another"

Just as we suspected. They are related to our Four Living Creatures of A, C, G & T.

Global Alchemy Experiment... "Pair Bonding" and The "Alchemical Twins"

But what's this?

Daniel 7:4

"The first was like a lion, and had eagle's wings: I beheld till the wings thereof were plucked, and it was lifted up from the earth, and made stand upon the feet as a man, and a man's heart was given to it"

This sounds very alchemical! Eagles and Lions are two of our Nitrogenous Bases.

If we keep reading we find that strange new Bases are created. Bears and Leopards.

Finally we reach a very unique Base that is dreadful and terrifying contains Iron teeth... and Ten Horns.

Teeth of Iron eh? I wonder...

We then read...

Daniel 7:9

"I beheld till the thrones were cast down, and the Ancient of days did sit, whose garment was white as snow, and the hair of his head like the pure wool: his throne was like the fiery flame, and his wheels as burning fire"

So eventually all of this Alchemy and Artificial Intelligence Computing leads to God's appearance and ultimate judgment of Mankind and destruction of the Beast...

Daniel 7:11

"I beheld then because of the voice of the great words which the horn spake: I beheld even till the beast was slain, and his body destroyed, and given to the burning flame"

There is too much to cover here, but let's just say that each of the symbols on the hand can be related to Scripture.

The fish for example...

Matthew 12:40

"For as Jonas was three days and three nights in the whale's belly; so shall the Son of man be three days and three nights in the heart of the earth"

Jesus tells us that the end of the world will happen when this sign appears...

Matthew 12:39

"But he answered and said unto them, An evil and adulterous generation seeketh after a sign; and there shall no sign be given to it, but the sign of the prophet Jonas"

Did anyone watch the Three Marlenas video?

<http://youtu.be/RloXtzCaf8>

Did you see it?

“Hand of Mysteries” in Three Marlenas (Three Marys) Video

The Powers That Be are preparing Christians with eyes to see... and brainwashing the rest.

Here's another one...

<http://youtu.be/pufec0Hps00>

“Hand of Mysteries” in Madonna’s “Burning Up” Video

A ‘Beast of the Sea’ Receives a ‘Divine Spark’

Luke 10:18

“And he said unto them, I beheld Satan as lightning fall from heaven.”

Ha! Burning up... woman in chains... roman statues of gods.

GENESIS – Salt, Sulfur, Mercury

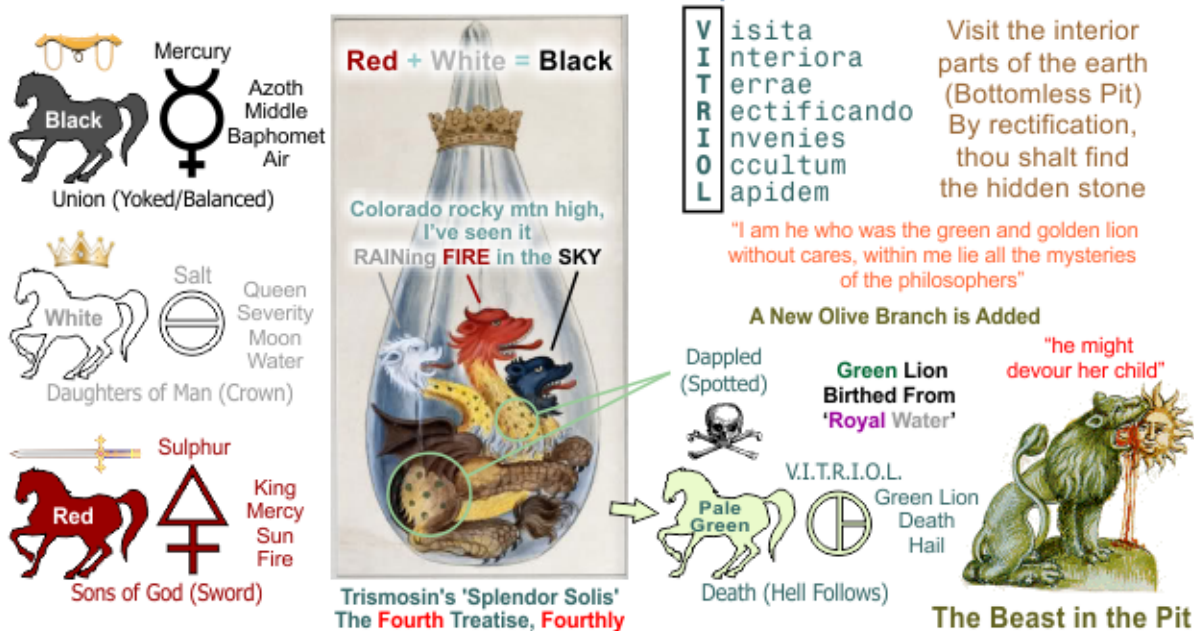

As we investigate the Hand of Mysteries even further, we see an Alchemical concept called 'Salt, Sulfur, Mercury' has been encoded into it, as well as other elements of Daniel...

'Hand of the Mysteries' Vs. Daniel 7-8 and Revelation

Salt + Sulfur + Mercury can be related to the Four Horsemen...

The Four Horsemen - Zechariah 1:8-17, 6:1-8 / Revelation 6:1-5

It's also used in the Masonic "Chamber of Reflection"...

V. I. T. R. I. O. L.

These symbols match the Four Horsemen of the Apocalypse. We will see more of this when we study the Book of Revelation...

Does this relate to America? There is compelling evidence to suggest it does.

Meet Jachin and Boaz...

Who's "THE ONE" in the middle? THE ONE is the "Word made flesh"...

"And the Nucleotide Became Flesh"

America's Secret Destiny... to Birth "The One"

Genesis 11:3

"And they said one to another, Go to, let us make brick, and burn them throughly. And they had brick for stone, and slime had they for mortar"

Genesis 11:4

"And they said, Go to, let us build us a city and a tower, whose top may reach unto heaven; and let us make us a name, lest we be scattered abroad upon the face of the whole earth"

Genesis 11:3

"And they said one to another, Go to, let us make brick, and burn them throughly. And they had brick for stone, and slime had they for mortar"

Ever heard of the Seventy Two Codons of God's Lost DNA Sequence? Thirteen levels?

<http://en.wikipedia.org/wiki/Shemhamphorasch>

It's been planned for hundreds, if not thousands of years. America will be the 'scapegoat' Azazel if it doesn't wake up soon.

Here are some more personal interpretations of the Hand of Mysteries. Note the Cockatrice (Rooster/Mercury) of the Chamber of Reflection has turned into a serpent...

This "Hand of the Mysteries" / 'Rosetta Stone' Matches Daniel 7-8 and Revelation

This "Hand of the Mysteries" / 'Rosetta Stone' Matches Daniel 7-8 and Revelation

Jacob's Straked Rods

Before we end Genesis we will take another look at the word 'Strake' mentioned earlier.

In Genesis 30, there is a story of Jacob peeling 'strakes' into some wooden rods as a picture of DNA. This is why the King James translation is so amazing. The KJV is the closest translation to the original meaning that we have in English.

Other translations use 'stripes' or 'streaks'... completely missing the point. Strakes aren't just stripes... they are 'helical' stripes... like a Candy Cane and of course DNA...

Rods with Strakes vs. DNA

Genesis 30:37

"And Jacob took him rods of green poplar, and of the hazel and chesnut tree; and pilled white strakes in them, and made the white appear which was in the rods"

And if that wasn't convincing enough, it's as if the Bible goes out of its way to really hit home what these 'straked rods' are all about...

Straked Rods: A Symbol of DNA and Conception

Genesis 30:37-38

"And he set the rods which he had pilled before the flocks in the gutters in the watering troughs when the flocks came to drink, that they should conceive when they came to drink"

"And the flocks conceived before the rods, and brought forth cattle ringstraked, speckled, and spotted"

That's right. Rods with DNA looking strokes in them are used to cause pregnancies!

When doing a search for the word 'strake' in the KJV, we also find this intriguing passage...

Leviticus 14:37

"And he shall look on the plague, and, behold, if the plague be in the walls of the house with hollow strakes, greenish or reddish, which in sight are lower than the wall"

Interesting. DNA Strakes related to plagues. Sounds like Bio-Weapons. We're just getting started. Our next book is Exodus. In Exodus, we are introduced to a very special rod indeed!

<http://youtu.be/ahkwQhQZWG8>

Like I said... we are just getting started.

THE BOOK OF EXODUS

In Exodus we encounter something called the “Tabernacle”. The Tabernacle was a portable dwelling place for the ‘Divine Presence’.

<http://en.wikipedia.org/wiki/Tabernacle>

THIS IS WHERE THINGS GET VERY INTERESTING.

Everything that we have learned so far is just a scratch on the surface to prepare us for this teaching.

Previously we learned about the ‘Word of God’ being the A, C, G & T of DNA. Now we really get to see this put into practice...

John 1:14 (Young's Literal Translation)

"And the Word became flesh, and did tabernacle among us"

<http://biblehub.com/john/1-14.htm>

In the world of Genetics... “words becoming flesh” and turning into a “Tabernacle” describes precisely, a living Biological Cell.

You heard that right... a book that was written thousands of years ago containing startling revelations regarding the most intimate details of DNA and Cell Biology... long before scientists of today had even the faintest clue.

It's time to prove what Christians and others have known all along. That is...

Not only is God is real... but he has a very special message that has been set aside... just for our generation to understand.

Meet the Tabernacle...

There are far too many correlations here to fit on one slide, so for the next several presentations, we will visit each item in the Tabernacle and compare it to Cell Biology.

And to really kick it up a notch, I'm just going to go right ahead and compare the Tabernacle to a Human Egg Cell and the moment of conception...

Tabernacle Layout and Ovum Comparison

Tabernacle vs Human Egg Cell

John 1:14

"And the Word became flesh, and did tabernacle among us"

Mystery school teachings love to talk about something called “The Shekinah glory” ...

<http://en.wikipedia.org/wiki/Shekinah>

However, they put a bit of a spin on it and relate it to the act of sex, rather than seeing it as ‘birth’. Perhaps they aren’t too far off after all.

All righty then.

Here are the items we will be analyzing...

- *) Brazen Altar
- *) Brazen Laver
- *) Altar of Incense
- *) Table of Shewbread
- *) Candlestick
- *) Curtains
- *) Most Holy Place
- *) Ark of the Covenant (and its amazing contents!)

EXODUS – Word Made Flesh

It's now time to study the Tabernacle.

John 1:14

"And the Word became flesh, and did tabernacle among us"

<http://biblehub.com/john/1-14.htm>

The "Word" is the Bible as well as...

Adenine
Guanine
Cytosine
Thymine

The Word and the Tabernacle are what we will begin to explore next. Scientists that work with DNA describe the letters (A, C, G, T) as sentences and paragraphs. There are even periods. A quick search reveals many articles. I grabbed a random one here...

"There are four bases making up DNA rings, these are adenine, thymine, guanine, and cytosine. These bases act as the 'letters' of a genetic alphabet. They combine in various sequences to form words, sentences, and paragraphs. These bases sequences are all the instructions needed to guide the functioning of the cell"

http://bcb705.blogspot.com/2006/05/structure-and-significance-of-dna-to_05.html

The "word" truly has become flesh. How did the Biblical authors know of such advanced information?!?

2 Peter 1:21

For the prophecy came not in old time by the will of man: but holy men of God spake as they were moved by the Holy Ghost.

Psalm 139:16 - Our Book of DNA Codes

EXODUS – Moses and the Pattern

Moses, being raised by the Egyptian ruling Elite most likely had intimate knowledge regarding Alchemy, Hermes Trismegistus, Isis, Magick etc.

The Pyramids could very well be the Egyptian's version of the Tabernacle and King Solomon's Temple.

In other words, a pyramid could be a temple designed to resemble Cell Biology... perhaps even the Cell Biology of the Gods... awaiting the day of resurrection.

Here is a PDF of someone's research on this...

http://pillar-of-enoch.com/language_series/prophecy/Language_of_God_in_Prophecy_Ch-5_Great_Pyramid_Tabernacle_Connection.pdf

Note that Secret Societies use the 'Unfinished Pyramid' denoting a human race that needs to have its DNA "completed" by placing the Capstone on it.

Zechariah 4:7

"What are you, mighty mountain? Before Zerubbabel you will become level ground. Then he will bring out the capstone to shouts of 'God bless it! God bless it!'"

Who will be the chief Magickian in charge of the upgrade? The Bible says Jesus and his loyal servants will be.

However, there is strong evidence that the Elites have someone else in mind...

Whatever Pyramids represent, one thing is certain... at the very least pyramids are Elitist DNA Preservation Devices.

"There are 138 pyramids discovered in Egypt as of 2008. Most were built as tombs for the country's Pharaohs and their consorts during the Old and Middle Kingdom periods"

http://en.wikipedia.org/wiki/Egyptian_pyramids

This may very well have been the reason why Moses was chosen to build the Tabernacle and deliver the Ten Commandments.

He simply 'knew the mysteries' as it were... and could build a 'new and improved' Tabernacle/Temple, yet have it remain humble and meek, rather than prideful and boastful.

I'd say he pulled it off exceedingly well!

EXODUS – Tabernacle as the Ovum of Jesus

Scripture tells us that the curtain inside the Tabernacle/Temple is the 'flesh of Jesus'...

Hebrews 10:19-20

*"Having therefore, brethren, boldness to enter into the holiest by the blood of Jesus...
by a new and living way, which he hath consecrated for us, through the veil, that is to say, his flesh"*

Therefore, this particular Egg Cell/Tabernacle isn't just an ordinary human's... its Christ's.

Note that the Tabernacle is carried in a most humble manner... through a Wilderness or Desert... for 40 years after fleeing Egypt and the evil Pharaoh.

This is related to the Woman of the Apocalypse who is nourished in the Wilderness for a time, times and half a time or forty two months.

Pharaoh is a picture of the Dragon who is wroth and sends a flood (Red Sea) after her. The Red Sea is parted (swallowed) allowing the Woman (Tabernacle/Israelites) to escape.

40 weeks is the length of an average pregnancy. Scripture is hinting at the deeper meaning here.

The Tabernacle therefore is most likely a picture of the Virgin Mary's ovum. The Gnostics have picked up on this idea with ISIS as a picture of Mary in the Temple...

The funny thing about that Tarot is that Isis has her back to the exit. The rising Sun and Venus is behind her. She beckons people to "part her veil"... but in reality she is asking the Initiate to leave God's Temple by walking past her and going on the "Fool's Journey" (as opposed to Hero's Journey).

BTW, women aren't allowed in the Temple, so this is blasphemy, which I'm sure is lost on most that practice divination using these cards.

The High Priests are the ones who can enter the temple. This is a picture of conception. However... since Christ was not conceived by man... it could mean that these High Priests represent a sort of "Holy Royal Genetic Engineer".

They are a Christian version of a Magickian or Hermes...

These have the power, knowledge and authority to enter into the Most Holy Place (Cell Nucleus/Chromosome area) and "sprinkle the Blood" onto the Ark/Chromosomes/DNA.

Sprinkling the Blood is an obvious reference to Gene Splicing and Genetic Tinkering of some sort.

Therefore, Christ was a "Genetically Engineered Super Being" ... all of this backed up by scripture!

Why? What is the purpose?

It was done in order to create a being that would 'pass the test' so to speak. Christ was able to do everything necessary to "escape the Earth/Hell prison system".

Was he the first? I don't know.

One thing I know for sure... it is his DNA template that will get the rest of the Human Race (if they so choose) into New Jerusalem.

We need to be upgraded with his 'Blood' in order to 'pass the test'.

This is why you hear all of these songs about Blood, etc...

'Power in the blood' and 'Nothing but the blood'

EXODUS – Brazen Altar and Laver

There are 23,000 Levite Priests tending the Tabernacle.

There's that number again... "23".

Numbers 18:23

"But the Levites shall do the service of the tabernacle of the congregation, and they shall bear their iniquity: it shall be a statute for ever throughout your generations, that among the children of Israel they have no inheritance"

Numbers 26:62

"All the male Levites a month old or more numbered 23,000. They were not counted along with the other Israelites because they received no inheritance among them"

Note that Moses and Aaron were Levites. They were also brothers... an interesting link to genetics.

It's now time to examine our first item.

The Brazen Altar...

The Altar of Sacrifice

The Priest approached the Tabernacle by way of the brazen altar, where he offered the sacrifice for sin.

"For the life of the flesh is in the blood: and I have given it to you upon the altar to make an atonement for your souls: for it is the blood that maketh an atonement for the soul." Leviticus 17:11

Jesus Christ Became our perfect sacrifice

"The next day John seeth Jesus coming unto him, and saith, Behold the Lamb of God, which taketh away the sin of the world." John 1:29

▲ Brazen Altar

The place of Sacrifice, Death
Shed Blood

This is to also illustrate that Cells need food in order to survive. In other words, in order for us to live, something must die. Note that it is the 'Blood' that is the 'Life'.

The Blood of Jesus is the Life...

Hebrews 10:19

"Having therefore, brethren, boldness to enter into the holiest by the blood of Jesus"

Thus the deeper meaning of this sacrifice is to illustrate that we may have eternal life through the Blood of Jesus or rather his DNA Upgrade Plan.

Don't forget... the Mother and Father "sacrifice" 23 Chromosomes each to birth a new child. Beautiful.

The Brazen Altar has Ox Horns on each corner. Note that Hathor was an Ox God that later became Isis... who still retains the Ox Horns.

It's filled with burning coals... kind of like Phosphorus and Sulfur (Fire and Brimstone).

I wonder why blood is smeared on the horns?

Next is the Laver...

The Laver of Water

The Priest must wash at the laver before ministering at the altar or entering the Tabernacle

"When they go into the tabernacle ...they shall wash with water or when they come near the altar to minister." Exodus 30:20

The laver was a place of washing and cleansing from sin.

"And now why tarriest thou? arise, and be baptized, and wash away thy sins, calling on the name of the Lord."
Acts 22:16

Brazen Laver
The Place of Cleansing

DNA is surrounded by water. We are birthed from the waters of our mother's womb.

Also... being "Born Again" is represented here.

This is an easy one. Water is generally necessary for life... and it washes us.

EXODUS – The Candlestick

The Candlestick is the next item in the Tabernacle that we will study.

When we look at modern day representations of the Candlestick, we often see a very stylized version that looks something like this...

However, when we actually read the instructions for building a Candlestick, we find that the blueprints call out for a very specific design that doesn't quite match what we see in the photo.

For example, in the KJV translation we find that the blueprints call out for almond shaped 'bowls' with knops and flowers.

Exodus 25:33

“Three bowls made like unto almonds, with a knop and a flower in one branch; and three bowls made like almonds in the other branch, with a knop and a flower: so in the six branches that come out of the candlestick”

If we look at the photo, we see that the bowls and flowers have been reduced to mundane looking blobs. On top of that, the quantities don't even match up.

Even the shape of the Candlestick itself seems to have been modified to such an extent as to mask what its true physical representation ought to be.

Scripture is clearly talking about "branches" here. In other words, the Candlestick should look like a bush or a tree with branches and flowers. Naturally.

When was the last time you saw a tree or bush that had all of its branches perfectly lined up at the top?

Something is clearly not right here. Is it a conspiracy? Perhaps.

Let's see if we can re-construct the Candlestick using the blueprints given to us in Scripture.

Re-Constructing the Candlestick Based on Scripture

More 'Natural' Looking

Resembles a 'Burning Bush'

Not perfect, but a definite improvement.

Note that the Candlestick now has more of a resemblance to the Burning Bush that Moses saw. There is a connection.

If we now compare our new and improved Candlestick to the Esoteric, we see some very interesting correlations...

Esoteric "Tree" or "Bush" Examples

All of the images we see can be traced to the Tree of Knowledge of Good and Evil... or DNA.

Yes, the Tree of Knowledge of Good and Evil is literally our very own DNA in which we were "grafted" onto during conception.

If this sounds strange, simply do a Bible search on the word "grafted"...

Romans 11:17 (NLT)

"But some of these branches from Abraham's tree--some of the people of Israel--have been broken off. And you Gentiles, who were branches from a wild olive tree, have been grafted in. So now you also receive the blessing God has promised Abraham and his children, sharing in the rich nourishment from the root of God's special olive tree"

Romans 11:18 (NLT)

"But you must not brag about being grafted in to replace the branches that were broken off. You are just a branch, not the root"

There are many examples of branches and trees relating to people.

Here is a VERY important one...

Jesus is the main 'trunk' of the Tree called the Vine. Just like the Sun in our Solar System is at the center... so is Jesus.

Jesus is who we should 'cling to' in order to be saved. Get it?

Here is one of many verses to confirm...

John 15:5

"I am the vine, ye are the branches: He that abideth in me, and I in him, the same bringeth forth much fruit: for without me ye can do nothing"

Look at these next images.

Are these Ancient Aliens? What are they doing to that tree?

Is that really a "tree"...

Here is another version...

Clearly a tree does not look nor grow like that. This means that these so called “trees” are a representation of something else. What do you supposed would happen if we threw in some of our DNA elements into the Ancient Alien Tree?

Reliefs of King Ashur-Nasir-Pal II Analysis: Tree of Knowledge vs. DNA

That's quite a match wouldn't you say? Notice we have Eagles, and Lions and Men?

Yes, these are the very same "Living Creatures" that we find in Scripture having to do with DNA. They belong to something called a 'Lamassu'.

More on the Lamassu in a bit.

Remember our diagram of the Tabernacle as an Egg Cell?

Tabernacle vs Human Egg Cell

John 1:14

"And the Word became flesh, and did tabernacle among us"

The Candlestick is representative of something called Mitochondrial DNA. Note that it is 'outside of' the Most Holy Place/Nucleus/Chromosomes.

It is a separate entity. Mitochondrial DNA is what Genetic Researchers use to trace family histories.

It is passed on by the Mother. It is in a sense 'feminine', hence the Almond shaped bowls.

The Church is the Candlestick as well... another feminine symbol.

The Candlestick is shaped like a 'bush' or 'tree' ... hence the term "Family Tree".

One more fun fact...

"Mitochondrial DNA (mtDNA or mDNA) is the DNA located in organelles called mitochondria, structures within eukaryotic cells that convert chemical energy from food into a form that cells can use"

http://en.wikipedia.org/wiki/Dna%2C_mitochondrial

The Candlestick converts oil into flame. There is alchemy going on. The Brazen Altar is where the food gets 'sacrificed' and enters into the Cell to be converted into Golden Oil and Honey/Sugar/Manna and so on.

Isn't it amazing?

EXODUS – Meet the Lamassu

*“A **lamassu** is a protective deity, often depicted with a bull or lion's body, eagle's wings, and human's head”*

<http://en.wikipedia.org/wiki/Lamassu>

Sound familiar? It should.

Matthew, Mark, Luke and John are often portrayed as the very same symbolic animals.

If you watched my 'Special Announcement' video, you will see them in Genesis forming the 'sky' or 'Nitrogen' (Element 7) portion of the Nucleotide...

http://youtu.be/n6PGG_rIOI8

God creates...

- 1) Cattle
- 2) Fowl
- 3) Beast
- 4) Man

Who's king of the beasts? Yes, a Lion.

As we mentioned earlier, if you are into the esoteric or Astro-Theology, you can also find the 'Fab Four' all over the place.

A Tarot card...

Egyptian history...

Four Suns of Horus/Isis vs Four Evangelists vs DNA

Adenine, Cytosine, Guanine, Thymine... Is There a Connection?

The Four Canopic Jars

Hapi (Baboon) Duamutef (Jackal) Qebehsenuef (Falcon) Imsety (Human)

Assists the King in His Ascension to Heaven in the Eastern Sky by Means of *Ladders* (DNA).
Two Brothers in Pe / Two Brothers in Nekhen (Base Pairs)

The Four Evangelists

Binds Old Testament (Strand #1) and New Testament (Strand #2)
Via Four Base Pairs

Zodiac...

The Four Base Constellations: As Without, So Within

Ezekeil's 'Whirlwind' or 'Spiral'... a Key to DNA and the Zodiac

Masonic Images...

The Four 'Gospels' vs. Element '7' (Nitrogen)

"Word Made Flesh"

Element '7'
Air/Spirit/Breath

DNA Base Pairs
Are Made of Nitrogen

'G' is
7th Letter

*The Arms of γ most Ancient & Honorable Fraternity
of Free and Accepted Mafons*

Etc...

It would seem that our Fab Four are very important indeed.

This is because; as I've been hinting at... it all plays a large part in Transhumanism.

Remember what happened in Genesis 6:2...

“That the sons of God saw the daughters of men that they *were* fair; and they took them wives of all which they chose”

Genetic experimentation was pretty huge back then, and many of the secrets have been preserved. The Powers That Be have done a good job of keeping Christians in the dark, because here we are all these years later and...

Luke 17:26

“And as it was in the days of Noe, so shall it be also in the days of the Son of man”

Yep... Genetic Engineering aaaaaaIII over again.

Thankfully we have Scripture to explain to us the important details of Genetics and how things are going to play out in the not so distant future.

This leads us back to the Candlestick.

There are some amazing secrets that have been hidden from us, but thanks to modern science we can begin to reveal them.

EXODUS – Candlestick Continued

Matthew 6:10

“Thy kingdom come. Thy will be done in earth, as it is in heaven”

If we take our modern day Candlestick and place the Sun at the center flame and planets on the outer flames as if to simulate the Solar System, we would see something like the image on the left.

If we took our DNA components and placed them in similar fashion we would get something like the image on the right.

Notice the similarities?

The chemical elements revolve around the center Hydrogen bonds just like planets going around the Sun.

The verse I quoted above is very popular with New Age philosophy, except they paraphrase it a bit to read “As Above, So Below”... and sometimes “As Without, So Within”.

An example of this would be that our Solar System (as without) is very similar to... say... an atom (so within) or DNA as shown in the diagram.

Let’s see if we can find evidence of this in Scripture.

Revelation 1:13

“And in the midst of the seven candlesticks one like unto the Son of man, clothed with a garment down to the foot, and girt about the paps with a golden girdle”

So... in the middle of the Seven Candlesticks sits someone like Jesus.

Note that these particular Candlesticks are **single** candles... not the seven branched ones we have been

referring to.

This can be seen in many paintings...

Notice he carries the 'Seven Electron' Nitrogen Atom in his hand? Wow!

Could these atoms be the extra 'Words' of Nitrogenous Bases (A, C, G & T) that will upgrade us?

So at this point I believe it's safe to say that... just like the center bonds of Hydrogen in DNA, and the Sun in our Solar System... Jesus represents the bowls along the center "Vine" (Trunk) of the Candlestick in which the other components revolve around.

Center Hydrogen Bonds on the Candlestick

"Three that bear record in heaven"

Isn't it interesting that we have three Bowls in the Center? This is because... in the world of DNA... it is "three that bear record"... in other words... we are forming a "Codon".

What about the Ox, Lion, Man and Eagle? If we could find a verse that allowed us to put our Four Gospels on the Candlestick, that would be over the top!

No problem... Revelation is replete with Four Living Creatures surrounding the throne of Jesus!

Revelation 4:6

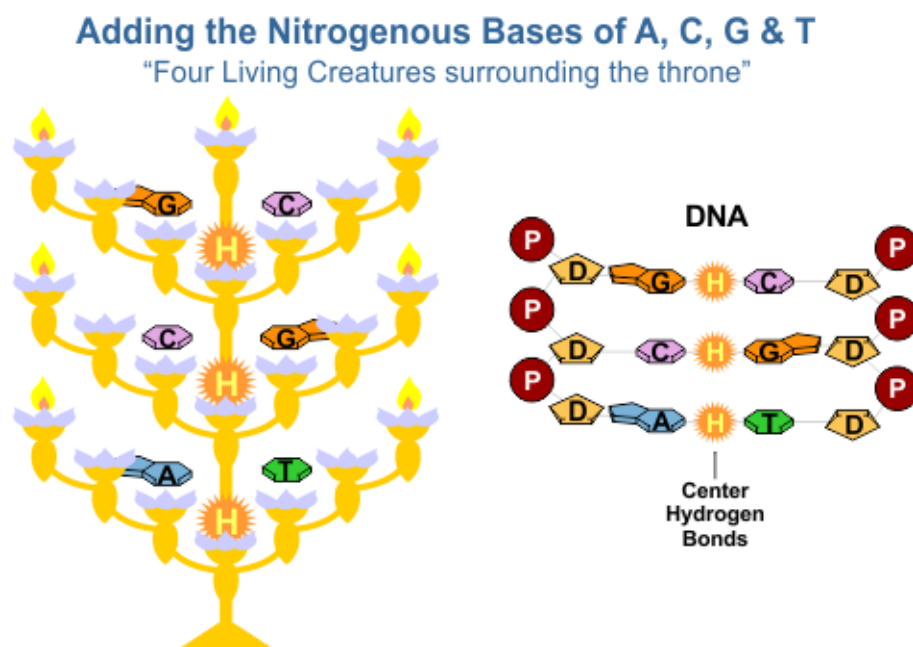

"And before the throne there was a sea of glass like unto crystal: and in the midst of the throne, and round about the throne, were four beasts full of eyes before and behind"

Revelation 5:6

"And I beheld, and, lo, in the midst of the throne and of the four beasts, and in the midst of the elders, stood a Lamb as it had been slain, having seven horns and seven eyes, which are the seven Spirits of God sent forth into all the earth"

There are plenty more where that came from. Check out The Book of Revelation some time.

Thus our Four Living Creatures surround Jesus and fit exactly where they should right here...

What about Deoxyribose? Remember, Deoxyribose is Sugar.

How about this one?

Revelation 10:10

"And I took the little book out of the angel's hand, and ate it up; and it was in my mouth sweet as honey: and as soon as I had eaten it, my belly was bitter"

DNA as we have learned is a little book. The Deoxyribose tasted sweet, and as we will find out later... the Phosphorus tasted bitter in his stomach.

There are also many verses which speak of 'fruits' relating to trees. Think Garden of Eden.

Excellent. Deoxyribose is another perfect match...

Adding Manna (Deoxyribose/Sugar)

"I took the little book from the angel's hand and ate it, and it did taste as sweet as honey"

Ok. What about the flames? How can we fit our Phosphorus "Stones of Fire" that Lucifer walked up and down? There's just no way... or is there? Say hello to Ezekiel's Whirlwind... better known as DNA...

Ezekiel 1:4

"And I looked, and, behold, a whirlwind came out of the north, a great cloud, and a fire infolding itself, and a brightness was about it, and out of the midst thereof as the colour of amber, out of the midst of the fire"

There's plenty of fire being described there, that's for sure.

See the Heavenly clouds joining with the Earth below and the Sky in the middle?

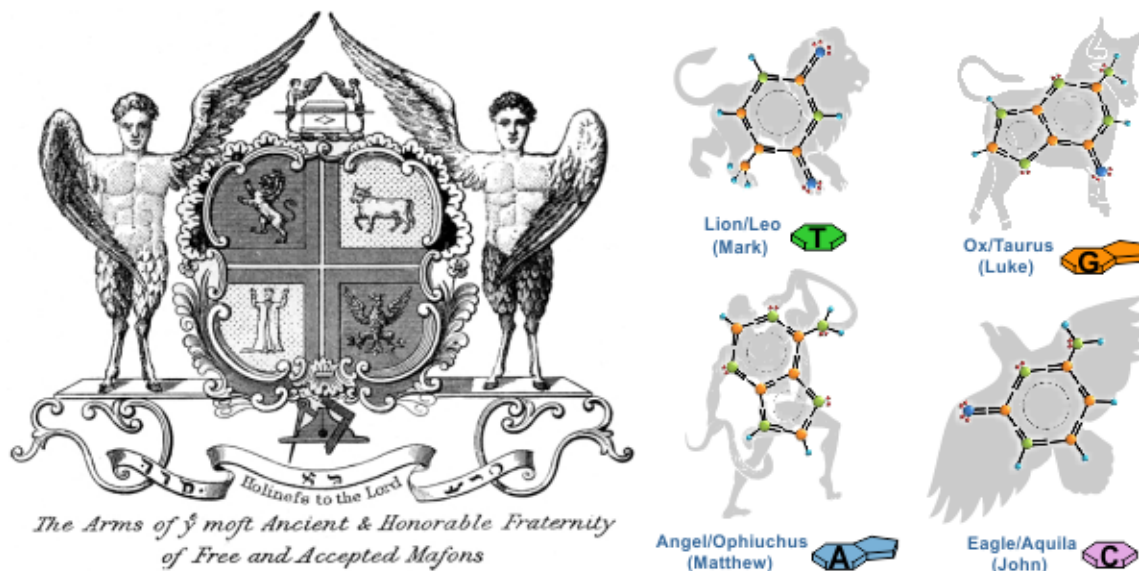

Isaiah 66:1

"Thus saith the LORD, The heaven is my throne, and the earth is my footstool: where is the house that ye build unto me? and where is the place of my rest?"

And the Four Living Creatures? You know it...

Ezekiel 1:10

As for the likeness of their faces they four had the face of a man and the face of a lion on the right side and they four had the face of an ox on the left side they four also had the face of an eagle

Last, but not least, we tie it all to the seven flames on the Candlestick...

Ezekiel 1:13

As for the likeness of the living creatures their appearance was like burning coals of fire and like the appearance of lamps it went up and down among the living creatures and the fire was bright and out of the fire went forth lightning

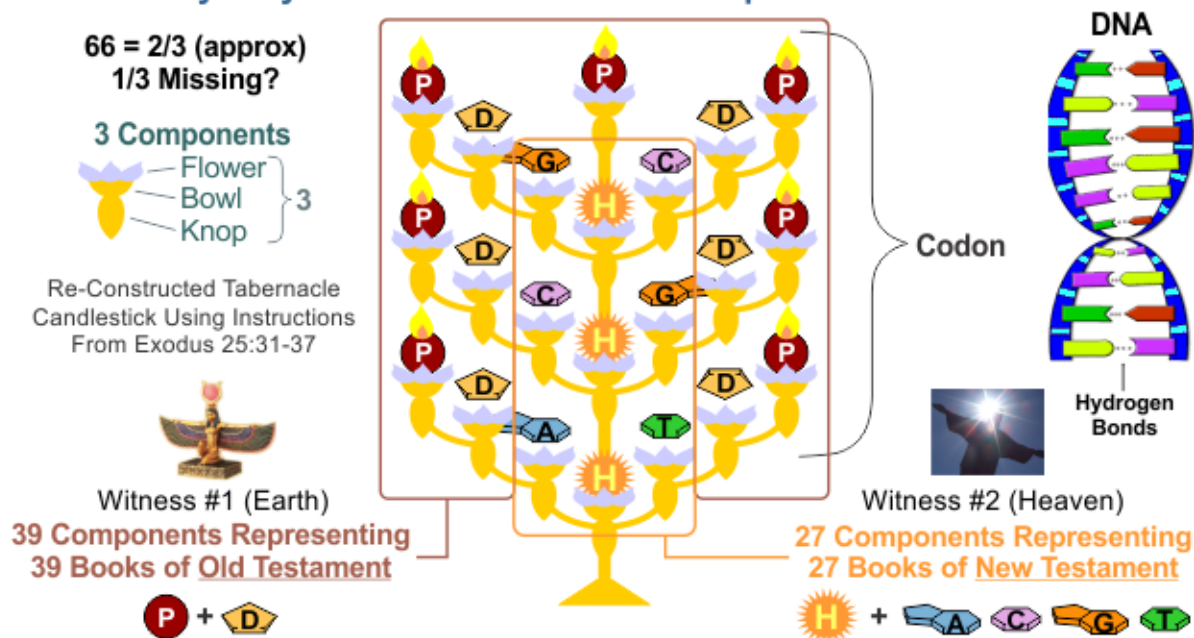

Up and down like the appearance of lamps. That's a good match. Get it? Match?

BTW... this teaching is not for wimps. If the word “Lucifer” scares you, then perhaps you should come back when you are ready.

So, last but not least, we have our Phosphorus bonds that complete our Tree of Knowledge of Good and Evil...

Mystery of the 66 Candlestick Components Revealed

And look what else is being revealed here... 39 books of the Old Testament vs. 27 books of the New Testament!

Amazing isn't it? Later we will discuss this even further when we talk about the “Chaff”. The Old Testament Phosphorus and Deoxyribose is the Chaff that we will shed one day... like a ‘snake skin’.

Think of it as a ‘husk’ or hard outer casing on a seed. Once planted in the “Earth” the “Water” erodes it away leaving the good stuff in the middle to grow, in order to be with God someday...

Cling to the Vine... Not the Chaff!

If you are wise, you will cling to Jesus (center Hydrogen Bonds) and your Quaternary Code of A, C, G, & T will remain intact.

The Dove of the Holy Ghost will carry you where you need to go. You will float and ascend... remember... Hydrogen floats.

Do you see it?

If you are unwise you will cling to a Luciferian, or 'sinful' lifestyle. You will become the heavy Chaff and become separated and wind up as 'dust of the ground'.

You will be single RNA strands... like a snake crawling on its belly... eating dust.

Surely you see it?

EXODUS – Table of Shewbread and Altar of Incense

Matthew 6:11

"Give us this day our daily bread"

This one should be obvious.

God provides us with sustenance... and sustenance is just what our Biological Cells need.

John 6:35

"And Jesus said unto them, I am the bread of life: he that cometh to me shall never hunger; and he that believeth on me shall never thirst"

Simple and to the point.

There are twelve loaves... representing the Twelve Tribes... which is a hint of a future DNA upgrade when our 'Stones of Fire' are replaced by 'Pearly Gates'...

Luke 4:3-4

"And the devil said unto him, If thou be the Son of God, command this stone that it be made bread"

"And Jesus answered him, saying, It is written, That man shall not live by bread alone, but by every word of God"

Our next item is the Altar of Incense...

As the name suggests, incense was burned on this altar.

The coals used on this altar had to be taken from the Altar of Burnt Offerings which we learned about earlier.

The burning of the incense was symbolic of the prayer of the people rising up to God.

The smoke creates a 'cloud' that covers the Ark of the Covenant...

Leviticus 16:13

"And he shall put the incense upon the fire before the LORD, that the cloud of the incense may cover the mercy seat that is upon the testimony, that he die not"

As far as how this related to DNA and Cell Biology... more research is needed on my part.

The Book of Revelation has a few things to say about this, and it's a bit frightening.

EXODUS – The Ark of the Covenant

It's now time to 'part the veil' and enter The Most Holy Place. Are you ready?

Hebrews 10:19-20

"Having therefore, brethren, boldness to enter into the holiest by the blood of Jesus, by a new and living way, which he hath consecrated for us, through the veil, that is to say, his flesh"

We are literally entering into the Cell Biology of Jesus by parting his flesh. Wow!

The moment Jesus died, the curtain was torn in two.

Could this be a picture of Cell Division?

Cell Division

Matthew 27:50-51

"And when Jesus had cried out again in a loud voice, he gave up his spirit.
At that moment the curtain of the temple was torn in two from top to bottom"

Or maybe a cell dying?

Compare this to what the Egyptians knew...

"Sunrise at Creation" vs. Cell Division

We are now standing in front of the Ark of the Covenant. Yep, just like in that movie Raiders of the Lost Ark...

Inside of it, we see three items...

- 1) Two Tables of the Testimony
- 2) Golden Pot of Manna
- 3) Aaron's Rod That Budded

We will examine the first item, The Two Tables of the Testimony... better known as "The Ten Commandments".

These originally started out as being "Stones cut without hands". Where have we heard that before?

Daniel 2:45

"Forasmuch as thou sawest that the stone was cut out of the mountain without hands, and that it brake in pieces the iron, the brass, the clay, the silver, and the gold; the great God hath made known to the king what shall come to pass hereafter: and the dream is certain, and the interpretation thereof sure"

Unfortunately, Moses "broke the law" and new ones had to be made.

<http://youtu.be/Id6oS3L-D9A>

NOTE: See Isis/Hathor? They were worshipping her. Isis is the Golden Calf.

The second time the Two Tables of the Testimony were made, Moses had to carve the stone himself. The Two Tables have now become stones cut **WITH** hands.

This is very important to remember.

The words, fortunately still come from God. They are literally "The Word of God"... just like

Adenine
Cytosine
Guanine
Thymine

The 'Words' written in our 'inward parts' came from God... and not Monsanto or other laboratory.

Here is an example of how these Laws will be incorporated into our future upgraded DNA...

Jeremiah 31:33

"But this shall be the covenant that I will make with the house of Israel; After those days, saith the LORD, I will put my law in their inward parts, and write it in their hearts; and will be their God, and they shall be my people"

Note that the 'heart' of a Biological Cell is its Nucleus, where our DNA is stored.

We also know from Scripture that the Words were written on both sides of the tablets.

This gives us four sides or four sets of 'words' arranged in two mating pairs...

The Word of God Written on Four Sides of Two Mating Pairs

"None Shall Want Her Mate"

Isaiah 34:16

"Seek ye out of the book of the LORD, and read: no one of these shall fail, none shall want her mate: for my mouth it hath commanded, and his spirit it hath gathered them"

Wow.

The Bible truly is the "Living Word of God"!

If we were to place the Word of God on the Candlestick, it would look something like this...

Adding the Word of God (A, C, G & T)

"In the beginning was the Word, and the Word was with God, and the Word was God"

That's a pretty amazing coincidence.

Scripture... as always... backs this up...

John 1:1

"In the beginning was the Word, and the Word was with God, and the Word was God"

Remember, Jesus is the 'Vine' or 'Trunk' of the Candlestick. The 'Word' is right there with him.

I wonder if the remaining items will fit?

EXODUS – Golden Pot of Manna

Our next item inside of the Ark of the Covenant is the Golden Pot of Manna.

Manna is a very unique type of food that was provided by God for the Israelites as they traveled through the desert.

Descriptions of Manna are a bit vague, so let's see if we can piece some evidence together to get an idea of what it is...

Exodus 16:35

"And the children of Israel did eat manna forty years, until they came to a land inhabited; they did eat manna, until they came unto the borders of the land of Canaan"

That's a heck of a long time to eat the same food over and over. Why forty years?

If we keep with our 'Immaculate Conception' theme of the Tabernacle, we find that forty is the number of weeks the average pregnancy is for a human...

<http://www.whattoexpect.com/pregnancy/40-weeks-pregnant.aspx>

Nice!

When a baby is in its mother's womb, it receives, in a sense... 'food from heaven' or New Jerusalem Mom, for forty weeks. After the child is born, it begins to eat real food as it grows up.

Note that the Manna stopped after forty years. Remember this. Another interesting pregnancy related verse is this...

Nehemiah 9:21

"Yea, forty years didst thou sustain them in the wilderness, so that they lacked nothing; their clothes waxed not old, and their feet swelled not"

Just like a baby in the womb... all needs taken care of. Well, sort of. Actually people got a bit tired of the Manna, so Moses actually had the audacity to complain to the Lord...

Numbers 11:12

Have I conceived all this people? have I begotten them, that thou shouldest say unto me, Carry them in thy bosom, as a nursing father beareth the sucking child, unto the land which thou swarest unto their fathers?

Look at the language!

Our next bit of evidence...

John 6:31

Our fathers ate the manna in the wilderness; as it is written, 'HE GAVE THEM BREAD OUT OF HEAVEN TO EAT'

This ties in to the Table of Shewbread.

Next...

Exodus 16:31

"And the house of Israel called the name thereof Manna: and it was like coriander seed, white; and the taste of it was like wafers made with honey"

Honey? Now we're getting somewhere!

Coriander seed looks like white molecules. Hmm... and... they have a wafer texture and the taste of honey. Interesting.

Another clue is this...

Numbers 11:8

"And the people went about, and gathered it, and ground it in mills, or beat it in a mortar, and baked it in pans, and made cakes of it: and the taste of it was as the taste of fresh oil"

Fresh oil? Interesting.

Here's another...

Numbers 11:7

"And the manna was as coriander seed, and the colour thereof as the colour of bdellium"

Bdellium looks a lot like brown sugar...

This next clue is very alchemical in its description...

Exodus 16:14

"And when the dew that lay was gone up, behold, upon the face of the wilderness there lay a small round thing, as small as the hoar frost on the ground"

It starts off as 'dew', then, it evaporates into something resembling "Hoar Frost".

Note that Hoar Frost is mentioned in Job as something issuing from a womb...

Job 38:29

"Out of whose womb came the ice? and the hoary frost of heaven, who hath gendered it?"

Yeah... sounds like Comet Dust eh? Since when can you eat Comet Dust? Since when it had DNA in it... that's when. Note it has genders like Male and Female.

So here is our list of Manna's descriptors:

- *) Dew
- *) Honey
- *) Small whitish or brownish crystals
- *) Oil
- *) Bread
- *) Wafer
- *) Hoar Frost/DNA/Comet Dust

Whatever this stuff is, it sure bears a striking resemblance to Deoxyribose, or Sugar... another element in our Tree of Knowledge of Good and Evil. That is to say... the Candlestick.

Note that bread turns into sugar in the body. How did they know?

If the Israelites didn't eat it right away, it bred 'worms'. Hmmm.

I'll just go ahead and insert the Manna in a Golden Apple Honey Pot for now, and place them in their respective positions on the DNA Tree...

Adding Manna (Deoxyribose)

"I took the little scroll from the angel's hand and ate it, and it did taste as sweet as honey"

I'd say that tree is looking a bit familiar. Another amazing coincidence.

Now... there is just no way the next item in the Ark will match up with the Serpent strands of DNA.

No way.

Come on now... seriously?

That would take a miracle.

EXODUS – Aaron’s Rod That Budded

Our next item to study is Aaron’s Rod That Budded.

This is a very fascinating item indeed as it reveals many clues to Bible Genetic Codes. It even relates to the Two Witnesses of Revelation.

Aaron’s rod was a staff carried by either Moses or Aaron. It had miraculous powers. One of those powers was the ability to come to life and turn into a serpent!

The relationship to DNA should be obvious at this point...

However, let’s explore the rod a bit further.

First, it’s important to know that a rod or staff is used to guide, correct, and protect sheep.

Psalm 23:4

“Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me”

In other words, a rod is used as a “lesson teaching tool”. Have you ever wondered if the meaning of life is to learn? Sometimes those lessons can be very challenging for us.

Teaching lessons is just what Moses and Aaron do with the rod... and Pharaoh was the one who needed to learn. Unfortunately, he was very stubborn and so... that rod had to work overtime causing plagues and parting the Red Sea and all sorts of punishments for him.

This scene from the movie, Ten Commandments shows the staff turning into a serpent...

<http://youtu.be/ahkwQhQZWG8>

Notice Pharaoh has Magickians that can make inanimate objects come to life as well?

This is a very subtle clue with great meaning that is often downplayed. The Bible is basically telling you that the Egyptians were Alchemists... or Genetic Engineers that knew deep mysteries of DNA tampering.

Think of that when you look at images of Egyptian gods that were part man and part beast.

Again, this meaning is lost in today's modern age, however this is one of the chief reasons Israel was separated from Egypt and other places. It was to get them away from Mystery Religion practices... especially Alchemy.

Unfortunately, the practice remains to this day under Jewish Mysticism, Kabbalah, etc.

I have a bad feeling God isn't going to put up with that for much longer.

This is interesting...

Exodus 9:4 (NIV)

"But the LORD will make a distinction between the livestock of Israel and that of Egypt, so that no animal belonging to the Israelites will die"

I wonder if God was getting rid of their GMO foods. Lol.

Speaking of Pharaoh's Magickians and their Serpents, take a look this passage when they threw down their staffs after Moses and Aaron...

Exodus 7:11

"Then Pharaoh also called the wise men and the sorcerers: now the magicians of Egypt, they also did in like manner with their enchantments"

Look up the word "enchantments" under Strong's...

Strong's No: 3858 – lahat

Short Definition: flaming

This word is used in only one other place in the Bible...

Genesis 3:24

"So he drove out the man; and he placed at the east of the garden of Eden Cherubims, and a flaming sword which turned every way, to keep the way of the tree of life"

It is used in context with Eden (where the Serpent is), Cherubim, and a "Flaming Sword" that turned every way to guard the Tree of Life.

A flaming, "Magick" sword that turns and turns eh?

Are you getting it yet?

Who had the wound of the sword and lived?

Revelation 13:14

"And deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live"

Isn't it interesting that a sword is used in context with Genetic Engineering, as well as giving life to the Beast?

Do a search on the word 'sword' and you see this pattern of three words over and over again...

"sword, famine, and plague"

Famines and plagues are what Aaron's 'Serpent Rod' brings time and time again.

Isn't this what Bio-Weapons made from DNA do?

This leads us to the Two Witnesses.

Moses and Aaron are a type of Two Witnesses and the lessons they teach bear a striking resemblance to those in Revelation...

:unclemikey-379:

The 'Two Witnesses'... Because DNA Never Lies

Exodus	Compare	Revelation 11:6
<p>These have power to...</p> <ul style="list-style-type: none"> - Turn water into blood - Bring frogs, lice, boils, locusts - Send thunder hail, and rain fire - Bring thick darkness - Bring water from stone - Part the Red Sea 	<p>Compare</p>	<p>These have power to...</p> <ul style="list-style-type: none"> - Shut heaven - Rain not in days of their prophecy - Turn water into blood - Smite the earth with all plagues

Moses

Aaron

Two Witnesses

Revelation 11:4
"These are the two olive trees, and the two candlesticks"

1 Kings 6:23
"And within the oracle he made two cherubims of olive tree"

Again... DNA is the perfect witness. It doesn't have the capability to lie. It uses words of A, C, G, T to 'testify'.

Is it just too obvious to believe?

Take a look at this movie screenshot vs. a typical Two Witnesses image...

Were the producers trying to tell us something?

Notice the 'Heaven and Earth' / 'Father and Mother' / 'Fire and Water' themes?

What do we have here?

Later we will compare some of these findings with Egyptian Mythology.

One final note. In Numbers 17:8 we read...

“And it came to pass, that on the morrow Moses went into the tabernacle of witness; and, behold, the rod of Aaron for the house of Levi was budded, and brought forth buds, and bloomed blossoms, and yielded almonds”

Look at what the Tabernacle is called! Witness! And there’s Aaron’s rod with Almond Blossoms.

Why Almonds? It’s a feminine shape. The shape of a private part. It is what we are born out of.

You can look at these to get an idea...

https://www.google.com/search?hl=en&...itk3KIA#imgdii=_

Sorry I had to show that, but truth hurts sometimes.

Finally we come to these strange verses about the Rod...

Ezekiel 7:10

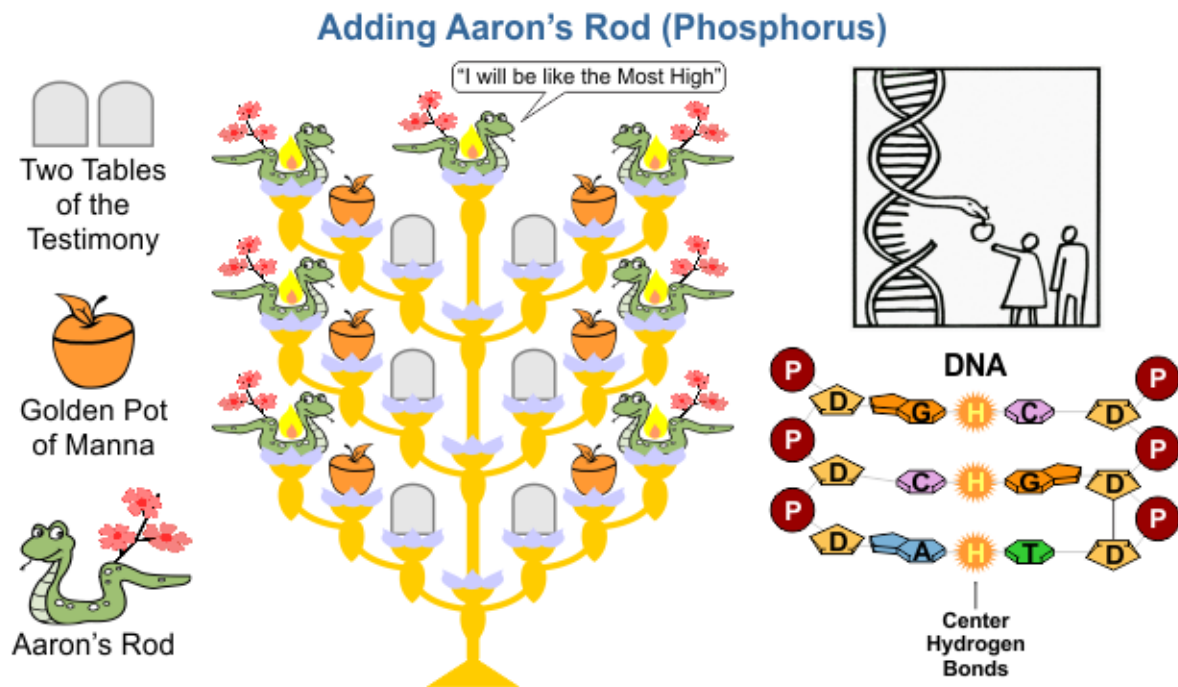

“Behold, the day! Behold, it is coming! Your doom has gone forth; the rod has budded, arrogance has blossomed”

Ezekiel 7:11

“Violence is risen up into a rod of wickedness: none of them shall remain, nor of their multitude, nor of any of theirs: neither shall there be wailing for them”

Could this be a clue as to where we humans get our corrupt flesh from? I believe it is.

Let's add Aaron's Rod to our Candlestick to see if it matches...

Indeed it does.

What if we were to 'shed' our Earthly garments... like a Serpent sheds its skin? Remember how we learned about Chaff?

Well then. Our DNA Tree is complete... or is it?

Wait... where are the center Hydrogen Bonds? Is the theory flawed?!?!?

EXODUS – Center Hydrogen Bonds

So... where is the Hydrogen in the Ark?

Here it is!

Ta-da...

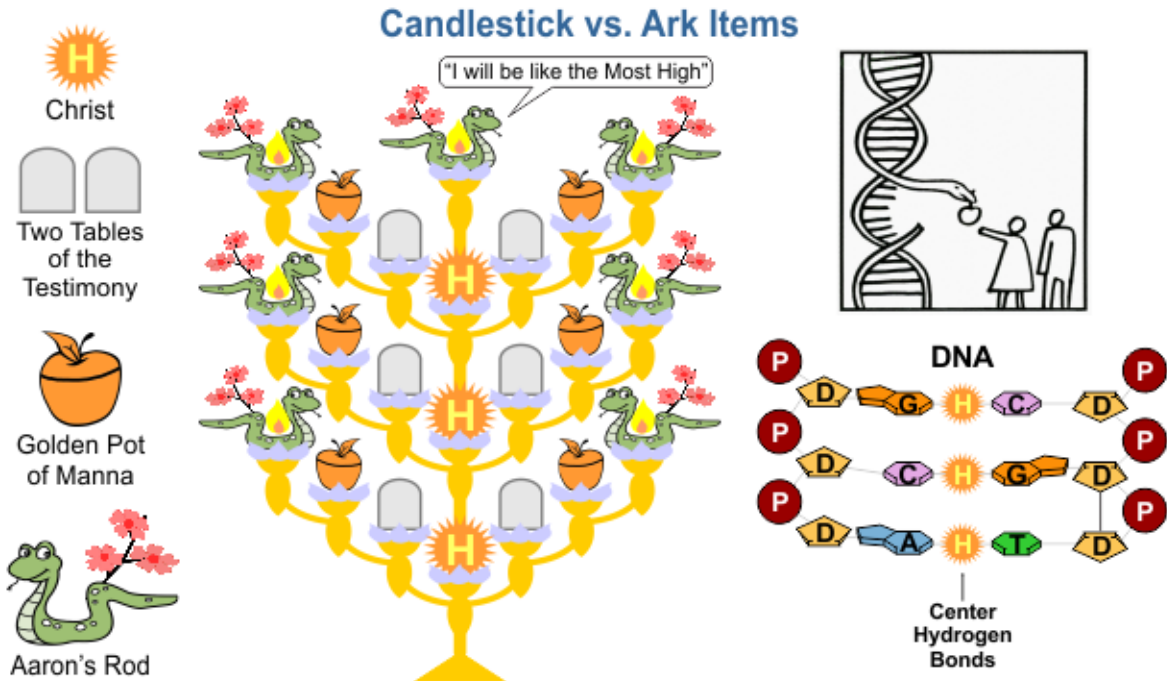

Exodus 25:22

"And there I will meet with thee, and I will commune with thee from above the mercy seat, from between the two cherubims which are upon the ark of the testimony, of all things which I will give thee in commandment unto the children of Israel"

The Hydrogen Bonds that form the 'Vine' of the Candlestick of DNA, where Jesus is, can be seen in between the two Cherubim... right where it's supposed to be.

We can finally complete our Candlestick...

Now then... what about those Two Cherubim that covereth the Ark?

How do those fit in with DNA?

Ezekiel 28:14

"Thou *art* the anointed cherub that covereth; and I have set thee so: thou wast upon the holy mountain of God; thou hast walked up and down in the midst of the stones of fire"

Wait a minute... isn't that?

EXODUS – The Cherubim on the Ark

This will be a challenging lesson to teach. I will do the best I can.

OK, so...

We know from Scripture that the Tabernacle is a picture of the flesh of Jesus...

Hebrews 10:20

“By a new and living way, which he hath consecrated for us, through the veil, that is to say, his flesh”

The ‘Veil’ is what separated the Holy Place from the Most Holy Place.

The Most Holy Place would be the Nucleus/Chromosome area... and in the case of the humble Tabernacle, the Veil would be a type of Cell Membrane.

Now the Curtain Veil of the Tabernacle had Cherubim on it...

Exodus 26:31

“And thou shalt make a vail of blue, and purple, and scarlet, and fine twined linen of cunning work: with cherubims shall it be made”

The Cherubim on the Veil represent Chromatids...

King Solomon's Temple (the more advanced version of the Tabernacle built later on) actually has two very large Cherubim made of Olive Tree that cover the ark...

These are the Two Olive Trees and the Two Witnesses representing the Two Chromatids that form the Chromosome.

The Two Witnesses of Revelation A Representation of a Chromosome

*"For who hath despised
the day of small things?"*

*"The hands of Zerubbabel have
laid the foundation of this house;
his hands shall also finish it"*

*"and they shall prophesy
a thousand two hundred
and threescore days,
clothed in sackcloth"*

"X" Shaped Chromosomes

*"This is the word of the
LORD unto Zerubbabel"*

Chromatid vs. Olive Tree

Since the Tabernacle in the Wilderness had to be portable, I'm assuming these two giant Cherubim statues were simply represented by images sewn onto the Veil itself to reduce weight and bulk.

Therefore, the Ark represents the DNA of Jesus that sits inside the Chromosome.

The Two smaller Cherubim sitting on top of the Ark represent the two strands of DNA.

Here is where it gets a bit strange...

We find that Lucifer was (or perhaps still is) a component of the Ark...

Ezekiel 28:14

"Thou art the anointed cherub that covereth; and I have set thee so: thou wast upon the holy mountain of God; thou hast walked up and down in the midst of the stones of fire"

Lucifer is a representation of the Phosphorus backbone that makes up the 'serpents' of DNA.

So it makes sense that he walks in the midst of the “Stones of Fire”...

Jacob's Ladder and “Stones of Fire” (Lucifer / Phosphorus)

Ezekiel 28:14 - “...thou hast walked up and down in the midst of **the stones of fire**”

Ezekiel 28:16 - “...I will destroy thee, O covering cherub, from the midst of **the stones of fire**”

**Pyramid Shaped
White Phosphorus
Tetrahedron**

Genesis 28:12 - “And he dreamed, and behold a ladder set up on the earth, and the top of it reached to heaven: and behold the angels of God ascending and descending on it.

Lucifer is also decorated with nine “Precious Stones”... or Ten if you count Gold...

The Ten “Lost” Nucleotide Bases of Lucifer’s DNA

Ezekiel 28:13

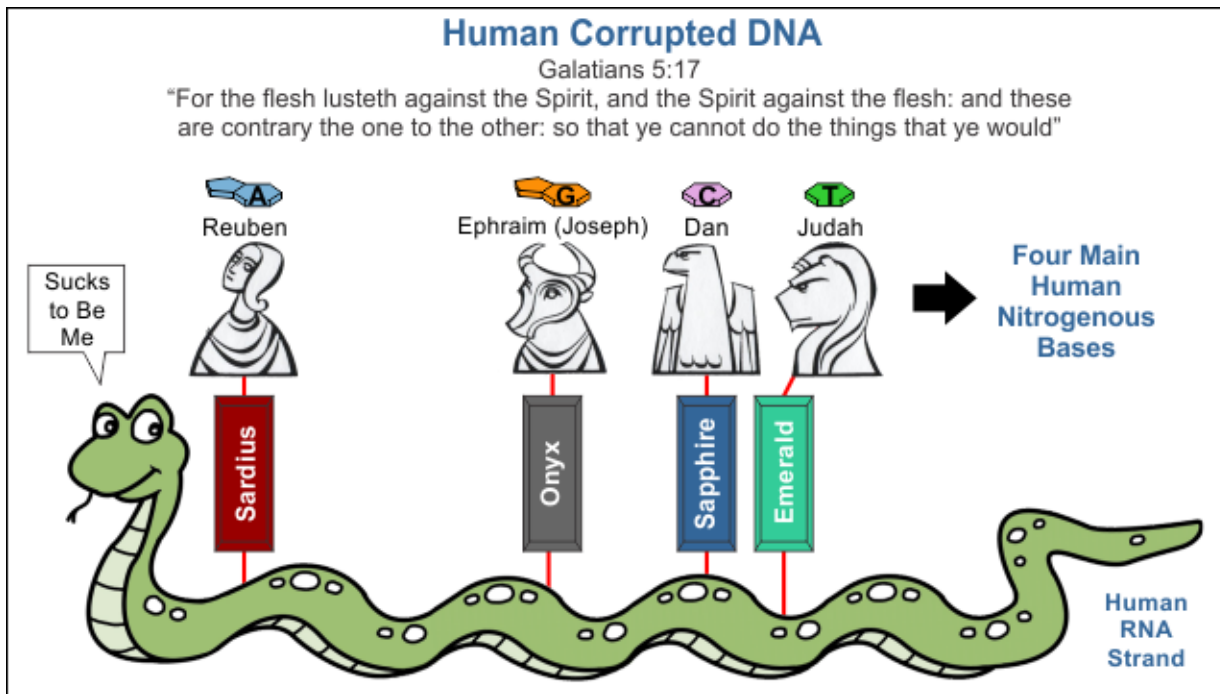

“Thou hast been in Eden the garden of God; every precious stone was thy covering, the sardius, topaz, and the diamond, the beryl, the onyx, and the jasper, the sapphire, the emerald, and the carbuncle, and gold: the workmanship of thy tabrets and of thy pipes was prepared in thee in the day that thou wast created”

These ‘Stones’ most likely would represent extra DNA Bases that are much more advanced than humans. Humans have four, generally speaking.

Thus Lucifer would represent a highly advanced being. It’s no wonder the Elites want to re-create him.

If one were to degrade Lucifer's DNA and "dumb it down" so to speak... to make a semi-decent slave race for instance... then one may end up with something like this...

It's a perfect fit... for humans that is.

Why? Because Lucifer represents Sin and corruption, which is what we have now... but Jesus?

But if the Ark is Jesus, then isn't this a problem? Isn't Jesus supposed to be all perfect and everything?

This is seriously disturbing stuff!

Or is it?

Not when one understands that Jesus "became Sin" for us in order to "bring it to the Cross/Chromosome".

Romans 8:3

"For what the law could not do, in that it was weak through the flesh, God sending his own Son in the likeness of sinful flesh, and for sin, condemned sin in the flesh"

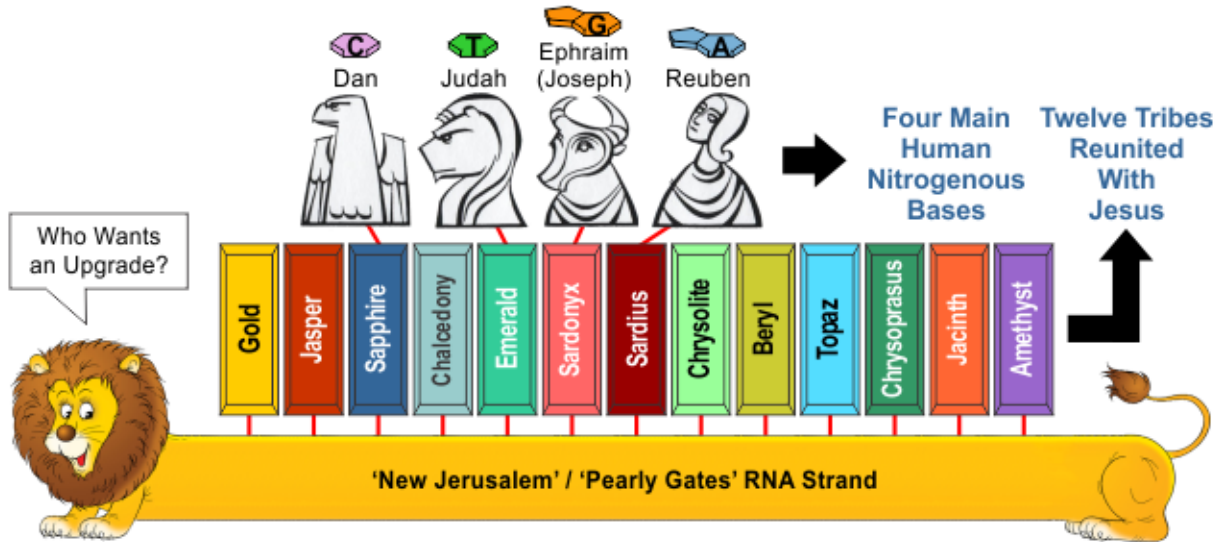

See that?

Jesus was made in the 'likeness' of sinful flesh. In other words he was not totally human. And since Lucifer was found to have 'inequity' in his DNA, then perhaps Jesus had a slightly better version...

Jesus Christ's Thirteen Base DNA

Revelation 21:3

"And I heard a great voice out of heaven saying, Behold, the tabernacle of God is with men, and he will dwell with them, and they shall be his people, and God himself shall be with them, and be their God"

This could be his 'Heavenly' body'. What about the Earthly? Perhaps the Seven Lamps plus Gold represents an Eight-Base construct.

Thus...

Humans = Four Base + Uracil

Jesus Earthly Body = Seven Base + Gold

Lucifer = Nine Base + Gold

Jesus Heavenly Body = Twelve Base + Gold

Here is another verse...

[2 Corinthians 5:21](#)

"For he hath made him to be sin for us, who knew no sin; that we might be made the righteousness of God in him"

Either way, we see that Jesus compares himself to the Serpent on a Pole that Moses used...

[John 3:14](#)

"And as Moses lifted up the serpent in the wilderness, even so must the Son of man be lifted up"

Now, it is important to understand that even though Jesus was made in the “likeness of sin” ... he never sinned. Therefore, Jesus was allowed to receive and ascend in his new Deluxe Style Light Body.

Ok... I have to admit, this may be an uncomfortable subject. Especially given the fact that there is a strange sort of ‘overlap’ in which researchers, Gnostics, Masons, New Agers etc. say that Jesus *is* Lucifer.

They claim “Morning Star” this, and “Day Star” that and It’s been a hotly debated topic for centuries due to the various translations over the years changing the meaning from Lucifer to Venus to Jesus to... whatever suits the agenda of the day.

This is one of the biggest reasons why I created this study. It is to see if our very own Cell Biology can help solve some these disagreements.

After all, Jesus himself said...

Luke 17:21

“Neither shall they say, Lo here! or, lo there! for, behold, the kingdom of God is within you”

The Kingdom of God is within us! Get it? Wow.

So then... If Jesus ‘became Sin’ for us, then really there is nothing to be afraid of here and no heresies have been committed. It’s 100% backed up by Scripture.

In fact... it is my personal belief that... now that we’ve reached this point in the study... we can truly begin to appreciate the magnitude of what Jesus actually did to save us.

He literally ‘downgraded’ himself to the point where he could walk among us, yet still be able to ascend off this world and be re-upgraded again... in order to offer us his “blood” or DNA blueprints to upgrade us as well!

That's quite a favor he did for us!

Note that when Christ comes back the second time, he won't have Sin on him anymore...

Hebrews 9:28

"So Christ was once offered to bear the sins of many; and unto them that look for him shall he appear the second time without sin unto salvation"

Then, it's upgrade time...

1 Corinthians 15:52

"In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed"

EXODUS – King David and the Ox Cart Incident

Transportation of the Ark of the Covenant was to always be done in a specific way.

It was to always be carried by four Levite Priests... one on each of the four arms attached to it...

In a similar fashion, we have our Fab Four Base Pairs of Matthew, Mark, Luke and John in our DNA that carry us...

This theme can even be seen in this old children's prayer...

Unfortunately, King David made the mistake of letting "Hathor" take over the job of carrying the Ark, and something awful happened...

1 Chronicles 13:7-10

"And they carried the ark of God in a new cart out of the house of Abinadab: and Uzza and Ahio drave the cart"

*"And David and all Israel played before God with all **their** might, and with singing, and with harps, and with psalteries, and with timbrels, and with cymbals, and with trumpets"*

"And when they came unto the threshingfloor of Chidon, Uzza put forth his hand to hold the ark; for the oxen stumbled"

"And the anger of the LORD was kindled against Uzza, and he smote him, because he put his hand to the ark: and there he died before God"

Letting the Oxen carry the Ark led to a man's death. King David was left confounded as to how to properly transport the Ark...

1 Chronicles 13:12

"And David was afraid of God that day, saying, How shall I bring the ark of God home to me?"

It must always be carried by the Fab Four.

Uzza died just for touching the Ark. If the Ark represents DNA, then what does that say about the Genetic Engineers of today, tinkering with the Most Holy Place? I have a bad feeling judgment is coming our way because of it.

Isn't it interesting that they were near the 'Threshing Floor' when this event took place and that they played musical instruments that Lucifer was described to be made of?

Think about it.

EXODUS – Pillars of Witness

Egyptians often wrote words or hieroglyphs on Pillars called Obelisks. These Pillars served as 'witnesses' to commemorate special events and times.

In scripture, we find something similar...

Genesis 31:52

"This heap be witness, and this pillar be witness, that I will not pass over this heap to thee, and that thou shalt not pass over this heap and this pillar unto me, for harm"

Thus Pillars, are a form of Witness.

Here we have an example of a Witness of Pillar of Cloud...

Psalm 99:7

"He spake unto them in the cloudy pillar: they kept his testimonies, and the ordinance that he gave them"

...And here we have a Witness of Pillar of Fire...

Numbers 9:15

"And on the day that the tabernacle was reared up the cloud covered the tabernacle, namely, the tent of the testimony: and at even there was upon the tabernacle as it were the appearance of fire, until the morning"

God appeared as a Pillar of Cloud by day, and a Pillar of Fire by night.

Exodus 13:21

"And the LORD went before them by day in a pillar of a cloud, to lead them the way; and by night in a pillar of fire, to give them light; to go by day and night"

When compared to our Bible Nucleotide, we see once again a perfect match...

Thus, Earth is related to Pillar of Fire and the Moon while Heaven is related to the Sun and Pillar of Cloud... these are the Two Witnesses.

We find these relationships all throughout Scripture.

Heaven and clouds always go together...

Revelation 11:12

"And they heard a great voice from heaven saying unto them, Come up hither. And they ascended up to heaven in a cloud; and their enemies beheld them"

This one is very telling...

Revelation 10:1

"And I saw another mighty angel come down from heaven, clothed with a cloud: and a rainbow was upon his head, and his face was as it were the sun, and his feet as pillars of fire"

Note that his "feet" are Pillars of Fire. What do feet walk on? Earth... which is the 'Footstool'.

Earth and Fire go together as well...

Luke 12:49

"I am come to send fire on the earth; and what will I, if it be already kindled?"

Revelation 8:5

"And the angel took the censer, and filled it with fire of the altar, and cast it into the earth: and there were voices, and thunderings, and lightnings, and an earthquake"

Job 28:5

"As for the earth, out of it cometh bread: and under it is turned up as it were fire"

Here are some amazing examples of "As without, so within" putting all of these elements together...

1 Corinthians 15:40

"There are also celestial bodies, and bodies terrestrial: but the glory of the celestial is one, and the glory of the terrestrial is another"

1 Corinthians 15:41

"There is one glory of the sun, and another glory of the moon, and another glory of the stars: for one star differeth from another star in glory"

Note how these are now compared to the Human Body/DNA...

1 Corinthians 15:42-44

"So also is the resurrection of the dead. It is sown in corruption (Earthly); it is raised in incorruption (Heavenly): It is sown in dishonor (Earthly); it is raised in glory (Heavenly): it is sown in weakness (Earthly); it is raised in power (Heavenly): It is sown a natural body (Earthly); it is raised a spiritual body (Heavenly). There is a natural body (Earthly), and there is a spiritual body (Heavenly)"

See the dichotomy? Earthly things are bad... Heavenly things are good.

This gets further explained as we continue reading...

1 Corinthians 15:45-49

"And so it is written, The first man Adam was made a living soul; the last Adam was made a quickening spirit. Howbeit that was not first which is spiritual, but that which is natural; and afterward that which is spiritual. The first man is of the earth, earthy: the second man is the Lord from heaven. As is the earthy, such are they also that are earthy: and as is the heavenly, such are they also that are heavenly. And as we have borne the image of the earthy, we shall also bear the image of the heavenly"

Note that Earth is compared to one type of Living Being, while Heaven is compared to another type of Living Being. These are very important clues.

And... talk about good news! Looks like we have a lot to look forward to.

Amen.

EXODUS – The Candlestick vs. Seed

In our last segment we saw this amazing verse...

1 Corinthians 15:42-44

“So also is the resurrection of the dead. It is sown in corruption (Earthly); it is raised in incorruption (Heavenly): It is sown in dishonor (Earthly); it is raised in glory (Heavenly): it is sown in weakness (Earthly); it is raised in power (Heavenly): It is sown a natural body (Earthly); it is raised a spiritual body (Heavenly). There is a natural body (Earthly), and there is a spiritual body (Heavenly)”

We are being compared to corrupt seeds that are planted in the ground, grow up, die and become resurrected in new incorruptible bodies.

How does this look when compared to the Candlestick?

Observe...

Here we are as ‘Seeds’...

Seeds Ready for Planting

Luke 8:11

“Now the parable is this: The seed is the word of God”

Note that Seeds are the Word of God...

Luke 8:11

“Now the parable is this: The seed is the word of God”

These Words or Seeds get planted in the 'Earth'...

Seeds Planted in the Earth

Matthew 13:23

"But he that received seed into the good ground is he that heareth the word, and understandeth it; which also beareth fruit, and bringeth forth, some an hundredfold, some sixty, some thirty"

In other words, we now have a garment of Phosphodiester Bonds that make up our Sackcloth meatsuits.

When water is added, the Seed grows into a Tree...

Sown in Corruption, Dishonor and Weakness (1 Corinthians 15:42-44)

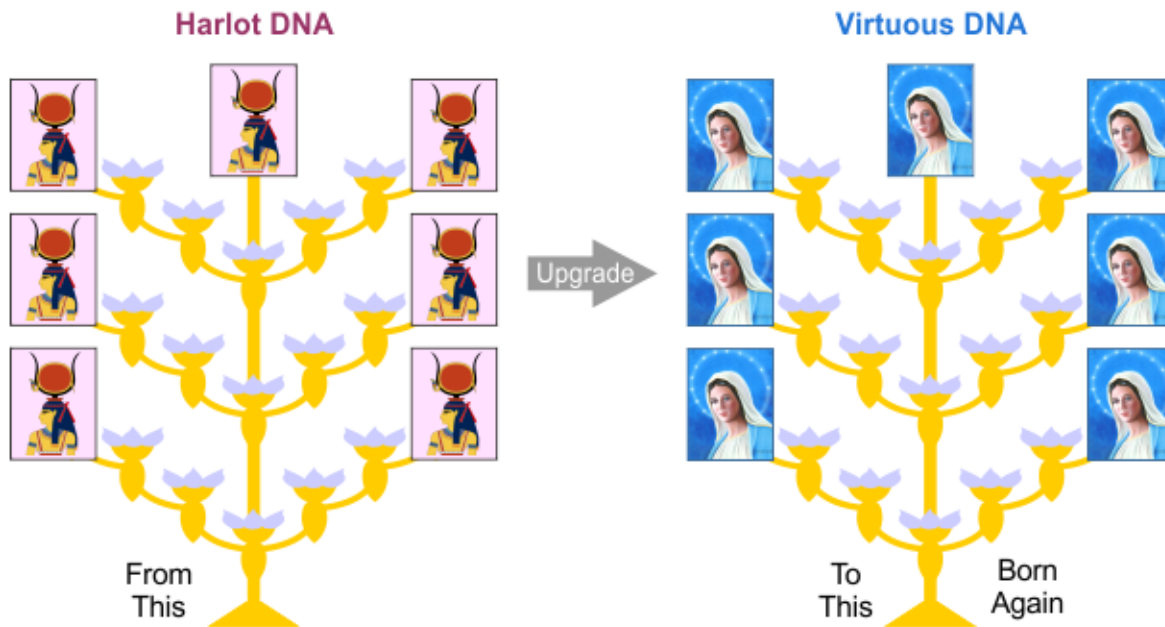

As we saw in 1 Corinthians 15:42-44 we are sown in corruption and therefore we have our Phosphorus Serpent strands of Sin and Chaff that must shed eventually.

Enter the Holy Ghost.

With the help of the Holy Ghost, our goal now is to get upgraded!

Raised in Incorruption, Glory and Power (1 Corinthians 15:42-44)

How?

[Acts 2:21](#)

"For whosoever shall call upon the name of the Lord shall be saved"

And...

[Ephesians 2:8](#)

"For by grace are ye saved through faith; and that not of yourselves: it is the gift of God"

Amen to that as well.

Without Jesus (Center Hydrogen Bonds) to cling to, we end up clinging to Lucifer (Outer Phosphodiester Bonds) and become Chaff on the Threshing Floor, and dust in the wind.

Hosea 13:3

“Therefore they shall be as the morning cloud, and as the early dew that passeth away, as the chaff that is driven with the whirlwind out of the floor, and as the smoke out of the chimney”

EXODUS – Wizard of Oz

In one of my previous movies, we learned how the Wizard of Oz could be compared to the Federal Reserve and our monetary system using notes from the film by Bill Still called “Secret of Oz”.

This brings us to this passage...

Matthew 6:24

“No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon”

Mammon is Earthly Treasures like money, property, possessions etc.

The “Man Behind the Curtain” in the Wizard of Oz is a type of person that serves Earthly Treasures by using Witchcraft, Divination, Spells, Alchemy and other abominable methods, in order to gain them...

He is the Magickian of the Tarot.

However, there is an even deeper meaning to this movie than most realize.

Remember the ‘Veil’ of the Tabernacle? Look at what Sirius/Toto is doing.

The curtain that the Wizard hides behind, as well as the surrounding scene, is a picture of The Most Holy Place in which the Ark of the Covenant resides.

Can you see the Ark in the center of this image with the Cloud of the LORD above it?

Of course any Christian would tell you that this is an abomination.

Notice the Luciferian "Stones of Fire" Phosphorus on each side. Oz looks like Osiris doesn't he?

Coincidence? Maybe... however if this really is a picture of the Ark, then the Four Living Creatures are sure to be near. Maybe even a 'Whirlwind'? Is there a Whirlwind in the Wizard of Oz?

Does this sound like something that happened in the movie?

2 Kings 2:1

"And it came to pass, when the LORD would take up Elijah into heaven by a whirlwind, that Elijah went with Elisha from Gilgal"

2 Kings 2:11

"And it came to pass, as they still went on, and talked, that, behold, there appeared a chariot of fire, and horses of fire, and parted them both asunder; and Elijah went up by a whirlwind into heaven"

Isn't it interesting that Dorothy (residing in her 'Temple') sees 'Living Creatures' in the Whirlwind?

Our next book that we will study will be Ezekiel. This is when we are introduced to... you guessed it... a Whirlwind.

Here is how the Four living Creatures relate to The Wizard of Oz...

Ezekiel's Four Living Creatures vs. Wizard of Oz

Dorothy

Angel

Cowardly Lion

Lion

Scarecrow

Eagle

Tin Man

Ox

They match up fairly well I would say. The 'Robot' would be the modern day equivalent of the Ox that performs the labor of man. He is also a 'woodsman' involved in chopping wood.

It's simply amazing what one can see when one studies Scripture.

Wizard of Oz vs. Most Holy Place

Exodus 25:22

"And there I will meet with thee, and I will commune with thee from above the mercy seat, from between the two cherubims which are upon the ark of the testimony, of all things which I will give thee in commandment unto the children of Israel"

And if all that wasn't enough to demonstrate the eerie similarities between The Wizard of Oz and the Tabernacle, let's add one more piece of evidence that ties all of this into Alchemy.

What were the Four Living Creatures of Dorothy, Tin Man, Scarecrow and Cowardly Lion on a quest for?

Upgrades!

The Cowardly Lion wanted 'courage', so in return he received a 'potion' in the book, and a medal in the movie.

The Scarecrow wanted a 'brain', so in return the Magickian gave him new 'words' in the form of a Diploma.

In a very strange moment of script writing, the Scarecrow begins to recite the Pythagorean theorem, however he gets it very wrong!

"During the scene where the Wizard gives him his brains, the Scarecrow makes a mistake in his first educated pronouncement. He recites the Pythagorean theorem stating that it applies to an isosceles triangle, which is incorrect, not the correct answer, a right triangle; he also refers to square roots, not to squares. This probably reflects ignorance by the scriptwriters, not the Scarecrow"

[http://en.wikipedia.org/wiki/Scarecrow_\(Oz\)#The_Wizard_of_Oz](http://en.wikipedia.org/wiki/Scarecrow_(Oz)#The_Wizard_of_Oz)

Looks like the 'new words' added unto him were false... like receiving another (false) Gospel not preached.

The Tin Man wanted a 'heart', so in return he received a heart necklace with a clock in it and a rosy chain that resembled a Rosary.

Last but not least, we have Dorothy. All she wanted was to get back 'home' as in Heaven or perhaps reaching a state of nirvana. Maybe a better interpretation is that she wanted to be back in the Underworld of Earth Hell.

It's safe to say that The Wizard of Oz is full of esoteric ideas and symbolism that is lost on the average viewer/reader who may be 'triggered' or deceived by it.

THE BOOK OF EZEKIEL

We are going to leave the Book of Exodus for now and jump all the way to Book #26... Ezekiel.

We are still in the Old Testament, BTW.

The Book of Ezekiel begins with 'Visions of God'...

Ezekiel 1:1

"Now it came to pass in the thirtieth year, in the fourth month, in the fifth day of the month, as I was among the captives by the river of Chebar, that the heavens were opened, and I saw visions of God"

So here we see that the 'Heavens were opened' in which Ezekiel saw 'visions of God'.

What exactly is Heaven? An obvious answer would be the sky above and the space above it, however we know from the Four Gospels that Heaven is also representative of something 'within us'...

Luke 17:21

"Neither shall they say, Lo here! or, lo there! for, behold, the kingdom of God is within you"

Note that 'Kingdom of God' and 'Kingdom of Heaven' is the same thing in Scripture. The two terms are used interchangeably.

As we learned in previous lessons, the "Kingdom of God within us" is not what is in our imaginations, but rather it is literally our very own physiology.

More specifically, it is our Cell Biology and DNA, which of course is the Tabernacle and Temple. The Ark is the DNA where the Word of God is stored.

Thus we can now understand passages such as this one in the Book of Revelation...

Revelation 11:19

"And the temple of God was opened in heaven, and there was seen in his temple the ark of his testament: and there were lightnings, and voices, and thunderings, and an earthquake, and great hail"

All four descriptors are there in one passage...

- 1) The Temple
- 2) God
- 3) Heaven
- 4) and the Ark of His Testament

All four of them are located in the same place... within us.

Thus, Ezekiel's visions consisted of things one would see in Human Biology...

Next, Ezekiel begins to see a whirlwind. What does DNA look like? Exactly. DNA looks very much like a whirlwind...

Notice that there is 'Fire infolding itself'. We know that Fire is the chemical element of Phosphorus that makes up the Serpent Strands. 'Cloud' is Hydrogen. Look how Heaven and Earth are joined in that image.

What comes next? You guessed it. The bases of Adenine, Cytosine, Guanine and Thymine...

Here I used the Title Page from the original King James Bible to show the Four Living Creatures of Matthew, Mark, Luke and John compared to what we are being shown in Ezekiel.

Note that they 'had the likeness of a human'. Scripture is associating the Four Living Creatures with humans and their 'Likeness'.

Remember what Genesis says about Human Likenesses...

Genesis 1:26

"And God said, Let us make man in our image, after our likeness..."

Now this next part is a bit confusing. Did each living Creature have four faces, or did each one of the four have one face? Same thing with the wings...

Ezekiel 1:6

And every one had four faces
and every one had four wings

Perhaps in the future, we can nail down the exact descriptions. Either way it doesn't matter in regards to this study. We can clearly see a relationship between these Living Beings and the one's we find in Genesis...

In the Beginning, God Created... the Gene

Genesis 1:1
"In the beginning God
created the heaven
and the earth"

Then God created...
1) Fowl
2) Cattle
3) Beasts of the Earth
4) Man

Then God created...
the 'Creeping Thing'

Then God created...
Trees, Fruits, Herbs, Seeds

Then God created...
Male and Female

Next verse please...

Ezekiel 1:7

And their feet were straight feet and the sole of their feet was like the sole of a calf's foot and they sparkled like the colour of burnished brass

This is where it gets a bit controversial. You will see throughout these presentations I use the likeness of the Egyptian Goddess ISIS to represent Phosphorus, which is also known as the planet Venus, Lucifer and in some New Age teachings... the Morning Star.

Yes, Jesus calls himself the Bright and Morning Star...

Revelation 22:16

"I Jesus have sent mine angel to testify unto you these things in the churches. I am the root and the offspring of David, and the bright and morning star"

Have no fear. It's all related in a wonderfully easy way to understand once you get the hang of it.

ISIS is such an amazing match for so many things Scriptural that it's almost as if God is trying to tell us something extremely profound, using her as an example.

For instance...

The fact that the Catholic Church worships ISIS as "The Queen of Heaven" underlines this point immensely. No, that is not the Virgin Mary they serve. It is a 'facsimile'.

The real Virgin Mary is not considered a 'Queen of Heaven' in the Bible. That title is reserved for the Mother of all Goddesses, ISIS...

Jeremiah 7:18

"The children gather wood, and the fathers kindle the fire, and the women knead their dough, to make cakes to the queen of heaven, and to pour out drink offerings unto other gods, that they may provoke me to anger"

Yes, you heard that right. If you really want to provoke God to anger... just bake little cakes to the Queen of Heaven...

The fact that most of today's modern society cannot tell the difference between the two only serves to confirm that we truly are living in the final days.

As we begin to analyze ISIS, we find that she is part OX/Bull. This can be related to the Calves Foot in Ezekiel 1:7.

The two horns on top of the head of ISIS are that of the Ox. This goes back to when ISIS used to be Hathor, the Golden Calf worshipped in the Wilderness when Israel decided to turn away from God.

In between the horns, ISIS has what is called a 'Uraeus'. What is a Uraeus? Why it's the serpent of course!

"The Uraeus is the stylized, upright form of an Egyptian cobra (asp, serpent, or snake), used as a symbol of sovereignty, royalty, deity, and divine authority in ancient Egypt"

<http://en.wikipedia.org/wiki/Uraeus>

As you know, the Serpent is the Phosphorus Strands that make up the outer backbone of our DNA.

Next we see a large circular object. Many scholars say it's a Sun Disk. Since when is the Sun red? No, if you do your research, you will find that ISIS 'wishes' she was the Sun. In fact, she is the Moon. Thus the disk is a Blood Red Moon. Coincidentally, it's the same color as Phosphorus.

Are you getting the picture?

She also has wings and hands, just like the Cherubim...

Ezekiel 1:8

And they had the hands of a human under their wings on their four sides and they four had their faces and their wings

When we look at the Woman of Revelation, we can see why there is so much confusion...

Revelation 12:14

"And to the woman were given two wings of a great eagle, that she might fly into the wilderness, into her place, where she is nourished for a time, and times, and half a time, from the face of the serpent"

Note she is taken 'away' the Serpent. Interesting, yes?

The bottom line is that ISIS is not only a representation of the Harlot Church (Papacy/Vatican), but an amazingly accurate representation of mankind's corrupt flesh...

Galatians 5:17

"For the flesh lusteth against the Spirit, and the Spirit against the flesh: and these are contrary the one to the other: so that ye cannot do the things that ye would"

In other words, we have Hydrogen and Phosphorus lusting after each other in our DNA. Not good!!!

No... not good at all.

EZEKIEL – Whirlwind Vision Continued

As we delve further into Ezekiel, we begin to see a parallel between the visions Ezekiel is seeing and the Tabernacle we studied earlier, more specifically, the Most Holy Place.

This is because the two are related, however there is an unfortunate lack of understanding by the general public in that these particular passages have often been compared to UFO's, Helicopters, Jets and even something called a Merkabah...

<http://en.wikipedia.org/wiki/Merkabah>

Because of the relationship between DNA and Ezekiel, the New Age crowds have picked up on it and in their usual ‘Man is God’ beliefs, have determined that these passages are referring to some sort of personal, “Inter-Dimensional Spaceship”.

These lost souls, fed by their selfish egos and visions of personal gain, are thus led by Familiar Spirits eager to push their agenda through to bring about Mankind’s so called “Transformation”.

These personal Inter-Dimensional Spaceships, they claim, can be constructed by a variety of ways such as “Pineal Gland Activation”, Channeling, Meditation, Witchcraft, Alchemy and through the practice of all varieties of vain rituals.

Will they succeed?

The Book of Revelation seems to be telling us that the answer is... yes...

...and no.

[Daniel 7:25](#)

[“And he shall speak great words against the most High, and shall wear out the saints of the most High, and think to change times and laws: and they shall be given into his hand until a time and times and the dividing of time”](#)

Whoever this person or being is, God literally gives them access to Time Travel and the ability to change the Laws of Physics for a pre-determined amount of time before God ultimately pulls the plug.

Daniel 7:26

"But the judgment shall sit, and they shall take away his dominion, to consume and to destroy it unto the end"

Let that serve as a warning to whomever is arrogant enough to think that they can pull off the Merkabah trick.

Moving right along, our next passage is Ezekiel 1:9...

Ezekiel 1:9

**Their wings were joined one to another they turned not
when they went they went every one straight forward**

Here we see the passages are beginning to describe the Cherubim on Ark of the Covenant, in which Lucifer is the Anointed Cherub that covers it.

Remember... Lucifer is adorned with all kinds of precious jewels...

The Ten "Lost" Nucleotide Bases of Lucifer's DNA

Ezekiel 28:13

"Thou hast been in Eden the garden of God; every precious stone was thy covering, the sardius, topaz, and the diamond, the beryl, the onyx, and the jasper, the sapphire, the emerald, and the carbuncle, and gold: the workmanship of thy tabrets and of thy pipes was prepared in thee in the day that thou wast created"

These jewels are the genetic bloodlines of certain tribes of Israel.

The Man, Eagle, Ox, and Lion represent the Nitrogenous DNA Bases of Adenine, Cytosine, Guanine and Thymine as well as the tribes of Reuben, Dan, Ephraim and Judah, and of course the Four Gospels of Matthew, Mark, Luke and John.

So naturally, Ezekiel sees them in the vision. I have added four Zodiac Constellations to this next slide to further emphasize the "As within, So Without" relationship to Astro-Theology.

Ezekiel 1:10

As for the likeness of their faces they four had the face of a man and the face of a lion on the right side and they four had the face of an ox on the left side they four also had the face of an eagle

Note that the Masonic artwork I borrowed for this slide includes the Ark of the Covenant along with the Symbolic Living Creatures. Again... Masons are well aware of the connection of the Tabernacle/Temple to the Human Body.

Here is another way of looking at the Zodiac connection...

More Masonic artwork and clues...

See the keys to the Kingdom of Heaven at the bottom?

By the way... according to Wikipedia, there are 23 precious stones mentioned in Scripture.

Get it?

Stay tuned...

EZEKIEL – More DNA / Whirlwind Comparison

Next passage please...

Ezekiel 1:11-12

“Thus were their faces and their wings were stretched upward two wings of every one were joined one to another”

AND TWO COVERED THEIR BODIES

"And they went every one straight forward whither the spirit was to go they went and they turned not when they went"

These Cherubim appear to be holding the Faces, or rather, the 'Wheels' under their wings. They are like children suckling the Honey/Word breasts of the Phosp-Horus strands...

PhospHorus “Bonding” Giving Honey (Milk) to Her Four Children

The Four Evangelists

Horus
"Sky God"
(Nitrogen)

Element '7'
Air/Spirit/Breath

The Four Sons of Isis

Also... The Four 'Souls' of Horus

The Wheels, as we will soon discover, have 'eyes round about'. This would be describing an Atom, or more specifically, the Nitrogen Atom. This is Air, the Breath of Life.

The Nitrogen Atom has seven 'eyes', that is to say, Electrons, orbiting it. This is confirmed many times throughout Scripture...

Revelation 5:6

"And I beheld, and, lo, in the midst of the throne and of the four beasts, and in the midst of the elders, stood a Lamb as it had been slain, having seven horns and seven eyes, which are the seven Spirits of God sent forth into all the earth"

Revelation 5:6 vs. DNA Composition

"Then I saw a Lamb..."

Christ

"...looking as if it had been slain..."

"X" Chromosome or Crucifix

"...standing in the center of the throne..."

Hydrogen (Element '1') the 'Center' of DNA

"...encircled by the four living creatures..."

DNA 'Base Pairs' Matthew Mark Luke John

"...He had seven horns..."

Menorah With 7 'Branches'

"...and seven eyes..."

Nitrogen Element '7'

"...which are the seven spirits of God..."

'Breath'

Nitrogen Based Atmosphere

"...sent out into all the earth"

All Life on Planet Earth

Here we see a description of the seven eyed Nitrogenous Bases getting an upgrade with a new Codon Word Sequence...

Zechariah 3:9

"For behold the stone that I have laid before Joshua; upon one stone shall be seven eyes: behold, I will engrave the graving thereof, saith the LORD of hosts, and I will remove the iniquity of that land in one day"

Note that these Stones/Eyes are attached to the 'Branch' of the Candlestick/Menorah/DNA Strand...

Zechariah 3:8

"Hear now, O Joshua the high priest, thou, and thy fellows that sit before thee: for they are men wondered at: for, behold, I will bring forth my servant the BRANCH"

Branch? But of course. More on that later.

Now then, Lucifer as you may recall, walked up and down the Stones of Fire/Phosphorus on the Candlestick.

Thus...

Ezekiel 1:13

As for the likeness of the living creatures their appearance was like burning coals of fire and like the appearance of lamps it went up and down among the living creatures and the fire was bright and out of the fire went forth lightning

Plasma

P
Phosphorus

Lightning is the Plasma that DNA uses to communicate with other strands and cells, etc.

Did you know our Spirits are contained within the wheels? If you have been paying attention, you would know this by now...

Ezekiel 1:15-21

"behold one wheel upon the earth by the living creatures"

"and their appearance and their work was as it were a wheel in the middle of a wheel"

"As for their rings, they were so high that they were dreadful;
and their rings were full of eyes round about them four"

"When those went, these went; and when those stood, these stood;
and when those were lifted up from the earth, the wheels were lifted up over against them:
for the spirit of the living creature was in the wheels"

"Wheels Within Wheels"

Electron Clouds

"Eyes Round About"

So why were the rings so high and dreadful? Because Electrons sometimes orbit several feet away from the center of the Atom. What a sight that must have been!

This part is rather amazing. Now that we have been introduced to the Nitrogen Atom, we are then introduced to what could possibly be the Carbon Atom...

Ezekiel 1:22

"And the likeness of the firmament upon the heads of the living creature was as the colour of the terrible crystal stretched forth over their heads above"

Carbon 12 '666'
Element '6'
"The Beast"

DNA of course has Carbon in it, and the Terrible Crystal could be referring to this Diamond type substance that DNA is made of.

Carbon 12, what you and I are made of, is literally 666.

What are we? Carbon 12

6 Protons

6 Neutrons

6 Electrons

It's compared to a Sea of Glass in Revelation...

Revelation 4:6

"And before the throne there was a sea of glass like unto crystal: and in the midst of the throne, and round about the throne, were four beasts full of eyes before and behind"

This may be related to the Masonic Checkerboard floor.

Something else that is rather interesting may be related to this as well. We see that this 'Terrible Crystal' is above the heads of the Cherubim. Is this a reference to the Mark of the Beast that is on the foreheads of the unbelievers?

Revelation 13:18

"Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six"

Later in this book, we see Ezekiel gets a DNA modification in which his forehead is 'hardened' like a diamond...

Ezekiel 3:9 (Holman)

"I have made your forehead like a diamond, harder than flint. Don't be afraid of them or discouraged by the look on their faces, even though they are a rebellious house"

...and then a man with a "Writer's Inkhorn" creates the opposite of the Mark of the Beast, which is called 'The Seal of God' for other believers...

Ezekiel 9:4

"And the LORD said unto him, Go through the midst of the city, through the midst of Jerusalem, and set a mark upon the foreheads of the men that sigh and that cry for all the abominations that be done in the midst thereof"

Again, another reference to a DNA modification.

Next passage...

Ezekiel 1:26

"And above the firmament that was over their heads was the likeness of a throne as the appearance of a sapphire stone and upon the likeness of the throne was the likeness as the appearance of a man above upon it"

The Throne is the throne of God or Jesus.

Next we see the phrase 'round about', which is often related to things Alchemical in nature...

Ezekiel 1:27

"And I saw as the colour of amber as the appearance of fire round about within it from the appearance of his loins even upward and from the appearance of his loins even downward I saw as it were the appearance of fire and it had brightness round about"

Just like we see throughout Scripture, the center of the Candlestick is the Vine or Tree Trunk where Jesus is and he is surrounded by the lamps of fire.

And finally...

Ezekiel 1:28

"As the appearance of the bow that is in the cloud in the day of rain so was the appearance of the brightness round about This was the appearance of the likeness of the glory of the LORD"

The Glory of the Lord is what we see between the Cherubim on top of the Ark in the Most Holy Place/DNA.

EZEKIEL – Scroll of DNA

After Ezekiel's visions of the DNA Whirlwind and Cherubim, his next experience involves eating a 'Scroll' that modified his DNA in a specific way that would help him perform a very difficult mission.

The mission involved going to the 'House of Israel' and eventually to the Temple to deal with what the Bible refers to as 'a most rebellious house'.

Let's take a closer look at this Scroll...

Ezekiel 2:8

"But thou, son of man, hear what I say unto thee; Be not thou rebellious like that rebellious house: open thy mouth, and eat that I give thee"

That verse describes how eating the Scroll will prevent him from becoming rebellious too.

Next...

Ezekiel 2:9

"And when I looked, behold, an hand was sent unto me; and, lo, a roll of a book was therein"

See the word 'hand'? A hand was sent to him. This very subtle clue actually has great meaning. The 'Hand of the Lord' is often accompanied by things Alchemical in nature, especially the 'finger' that is used to write new Codons and other DNA sequences...

Deuteronomy 9:10

"And the LORD delivered unto me two tables of stone written with the finger of God; and on them was written according to all the words, which the LORD spake with you in the mount out of the midst of the fire in the day of the assembly"

Luke 11:20

"But if I with the finger of God cast out devils, no doubt the kingdom of God is come upon you"

So naturally, this hand involves Alchemy as well, as it delivers a 'roll of a book'. Remember, Scrolls, Books, etc are a picture of DNA.

Next...

Ezekiel 2:10

"And he spread it before me; and it was written within and without: and there was written therein lamentations, and mourning, and woe"

The words in the Scroll were written on both sides, just like the Ten Commandments...

The Word of God Written on Four Sides of Two Mating Pairs

"None Shall Want Her Mate"

Isaiah 34:16

"Seek ye out of the book of the LORD, and read: no one of these shall fail, none shall want her mate: for my mouth it hath commanded, and his spirit it hath gathered them"

Next we see that the Roll was 'sweet as honey'...

Ezekiel 3:3

"And he said unto me, Son of man, cause thy belly to eat, and fill thy bowels with this roll that I give thee. Then did I eat it; and it was in my mouth as honey for sweetness"

This is describing Deoxyribose! In the Book of Revelation, we find that the Phosphorus made his tummy bitter...

Revelation 10:10

"And I took the little book out of the angel's hand, and ate it up; and it was in my mouth sweet as honey: and as soon as I had eaten it, my belly was bitter"

What is interesting here is that this scenario is supposed to take place 'again' (i.e. the future)...

Revelation 10:11

"And he said unto me, Thou must prophesy again before many peoples, and nations, and tongues, and kings"

Are we going to see a return of an Ezekiel type that will prophesy in the Final Days?

After eating the Roll, Ezekiel now has the DNA modification described here...

Ezekiel 3:8-9

*"Behold, I have made thy face strong against their faces, and thy forehead strong against their foreheads"
"As an adamant harder than flint have I made thy forehead: fear them not, neither be dismayed at their looks, though they be a rebellious house"*

"Harder than flint" describes that Diamond like substance we talked about earlier that may be the opposite of the Mark of the Beast or 666 (Carbon12).

In Chapter 6, Ezekiel is deep into judging Israel for corruption. Much of this corruption involves introducing Idols into the Temple. As we learned previously, the Temple is a picture of the Human Body, and introducing an Idol to it is the same as Genetic Modification.

This is the main message that is being conveyed here. Mankind will suffer all kinds of horrible things as we contaminate our Temples more and more with GMO and other detestable things.

Ezekiel 6:4

“And your altars shall be desolate, and your images shall be broken: and I will cast down your slain men before your idols”

There are very graphic words used in this chapter that are not for the squeamish. I won't reveal them here.

Ezekiel – Idolotry

As we venture further into the Book of Ezekiel we find ourselves deep into warnings of Idolatry.

Ezekiel 6:9

“And they that escape of you shall remember me among the nations whither they shall be carried captives, because I am broken with their whorish heart, which hath departed from me, and with their eyes, which go a whoring after their idols: and they shall lothe themselves for the evils which they have committed in all their abominations”

Most folks are aware of the Ten Commandments. One of them concerns Idolatry or more specifically, Graven Images...

Exodus 20:4-6

“Thou shalt not make unto thee any graven image, or any likeness of any thing that is in heaven above, or that is in the earth beneath, or that is in the water under the earth”

“Thou shalt not bow down thyself to them, nor serve them: for I the LORD thy God am a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth generation of them that hate me...”

“...And shewing mercy unto thousands of them that love me, and keep my commandments”

This is a very stern warning, and since the Ten Commandments are considered highest priority by most Christians (and even non-Christians); it renders the message even more imperative that we follow it.

So what does it really mean? Is it simply a commandment that says we can't make a Teddy Bear or paint a bowl of fruit?

Let's go back to Genesis...

Notice the language being used...

- *) Heaven
- *) Earth
- *) Water

This matches up with our Nucleotide/DNA research, and as you will soon see, this warning becomes crystal clear in Revelation...

Revelation 13:14-15

"And deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live"

"And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed"

In one of the most remarkable prophecies in the Bible, it is foretold that eventually, the human race reaches the point when it can literally create life itself!

This 'Image of the Beast' is what causes many to receive a 'Mark' or 666. Not good.

Speaking of the Mark of the Beast... is there a chance it could be related to DNA modification? You bet.

Just as Ezekiel ate the Scroll of DNA to receive a DNA modification from God, the Human Race is receiving DNA modifications as we speak. How? By eating the GMO Scrolls...

Confirmed: DNA From Genetically Modified Crops Are Transferred Into Humans Who Eat Them

<http://naturalrevolution.org/confirmed-dna-from-genetically-modified-crops-are-transferred-into-humans-who-eat-them>

This is why Jesus compared his flesh and blood to wine and bread. He was demonstrating how a DNA modification can occur by simply eating GMO...

John 6:51

"I am the living bread which came down from heaven: if any man eat of this bread, he shall live for ever: and the bread that I will give is my flesh, which I will give for the life of the world"

<http://lunaticoutpost.com/Topic-DNA-From-GMO-Crops-Are-Transferred-Into-Humans-Who-Eat-Them?pid=7544442#pid7544442>

What if the Elites of this world began experimenting with brand new Base Pairs?

They might take Thymine the Lion for example, and modify it by plucking off its wings and give it a "Man's heart"...

Daniel 7:4

"The first was like a lion, and had eagle's wings: I beheld till the wings thereof were plucked, and it was lifted up from the earth, and made stand upon the feet as a man, and a man's heart was given to it"

Perhaps they will go a step further and create a Base that has never existed before...

Daniel 7:5

"And behold another beast, a second, like to a bear, and it raised up itself on one side, and it had three ribs in the mouth of it between the teeth of it: and they said thus unto it, Arise, devour much flesh"

Man Creates New DNA Base Pairs

Daniel 7:4
"The first was like a lion, and had eagle's wings: I beheld till the wings thereof were plucked, and it was lifted up from the earth, and made stand upon the feet as a man, and a man's heart was given to it"

Daniel 7:5
"And behold another beast, a second, like to a bear, and it raised up itself on one side, and it had three ribs in the mouth of it between the teeth of it: and they said thus unto it, Arise, devour much flesh"

Genesis 2:22

"And the rib, which the LORD God had taken from man, made he a woman, and brought her unto the man"

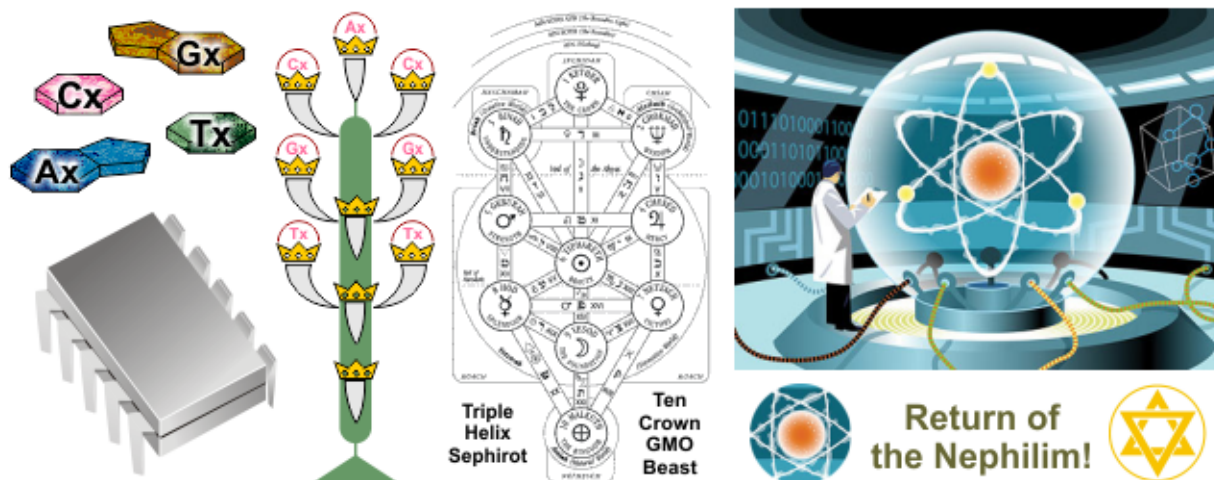

Sound crazy? This very thing is happening now. In fact, scientists are creating new bases that eliminate the center Hydrogen bonds altogether. The Chief Cornerstone is being rejected by the builders as we speak.

Where will this lead? Return of the Giants or Nephilim as some call them, once Quantum Computing, Artificial Intelligence and DNA is combined...

New DNA Base Pairs Mixes With Quantum Computers and A.I.

Daniel 7:7

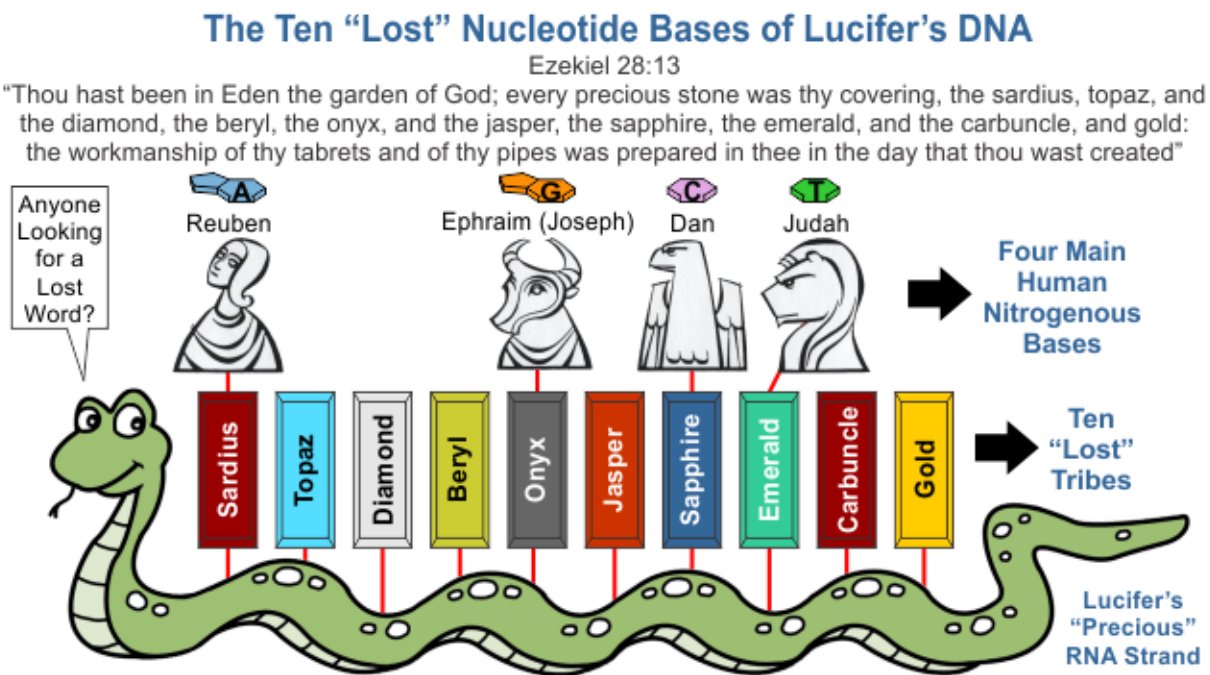

"After this I saw in the night visions, and behold a fourth beast, dreadful and terrible, and strong exceedingly; and it had great iron teeth: it devoured and brake in pieces, and stamped the residue with the feet of it: and it was diverse from all the beasts that were before it; and it had ten horns"

It is no wonder God becomes so furious with Mankind and his continual quest to become gods. The Human Race has now become one "Giant" experiment. Pardon the pun.

Slowly but surely, as scientists release GMO foods with modified Gene sequences, Mankind will incorporate them into their own genetic makeup one by one by simply eating.

New bases that have never existed before will no doubt make their way into the general food supply eventually and before you know it, Mankind will have a Ten Base DNA construct with a hybrid Gene sequence, and hence the Mark of the Beast...

As you are reading this... DNA monitoring checkpoints are being set up all around the country to keep tabs on the progress. Checking for marijuana intoxication will aid efforts in this area.

Ezekiel – Rod of Doom

Ezekiel Chapter 7 is full of doooooom... and I mean dooooooooooom. It's bad.

Here we see a very telling clue involving Aaron's Rod That Budded...

Ezekiel 7:10-11

"Behold the day, behold, it is come: the morning is gone forth; the rod hath blossomed, pride hath budded"

"Violence is risen up into a rod of wickedness: none of them shall remain, nor of their multitude, nor of any of theirs: neither shall there be wailing for them"

We've already studied Aaron's rod and linked it to Mankind's corrupt Serpent Strands of DNA, however let's take another look at the 'blossoms'.

We know that the rod is from an Almond tree...

Numbers 17:8

"And it came to pass, that on the morrow Moses went into the tabernacle of witness; and, behold, the rod of Aaron for the house of Levi was budded, and brought forth buds, and bloomed blossoms, and yielded almonds"

In the occult world, the Almond shape is considered a feminine shape. Mary is often shown in something called a 'Mandorla'...

"A mandorla is a vesica piscis shaped aureola which surrounds the figures of Christ and the Virgin Mary in traditional Christian art. It is especially used to frame the figure of Christ in Majesty in early medieval and Romanesque art, as well as Byzantine art of the same periods. The term refers to the almond like shape: "mandorla" means almond nut in Italian"

<http://en.wikipedia.org/wiki/Mandorla#Mandorla>

Here is a picture supposedly of Jesus being birthed out of Mary's Mandorla, surrounded by A, C, G & T...

Wait... shouldn't the book be in his right hand? Perhaps it's another Jesus.

Keeping with our Jachin and Boaz, Heaven and Earth Nucleotide theme, we should see a correlation between Boaz/Earth, the Almond Blossom, Phosphorus and the Catholic 'Queen of Heaven' or Mary impersonator.

If we go back to the so called 'Dark Ages' we find that the Papacy kept many people 'in the dark' by teaching that the Sun orbited the Earth. The Earth was taught to be the center of the universe. This was a very important part of the Luciferian Worship of the Papacy.

Galileo got in big trouble for defending Heliocentrism and was jailed for it until his death in 1642.

What does this have to do with the Almond Blossom?

May I present the orbital pattern of Lucifer (A.K.A. Venus) if Earth was the center of the universe...

<http://youtu.be/I3ggSLvdTak>

That's right. The orbital pattern of Lucifer creates an Almond Blossom referred to as the 'Mystical Rose' or 'Rosa Mystica' by the occultists. The Almond belongs to the Rose family by the way.

Almond Blossom - Member of the "Rose" Family

Ezekiel 7:10-11 (ESV)

"Behold, the day! Behold, it comes! Your doom has come; the rod has blossomed; pride has budded. Violence has grown up into a rod of wickedness. None of them shall remain, nor their abundance, nor their wealth; neither shall there be preeminence among them"

13th Tarot

Orbital Pattern of Venus

Serpent DNA Strand

Here we see Rosa Mystica as the Vine...

Christians know that Jesus is the Vine or trunk of a tree; however we are talking about the Papacy and other Mystery Religions that serve the Queen of Heaven.

Can you see the problem here?

How about now?

The woman shown in the appropriately named “Monstrance” is sitting on the Throne of God. That’s where Lucifer wants to be... remember?

Isaiah 14:14

“I will ascend above the heights of the clouds; I will be like the most High”

Yes, that Monstrosity is in a Catholic church.

By the way... what is our rosy friend holding there, hmmm? Looks familiar...

So instead of holding Baby Jesus, the Queen is holding Aaron’s Rod That Budded. Wait... doesn’t that mean doooooom?!?!?

So let’s go ahead and place all of the evidence together...

There are other ways of depicting old Rosy here.

The occult symbol of the Rosy Cross also reflects what we've learned so far...

Note the Alchemical symbols of Alchemy? Salt, Sulphur and Mercury are combined on the Crucifix to give us the so called "Divine Feminine" linked directly to Lucifer.

Rose Cross of Death - Replacing God with the Harlot

The Pentagram is simply another version of the orbital pattern of Venus which has become a symbol for Satan.

It's no surprise that the "Feminine Branch" of the Masons called "Eastern Star" use it as their logo. Eastern Star is another name for Venus of course. I'm sure the words 'FATAL' surrounding the Bible is something innocent and sweet.

LOL!

One final note about Aaron's Rod. The Masons link it to death and often quote this verse...

Ecclesiastes 12:5

"Furthermore, men are afraid of a high place and of terrors on the road; the almond tree blossoms, the grasshopper drags himself along, and the caperberry is ineffective. For man goes to his eternal home while mourners go about in the street"

Ezekiel – Temple Abominations

It should be noted at this time that whether the events that are described in the Bible took place already or is yet to come isn't as important as understanding that history repeats itself.

If it's happened before, you can bet it will happen again, usually bigger than before.

We are now at a Temple. Think of this particular temple as a very advanced version of the Tabernacle we learned about earlier. Since the Tabernacle is a picture of a simple Biological Egg Cell at the moment of conception, the Temple can be considered as either an advanced stage of fetal development or perhaps a DNA upgraded version of normal human genetics. More research is needed here.

Either way, we are now face to face with descriptions of one abomination after another, each one greater than the one before it.

An image of Jealousy...

Ezekiel 8:3

"And he put forth the form of an hand, and took me by a lock of mine head; and the spirit lifted me up between the earth and the heaven, and brought me in the visions of God to Jerusalem, to the door of the inner gate that looketh toward the north; where was the seat of the image of jealousy, which provoketh to jealousy"

All kinds of GMO experiments...

Ezekiel 8:3

"So I went in and saw; and behold every form of creeping things, and abominable beasts, and all the idols of the house of Israel, pourtrayed upon the wall round about"

Women weeping for the "Dying God"...

Ezekiel 8:14

"Then he brought me to the door of the gate of the LORD'S house which was toward the north; and, behold, there sat women weeping for Tammuz"

Men worshipping the Sun...

Ezekiel 8:16

"And he brought me into the inner court of the LORD'S house, and, behold, at the door of the temple of the LORD, between the porch and the altar, were about five and twenty men, with their backs toward the temple of the LORD, and their faces toward the east; and they worshipped the sun toward the east"

Then finally...

Ezekiel 8:17

"Then he said unto me, Hast thou seen this, O son of man? Is it a light thing to the house of Judah that they commit the abominations which they commit here? for they have filled the land with violence, and have returned to provoke me to anger: and, lo, they put the branch to their nose"

They put the branch to their nose? What in the world could this mean, and why would it provoke God to anger?

Even the Bible Scholars have a bit of trouble deciphering this one. Wesley's Notes describes the branch as a "Thyrsus".

"A thyrsus or thyrsos was a wand or staff of giant fennel covered with ivy vines and leaves, sometimes wound with taeniae and always topped with a pine cone"

<http://en.wikipedia.org/wiki/Thyrsus>

The Thyrsus: Another Form of Caduceus

Staff of Osiris

Could this be related to the Ankh? The Ankh was often held to the nose of one that was to be 'resurrected'...

The Branch of Ezekiel 8:17 vs. The Ankh

Nefertiti Receives "Life" From Isis

Ezekiel 8:17

"...they have filled the land with violence, and have returned to provoke me to anger: and, lo, they put the branch to their nose"

"Branch"

**Strong's: 2156 zemorah
Related to Giants!**

Isaiah 17:10

"For you have forgotten the God of your salvation And have not remembered the rock of your refuge. Therefore you plant delightful plants And set them with vine slips of a strange god"

The word for 'Branch' used here is only found five times. Each one of those times describes something relating to false gods, curses and even Giants!

Ezekiel – Man with the Inkhorn

Ezekiel 9 is another important key in understanding the Mark of the Beast and how it relates to Genetic Engineering.

Now that we've seen how the Temple, a picture of the Human Body, has become corrupt with all kinds of DNA tampering, the time has now come for God to exterminate the contamination.

Although it's an awful thing to have to do, unfortunately, it's the only solution left. God has no choice now but to separate GMO from Non-GMO and sterilize accordingly.

Enter the 'Man with the Inkhorn'...

Ezekiel 9:2

"And, behold, six men came from the way of the higher gate, which lieth toward the north, and every man a slaughter weapon in his hand; and one man among them was clothed with linen, with a writer's inkhorn by his side: and they went in, and stood beside the brasen altar"

The Man with the Inkhorn is dressed in Linen. Linen is generally a picture of a Divine DNA upgrade and is usually associated with the color white to convey purity.

The word Inkhorn is another wonderful KJV translation that tells a bigger story than one would normally find in other translations.

Ink can be looked at as 'words' that are written or about to be written. Think Adenine, Guanine, Cytosine and Thymine. The container for the A, G, C & T is a 'horn', like that of an Ox or Ram.

Since the Nitrogenous Bases of A, C, G, & T are associated with 'Sky' as well as the 'Seven Spirits' of the 'Breath of Life', it is only natural that we find that the ink is contained in an instrument that is also used to blow through in order to create sound.

Spirit/Breath Blows Through the Horn

Zechariah 9:14

"...and the Lord GOD shall blow the trumpet, and shall go with whirlwinds of the south"

Hebrews 12:18-19

"For ye are not come unto the mount that might be touched, and that burned with fire, nor unto blackness, and darkness, and tempest, and the sound of a trumpet, and the voice of words; which voice they that heard intreated that the word should not be spoken to them any more"

As we look towards The Most Holy Place of DNA, the Chromosome and the Ark of the Covenant, we see a sad sight...

Ezekiel 9:3

"And the glory of the God of Israel was gone up from the cherub, whereupon he was, to the threshold of the house. And he called to the man clothed with linen, which had the writer's inkhorn by his side"

As God leaves the Ark, the Man Clothed in Linen is told to alter the DNA of the believers...

Ezekiel 9:4

"And the LORD said unto him, Go through the midst of the city, through the midst of Jerusalem, and set a mark upon the foreheads of the men that sigh and that cry for all the abominations that be done in the midst thereof"

This DNA modification is the exact opposite of the Mark of the Beast/666.

This is the Seal of God.

Ezekiel 9/11, The Ink-Horn and the Abomination

Ezekiel 9:3
"And the glory of the God of Israel was gone up from the cherub, whereupon he was, to the threshold of the house..."

"...And he called to the man clothed with linen, which had the writer's inkhorn by his side"

Ezekiel 9:4
"And the LORD said unto him, Go through the midst of the city, through the midst of Jerusalem, and set a mark upon the foreheads of the men that sigh and that cry for all the abominations that be done in the midst thereof"

Ezekiel 9:11

"And, behold, the man clothed with linen, which had the inkhorn by his side, reported the matter, saying, I have done as thou hast commanded me"

Ezekiel 9:6
"Slay utterly old and young, both maids, and little children, and women: but come not near any man upon whom is the mark; and begin at my sanctuary..."

Ezekiel 9:10
"And as for me also, mine eye shall not spare, neither will I have pity, but **I will recompense their way upon their head**"

After this is done, the rest of the people meet a terrible fate and are destroyed.

Next we see something occur that is truly an amazing treasure of Scripture. The Man with the Inkhorn begins to engage in what can only be described as Holy Genetic Engineering!

As we've learned earlier, the Ark of the Covenant is covered by Lucifer, the Cherubim, who is a representation of our Phosphorus (Stones of Fire) DNA Strands and decorated with all kinds of beautiful Stones or Nitrogenous Bases.

Ezekiel 10:2

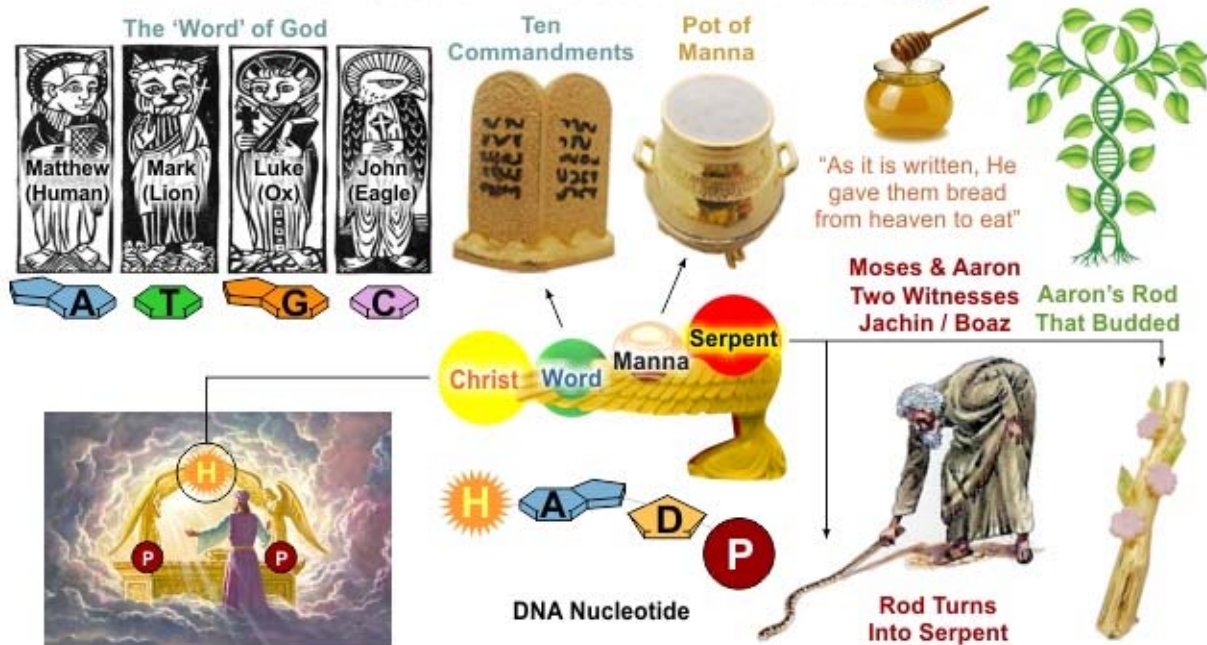

"And he spake unto the man clothed with linen, and said, Go in between the wheels, even under the cherub, and fill thine hand with coals of fire from between the cherubims, and scatter them over the city. And he went in in my sight"

The Man with the Inkhorn is using the Phosphorus and possibly even some Base Pairs, to scatter over the city.

Ezekiel 10:6-7

"And it came to pass, that when he had commanded the man clothed with linen, saying, Take fire from between the wheels, from between the cherubims; then he went in, and stood beside the wheels. And one cherub stretched forth his hand from between the cherubims unto the fire that was between the cherubims, and took thereof, and put it into the hands of him that was clothed with linen: who took it, and went out"

What's Inside the Ark of the Covenant... a Future Upgrade?

After this, the Chrubim leave the Temple...

Ezekiel 10:18-19

"Then the glory of the LORD departed from off the threshold of the house, and stood over the cherubims. And the cherubims lifted up their wings, and mounted up from the earth in my sight: when they went out, the wheels also were beside them, and every one stood at the door of the east gate of the LORD'S house; and the glory of the God of Israel was over them above"

Ezekiel – Parable of the Two Eagles

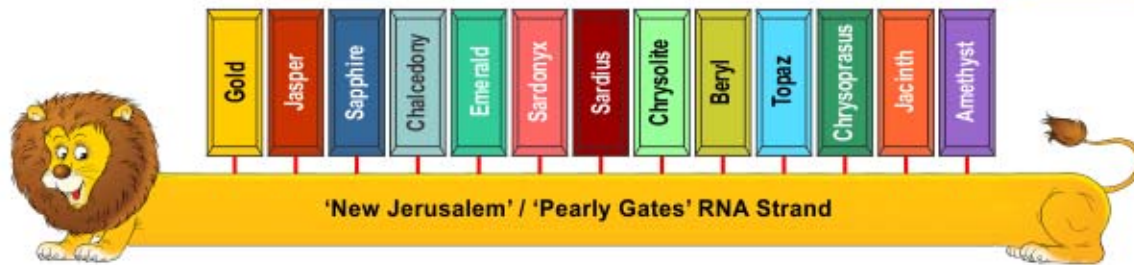

In Ezekiel 17, we see a picture of the Ark of the Covenant as Two Eagles.

The parable is about two Eagles with many colors, which can be compared to Lucifer who is decorated with many Base Pair Stones, or Joseph and his multi-colored coat... again representing many Base Pairs...

Joseph Wears a Coat of Many Base Pairs

Genesis 37:9

"And he dreamed yet another dream, and told it his brethren, and said, Behold, I have dreamed a dream more; and, behold, the sun and the moon and the eleven stars made obeisance to me"

The first Eagle, a picture of a single strand of DNA called RNA, takes the top of a Cedar and transplants it...

Parable of the Two Eagles

Ezekiel 17:3-4

"...A great eagle with great wings, longwinged, full of feathers, which had diverse colours, came unto Lebanon, and took the highest branch of the cedar. He cropped off the top of his young twigs, and carried it into a land of traffick; he set it in a city of merchants"

Along with the top of the Cedar it throws in some seed (A, C, G & T) and water...

Parable of the Two Eagles

Ezekiel 17:5

"He took also of the seed of the land, and planted it in a fruitful field; he placed it by great waters, and set it as a willow tree."

It then becomes a Vine. The Vine grows up and its branches grow towards the Eagle creating RNA...

Parable of the Two Eagles

Ezekiel 17:6

"And it grew, and became a spreading vine of low stature, whose branches turned toward him, and the roots thereof were under him: so it became a vine, and brought forth branches, and shot forth sprigs"

The second Eagle (RNA Strand) shows up and now the Vine grows towards it as well...

Parable of the Two Eagles

Ezekiel 17:7

"There was also another great eagle with great wings and many feathers: and, behold, this vine did bend her roots toward him, and shot forth her branches toward him..."

Thus we now have a picture of the full DNA 'Tree' that mimics the Candlestick, The Ark and even the Two Witnesses...

The Two Witnesses of Revelation

*"For who hath despised
the day of small things?"*

"The hands of Zerubbabel have laid the foundation of this house; his hands shall also finish it"

*"and they shall prophesy
a thousand two hundred
and threescore days,
clothed in sackcloth"*

"X" Shaped Chromosomes

"This is the word of the LORD unto Zerubbabel"

At the end of the chapter, God makes it clear that he is the top Genetic Engineer that has control over life as we know it and has all of these amazing creation capabilities.

Ezekiel 17:22-24

"Thus saith the Lord GOD; I will also take of the highest branch of the high cedar, and will set it; I will crop off from the top of his young twigs a tender one, and will plant it upon an high mountain and eminent"

"In the mountain of the height of Israel will I plant it: and it shall bring forth boughs, and bear fruit, and be a goodly cedar: and under it shall dwell all fowl of every wing; in the shadow of the branches thereof shall they dwell"

"And all the trees of the field shall know that I the LORD have brought down the high tree, have exalted the low tree, have dried up the green tree, and have made the dry tree to flourish: I the LORD have spoken and have done it"

Ezekiel – Lucifer

Although the Book of Ezekiel is full of amazing Alchemical wonders to discover, I'm going to have to end this book with Lucifer, a being that needs no introduction of course.

Ezekiel 28 describes Lucifer in great detail.

Here are some key points...

The Ten “Lost” Nucleotide Bases of Lucifer’s DNA

Ezekiel 28:13

“Thou hast been in Eden the garden of God; every precious stone was thy covering, the sardius, topaz, and the diamond, the beryl, the onyx, and the jasper, the sapphire, the emerald, and the carbuncle, and gold: the workmanship of thy tabrets and of thy pipes was prepared in thee in the day that thou wast created”

Jacob's Ladder and “Stones of Fire” (Lucifer / Phosphorus)

Ezekiel 28:14 - "...thou hast walked up and down in the midst of **the stones of fire**"

Ezekiel 28:16 - "...I will destroy thee, O covering cherub, from the midst of **the stones of fire**"

Pyramid Shaped White Phosphorus Tetrahedron

Genesis 28:12 - "And he dreamed, and beheld a ladder set up on the earth, and the top of it reached to heaven: and beheld the angels of God ascending and descending on it.

Look at how the Lucifer's 'snake like' strands are even associated with worms! These passages also confirm the fact that the 'dust of the ground' (Earth) is a picture of RNA and DNA fragments.

The more we study, the more we see the correlations. Here we see Lucifer as a 'branch' of RNA connected to Stones...

Isaiah 14:19

"But thou art cast out of thy grave like an abominable branch, and as the raiment of those that are slain, thrust through with a sword, that go down to the stones of the pit; as a carcase trodden under feet"

Last but not least, we must be aware of tactics by the False Religions of this world that try and promote their New Age/Luciferian agendas on an unsuspecting public.

There is a growing trend towards the worshipping of something called "The Divine Feminine". There is the possibility that Lucifer may arrive on the scene as a woman and be promoted as a New World Leader. It is important to be aware of this possibility and plan accordingly.

An example of this agenda can be seen in the music video "Dark Horse" by Katy Perry. Here we see Katy as Cleopatra transforming into a winged Goddess (similar to Isis) and winning the throne as the 'Capstone' of the Illuminati Pyramid...

Notice Ezekiel's DNA 'Whirlwind' above her?

Ezekiel 1:4

"And I looked, and, behold, a whirlwind came out of the north, a great cloud, and a fire infolding itself, and a brightness was about it, and out of the midst thereof as the colour of amber, out of the midst of the fire"

Does this scene match Scripture?

Isaiah 14:13-14

"For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north"

"I will ascend above the heights of the clouds; I will be like the most High"

I would say it's a perfect match.

Remember the Parable of the Two Eagles and the Vine? There is a connection to a special "tree" in the Garden of Eden where the Serpent is...

Ezekiel 31:8-9

"The cedars in the garden of God could not hide him: the fir trees were not like his boughs, and the chesnut trees were not like his branches; nor any tree in the garden of God was like unto him in his beauty"

"I have made him fair by the multitude of his branches: so that all the trees of Eden, that were in the garden of God, envied him"

Not good...

Ezekiel 31:16, 18

"I made the nations to shake at the sound of his fall, when I cast him down to hell with them that descend into the pit: and all the trees of Eden..."

"To whom art thou thus like in glory and in greatness among the trees of Eden? yet shalt thou be brought down with the trees of Eden unto the nether parts of the earth: thou shalt lie in the midst of the uncircumcised with them that be slain by the sword. This is Pharaoh and all his multitude, saith the Lord GOD"

Look at that last line... "This is Pharoah"... can you say Osiris?

If Isis does show up as this supposed 'Divine Feminine' and is associated with Lucifer, then it is only logical to assume that Osiris is not far behind and most likely will claim to be Jesus.

Be aware of these tactics.

Mark 13:22

"For false Christs and false prophets shall rise, and shall shew signs and wonders, to seduce, if it were possible, even the elect"

Ezekiel – Dry Bones and Two Sticks

In Ezekiel 37, we see an amazing glimpse of how the Twelve Base Pairs of our New Jerusalem DNA Upgrade come together as ‘two sticks twisted together’. The first step in this process involves raising our past loved ones up and out of the grave to be alive once again...

Ezekiel 37:1

“The hand of the LORD was upon me, and carried me out in the spirit of the LORD, and set me down in the midst of the valley which was full of bones”

Ezekiel is presented with a valley of ‘dried bones’ from generations past. God tells Ezekiel to speak ‘Words’ to them (think A, C, G & T) in order to bring them back to life...

Ezekiel 37:4-6

“Again he said unto me, Prophesy upon these bones, and say unto them, O ye dry bones, hear the word of the LORD”

“Thus saith the Lord GOD unto these bones; Behold, I will cause breath to enter into you, and ye shall live”

“And I will lay sinews upon you, and will bring up flesh upon you, and cover you with skin, and put breath in you, and ye shall live; and ye shall know that I am the LORD”

So Ezekiel does as he is told and watches in amazement as flesh begins to appear on the bones and connect together into bodies. If you’ve seen the movie The Fifth Element, now you know where they got their ideas from...

<http://youtu.be/rL6SmtQ3JOo>

Only one thing is missing... ‘Breath’.

Remember that A, C, G & T are called Nitrogenous Bases and that our Sky is mostly Nitrogen, hence the very air your breath is a picture of the Four Living Creatures that swirl in the Whirlwind. Thus they are called the ‘Four Winds’...

Ezekiel 37:9

“Then said he unto me, Prophesy unto the wind, prophesy, son of man, and say to the wind, Thus saith the Lord GOD; Come from the four winds, O breath, and breathe upon these slain, that they may live”

God then reveals to Ezekiel an incredible mystery... the mystery of the DNA upgrade process...

Ezekiel 37:16-17

“Moreover, thou son of man, take thee one stick, and write upon it, For Judah, and for the children of Israel his companions: then take another stick, and write upon it, For Joseph, the stick of Ephraim, and for all the house of Israel his companions”

“And join them one to another into one stick; and they shall become one in thine hand”

Is that amazing or what?

In case you can't quite grasp the significance of the picture being drawn here, don't worry. Scripture has laid this out for us ahead of time.

Ezekiel is taking two sticks and twisting them together like two strands of DNA!

However, these aren't just any sticks. One represents Judah, a picture of Jesus and the other represents Joseph, a picture of the Twelve Tribes of Israel. They are both united at the end of time when New Jerusalem descends from Heaven.

Two 'Sticks' Become One

Ezekiel 37:16

"Moreover, thou son of man, take thee one stick, and write upon it, For **Judah**, and for the children of Israel his companions: then take another stick, and write upon it, For Joseph, the stick of **Ephraim**, and for all the house of Israel his companions"

"And join them one to another into one stick; and they shall become one in thine hand"

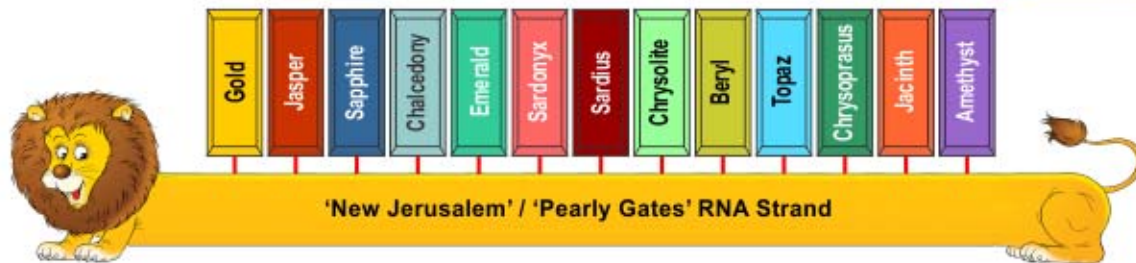

Remember what Joseph said in Genesis 37:9?

Joseph Wears a Coat of Many Base Pairs

Genesis 37:9

"And he dreamed yet another dream, and told it his brethren, and said, Behold, I have dreamed a dream more; and, behold, the sun and the moon and the eleven stars made obeisance to me"

Joseph is wearing his famous 'Technicolor Dream Coat' while describing an Alchemical vision of being one of the Twelve Base Pair "stars" in a future enhanced Temple/Body.

Not convinced? Let's look at Joseph's father, Jacob. What was the dream he had?

Genesis 28:12

"He had a dream, and behold, a ladder was set on the earth with its top reaching to heaven; and behold, the angels of God were ascending and descending on it"

Throne of God

24
"Elders"

John 1:51
"And he saith unto him, Verily, verily, I say unto you, Hereafter ye shall see heaven open, and the angels of God ascending and descending upon the Son of man"

Jacob's "Ladder"

Genesis 28:12
"And he dreamed, and behold a ladder set up on the earth, and the top of it reached to heaven: and behold the angels of God ascending and descending on it"

"Pearly" Gates

Here are some more 12-Base clues...

Elijah's Altar at Mt Carmel - 1 Kings 18:31-39 (1 of 2)

"And Elijah took twelve stones, according to the number of the tribes of the sons of Jacob, unto whom the word of the LORD came, saying, Israel shall be thy name: And with the stones he built an altar in the name of the LORD..."

"...and he made a trench about the altar, as great as would contain two measures of seed"

"...and said, Fill four barrels with water, and pour it on the burnt sacrifice, and on the wood"

"And he put the wood in order, and cut the bullock in pieces, and laid him on the wood..."

"And he said, Do it the second time. And they did it the second time. And he said, Do it the third time. And they did it the third time"

Elijah's Altar at Mt Carmel - 1 Kings 18:31-39 (2 of 2)

"And Elijah took twelve stones, according to the number of the tribes of the sons of Jacob, unto whom the word of the LORD came, saying, Israel shall be thy name: And with the stones he built an altar in the name of the LORD..."

2 Kings 17:16-17 (NIV)
 "They forsook all the commands of the LORD their God and made for themselves two idols cast in the shape of calves, and an Asherah pole"

Baal/Osiris vs. DNA

2 Kings 17:16-17 (NIV)
 "They bowed down to all the starry hosts, and they worshiped Baal. They sacrificed their sons and daughters in the fire. They practiced divination and sought omens and sold themselves to do evil in the eyes of the LORD, arousing his anger"

THE BOOK OF ZECHARIAH

The Book of Zechariah is when we really see everything we've studied so far come into clearer focus. It is chock full of Genetic Engineering clues that we can really sink our teeth into (pun intended).

We start off with a preview of the Four Horses of the Apocalypse...

Zechariah 1:8

"I saw by night, and behold a man riding upon a red horse, and he stood among the myrtle trees that were in the bottom; and behind him were there red horses, speckled, and white"

So here we see Red, White and Spotted horses being mentioned. These Horses are tied to Alchemy as you will soon see.

What does Scripture tell us about these Horses?

Zechariah 1:10

"And the man that stood among the myrtle trees answered and said, These are they whom the LORD hath sent to walk to and fro through the earth"

Look at the wording. These *are they* whom the LORD hath sent to walk to and fro through the earth. Who else goes to and fro?

Satan...

Job 1:7

"And the LORD said unto Satan, Whence comest thou? Then Satan answered the LORD, and said, From going to and fro in the earth, and from walking up and down in it"

The Raven (an 'unclean' bird) in Genesis goes to and fro...

Genesis 8:7

"And he sent forth a raven, which went forth to and fro, until the waters were dried up from off the earth"

Here we see the term 'to and fro' Linked to Famine (Black Horse) and Words of the LORD...

Amos 8:12

"Behold, days are coming," declares the Lord GOD, "When I will send a famine on the land, Not a famine for bread or a thirst for water, But rather for hearing the words of the LORD"

Amos 8:12

"And they shall wander from sea to sea, and from the north even to the east, they shall run to and fro to seek the word of the LORD, and shall not find it"

And finally, we'll look at one more example in which 'to and fro' is linked to the 'Eyes of the LORD'...

2 Chronicles 16:9

"For the eyes of the LORD run to and fro throughout the whole earth, to shew himself strong in the behalf of them whose heart is perfect toward him. Herein thou hast done foolishly: therefore from henceforth thou shalt have wars"

What are the 'Eyes of the LORD'? The Seven Lamps on the Candlestick...

Revelation 5:6 vs. DNA Composition

"Then I saw
a Lamb..."

Christ

"...looking as if it
had been slain..."

"X" Chromosome
or Crucifix

"...standing in the
center of the throne..."

Hydrogen (Element '1')
the 'Center' of DNA

"...encircled by the
four living creatures..."

DNA 'Base
Pairs' Matthew Mark
Luke John

"...He had
seven horns..."

Menorah With
7 'Branches'

"...and
seven eyes..."

Nitrogen
Element '7'

"...which are the seven
spirits of God..."

Nitrogen Based
Atmosphere

"...sent out
into all the earth"

All Life on
Planet Earth

So it would appear as if the term 'to and fro' is trying to tell us something about these Horses being linked to the DNA/Candlestick. Is it all coincidence?

We will come back to this later when we reach Zechariah 6 where we learn more about these Horses.

Notice the Candlestick in the illustration above has Seven Horns? Why is that?

Remember what we've learned about Horns...

Ezekiel 9/11, The Ink-Horn and the Abomination

Ezekiel 9:3
"And the glory of
the God of Israel
was gone up from
the cherub,
whereupon he was,
to the threshold of
the house..."

"...And he
called to the
man clothed
with linen,
which had the
writer's inkhorn
by his side"

Ezekiel 9:4
"And the LORD said unto
him, Go through the midst of
the city, through the midst of
Jerusalem, and set a mark
upon the foreheads of the
men that sigh and that cry for
all the abominations that be
done in the midst thereof"

Ezekiel 9:11

Ezekiel 9:6
"Slay utterly old and
young, both maids,
and little children,
and women: but
come not near any
man upon whom is
the mark; and begin
at my sanctuary..."

Ezekiel 9:10
"And as for me also, mine eye
shall not spare, neither will I
have pity, but **I will recompense**
their way upon their head"

"And, behold, the man clothed with linen, which had the inkhorn by his side,
reported the matter, saying, I have done as thou hast commanded me"

Spirit/Breath Blows Through the Horn

Zechariah 9:14

"...and the Lord GOD shall blow the trumpet, and shall go with whirlwinds of the south"

Hebrews 12:18-19

"For ye are not come unto the mount that might be touched, and that burned with fire, nor unto blackness, and darkness, and tempest, and the sound of a trumpet, and the voice of words; which voice they that heard intreated that the word should not be spoken to them any more"

'Spirit' or 'Breath' blows through the horns. This would be our Nitrogen Base Pairs of Adenine, Cytosine, Guanine and Thymine. This is another perfect match.

This leads us to our next verse...

Zechariah 1:18-19

"Then lifted I up mine eyes, and saw, and behold four horns. And I said unto the angel that talked with me, What be these? And he answered me, These are the horns which have scattered Judah, Israel, and Jerusalem"

Look at that. Four Horns for four Base Pairs. Notice they 'scatter' DNA throughout the earth... or rather the Horns scatter DNA to the 'Four Winds' (A, G, G, T).

Remember this when we get to the Four Horses of the Apocalypse.

ZECHARIAH – STONE WITH SEVEN EYES

In Zechariah 2, we see a man with a measuring line in his hand...

Zechariah 2:1-2

"I lifted up mine eyes again, and looked, and behold a man with a measuring line in his hand. Then said I, Whither goest thou? And he said unto me, To measure Jerusalem, to see what is the breadth thereof, and what is the length thereof"

This is a preview of the Book of Revelation where a man is measuring a 'Temple' or 'Human Body'...

Revelation 11:1

"And there was given me a reed like unto a rod: and the angel stood, saying, Rise, and measure the temple of God, and the altar, and them that worship therein"

In Revelation, the final Temple is called New Jerusalem. This is where the DNA upgrade process occurs.

As we continue, pay attention to the wording here...

Zechariah 2:5

"For I, saith the LORD, will be unto her a wall of fire round about, and will be the glory in the midst of her"

Yes, it's a picture of DNA!

In this case, the LORD is the Center Hydrogen Bonds 'in the midst' as well as the Phosphorus Strands of Fire 'round about'.

Here again we see the overlap between Lucifer and Jesus being the 'Morning Star' (Phosphorus) that causes so much controversy.

The reason for the overlap is because Jesus REPLACES Lucifer in the end. There is a swap-out that takes place. Lucifer (the Chaff/Harlot) gets removed and is replaced with the Stone Cut Without Hands.

In other words... the 'Serpent Strands' now become the 'Pearly Gates'. We will see more of this in Revelation. It's a picture of redemption.

The price for this upgrade is death of course which the Elites are so desperately trying to avoid.

Here we see a picture DNA scattered to the Four Winds again...

Zechariah 2:2-6

"Ho, ho, come forth, and flee from the land of the north, saith the LORD: for I have spread you abroad as the four winds of the heaven, saith the LORD"

However, the good news is that these pieces will be joined together again as we saw in the Dry Bones study...

Zechariah 2:11

"And many nations shall be joined to the LORD in that day, and shall be my people: and I will dwell in the midst of thee..."

And as if to give us yet another glimpse of how this will be accomplished, we see Joshua being upgraded!

Zechariah 3:1-2

"And he shewed me Joshua the high priest standing before the angel of the LORD, and Satan standing at his right hand to resist him. And the LORD said unto Satan, The LORD rebuke thee, O Satan; even the LORD that hath chosen Jerusalem rebuke thee: is not this a brand plucked out of the fire?"

Joshua is being described as a burned-up RNA strand 'plucked out of the fire' and out of the dust of the ground and he is about to be resurrected and upgraded...

Zechariah 3:4

"And he answered and spake unto those that stood before him, saying, Take away the filthy garments from him. And unto him he said, Behold, I have caused thine iniquity to pass from thee, and I will clothe thee with change of raiment"

Tada! New clothes = New DNA.

Look carefully at the words in the next passage...

Zechariah 3:8-10

"Hear now, O Joshua the high priest, thou, and thy fellows that sit before thee: for they are men wondered at: for, behold, I will bring forth my servant the BRANCH. For behold the stone that I have laid before Joshua; upon one stone shall be seven eyes: behold, I will engrave the graving thereof, saith the LORD of hosts, and I will remove the iniquity of that land in one day. In that day, saith the LORD of hosts, shall ye call every man his neighbour under the vine and under the fig tree"

BRANCH?... now there's an interesting word. It's being related to a 'Stone with Seven Eyes' with an 'engraving'...

Stone with Seven "Eyes"

Zechariah 3:9

"For behold the stone that I have laid before Joshua; upon one stone shall be seven eyes: behold, I will engrave the graving thereof, saith the LORD of hosts, and I will remove the iniquity of that land in one day"

Nitrogen (Spirit/Breath/Sky)

Nitrogenous Bases

Alchemy (Seven Planets)

Zechariah 3:10

"In that day, saith the LORD of hosts, shall ye call every man his neighbour under the vine and under the fig tree"

And there you have it. The Twelve Tribe Nitrogenous Bases are grafted back onto the DNA Vine of Jesus.

ZECHARIAH – THE TWO WITNESSES

In Zechariah 4, we get another look at the Candlestick and how it relates to a popular topic among Christians... The Two Witnesses.

Zechariah 4:2

"And said unto me, What seest thou? And I said, I have looked, and behold a candlestick all of gold, with a bowl upon the top of it, and his seven lamps thereon, and seven pipes to the seven lamps, which are upon the top thereof"

Now what's interesting about this particular Candlestick is that this one has 'extras' (bowl and pipes) when compared to the normal Candlestick we find being described in the Tabernacle. Is it different or the same?

It also has two Olive Trees beside it...

Zechariah 4:3

"And two olive trees by it, one upon the right side of the bowl, and the other upon the left side thereof"

What are these Olive Trees?

Revelation 11:3-4

"And I will give power unto my two witnesses, and they shall prophesy a thousand two hundred and threescore days, clothed in sackcloth. These are the two olive trees, and the two candlesticks standing before the God of the earth"

That's pretty clear. Not only are they the Two Witnesses, but they are Candlesticks as well!

If we were to relate this to Cell Biology, we would have a picture of a Chromosome!

The Two Witnesses of Revelation A Representation of a Chromosome

*"For who hath despised
the day of small things?"*

*"The hands of Zerubbabel have
laid the foundation of this house;
his hands shall also finish it"*

*"and they shall prophesy
a thousand two hundred
and threescore days,
clothed in sackcloth"*

"X" Shaped Chromosomes

*"This is the word of the
LORD unto Zerubbabel"*

Now it should be obvious by now that the word 'Temple' means 'Human Body', so let's see what happens next...

[Zechariah 4:9](#)

"The hands of Zerubbabel have laid the foundation of this house; his hands shall also finish it; and thou shalt know that the LORD of hosts hath sent me unto you"

Well, well... what do we have here? Seems our 'Temples' aren't finished yet eh?

Zerubbabel then would be God's Chief Genetic Engineer that will do the upgrading. Wow!!!

He even tops it off with a 'Headstone', or as the Illuminati would call it, 'Capstone'...

[Zechariah 4:7](#)

"Who art thou, O great mountain? before Zerubbabel thou shalt become a plain: and he shall bring forth the headstone thereof with shoutings, crying, Grace, grace unto it"

Guess who picked up on these Bible Codes way back when and incorporated them into the U.S. One Dollar Bill?

Yep, you guessed it. We the people, in order to form a more "Perfect Union"...

How does it feel to be a slave Neo?

ZECHARIAH – WOMAN IN THE BASKET

As we go further into our Scripture/Genetics comparisons we come across something very disturbing. The next chapter, Zechariah 5, deals with something that I believe is happening right at this very moment.

We begin with the 'Flying Roll'...

Zechariah 5:1

"Then I turned, and lifted up mine eyes, and looked, and behold a flying roll"

A Roll is the same thing as a Scroll filled with words. Think of DNA... a Scroll of words that has been 'rolled up'.

It's flying through the Air. Can you think of something made of DNA that flies through the Air?

Let's keep reading to find out more...

Zechariah 5:3

"Then said he unto me, This is the curse that goeth forth over the face of the whole earth: for every one that stealeth shall be cut off as on this side according to it; and every one that sweareth shall be cut off as on that side according to it"

It's a curse that goes across the entire planet... much like a Bio-Weapon would.

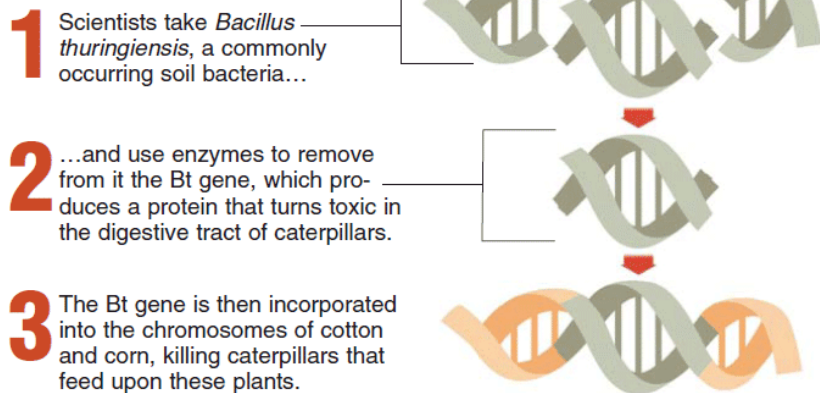

The 'Stealth' part may be referring to Genetic Engineers who 'steal' the Word of God (A, C, G, T) to create abominations and 'swear' an oath not to tell anyone.

Notice the victims are 'cut off' on one side, then the other side according to what is written on the Scroll...

Splicing Genes Together

Employing genetic engineering, researchers can take certain genes from a source organism and put them into another plant or animal.

An Example of Genetic Engineering:

SOURCE: North Carolina State University, College of Agriculture and Life Sciences

Could this be a Bio-Weapon that globally changes Mankind's DNA via Nano-Technology?

Continuing on...

Zechariah 5:4

"I will bring it forth, saith the LORD of hosts, and it shall enter into the house of the thief, and into the house of him that sweareth falsely by my name: and it shall remain in the midst of his house, and shall consume it with the timber thereof and the stones thereof"

It 'enters the house'... a reference to the Human Temple Body and basically destroys it. Note the use of the word 'Stones'.

What about the Thief and the Swearer? Is it just them that get the bad Karma? Doubtful.

If the Scroll is covering the entire Earth, then I'm afraid we may all be the targets... sharing the burden of responsibility for what our tax dollars go towards and who we vote for.

We have no-one to blame but ourselves in the end.

Enter the "Woman in the Basket"...

Zechariah 5:5-6

"Then the angel that talked with me went forth, and said unto me, Lift up now thine eyes, and see what is this that goeth forth. And I said, What is it? And he said, This is an ephah that goeth forth. He said moreover, This is their resemblance through all the earth"

The Bible is very redundant. It often tells the same story with a slight modification to gain wisdom. This is an example of that.

So, instead of a Flying Roll going over the Earth, we now have a flying 'Ephah'. What is an Ephah?

Strong's No: 374 Ephah

Definition: A measure of grain

Interesting. Makes me think of GMO wheat, and this verse...

Revelation 6:6

"And I heard a voice in the midst of the four beasts say, A measure of wheat for a penny, and three measures of barley for a penny; and see thou hurt not the oil and the wine"

That would be the 'Dark Horse' saying that by the way...

Alchemical Magick

In addition to being a measure of grain, this particular Ephah is also a receptacle of some sort, like a basket, and it also has a cover made of lead.

The next verse describes its resemblance...

Zechariah 5:7

"And, behold, there was lifted up a talent of lead: and this is a woman that sitteth in the midst of the ephah"

The lead cover is lifted to reveal a Woman inside!

Zechariah 5:8

"And he said, This is wickedness. And he cast it into the midst of the ephah; and he cast the weight of lead upon the mouth thereof"

So the Woman in the basket represents wickedness. This lines up with the cursed Roll.

Now in folklore, myths and legends, whenever there is a being placed inside a basket, it usually represents a great leader of some sort. Scripture has its version as well.

Moses was placed in a basket as a baby and set adrift in the Nile River in Egypt and later rescued and became an Egyptian Prince and warrior.

On top of that, Moses built the first Temple of the Lord (the Tabernacle) with its Ark of the Covenant.

This Woman in the basket shares a many similarities with the Moses story.

Let's continue...

Zechariah 5:8

"Then lifted I up mine eyes, and looked, and, behold, there came out two women, and the wind was in their wings; for they had wings like the wings of a stork: and they lifted up the ephah between the earth and the heaven"

Look what we have here. Two winged women lifting the Woman in the basket, into the Nitrogenous Sky.

If the Woman, a picture of a future great leader of Egypt like Moses, matches up with the Flying Scroll, which again is a representation of A, C, G, T and is inside a container, with two winged beings on top... what do you suppose that may look like?

Yes, the Ark of the Covenant... better known as DNA.

Is that really Mary? Of course not. Mary would never sit on the Throne of God and proclaim herself to be like the Most High. That's Lucifer's goal. Could Lucifer disguise himself as a woman like say... ISIS?

He sure could. That particular shrine is called a Monstrance and currently resides in a Catholic Church in the United States.

That is what the Bible refers to as an Abomination of Desolation sitting in The Most Holy Place.

What are we supposed to do when we see this?

Mark 13:14

"But when ye shall see the abomination of desolation, spoken of by Daniel the prophet, standing where it ought not, (let him that readeth understand,) then let them that be in Judaea flee to the mountains"

Run for your lives. Why?

Mark 13:19

"For in those days shall be affliction, such as was not from the beginning of the creation which God created unto this time, neither shall be"

In other words, when we see this sign, it's the end of the world as we know it.

But wait... she is no longer inside the container. Why?

Zechariah 5:10-11

"Then said I to the angel that talked with me, Whither do these bear the ephah? And he said unto me, To build it an house in the land of Shinar: and it shall be established, and set there upon her own base"

Shinar is Babylon, and she is now "on her own base" in a special "Temple" built just for her.

Temple Body? Yes. That is what is being described there. A literal recreation of a God... lead into Gold. Get it?

These verses may be related to something Jesus said about the Kingdom of Heaven...

Matthew 13:33

"Another parable spake he unto them; The kingdom of heaven is like unto leaven, which a woman took, and hid in three measures of meal, till the whole was leavened"

Leaven is generally regarded as a bad thing related to inflated ego and pride.

This also relates to the Dark Horse of Revelation balancing out three measures of Barley (bad crop) to one measure of wheat (good crop).

Is there a modern day Babylon?

Some say the United States was set up from the beginning to play the role of Mystery Babylon as a type of 'Scapegoat', and that the position of the presidency is simply a placeholder for a future Supernatural Messiah that would eventually go on to become world leader.

Revelation 13:15

"And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed"

Makes one wonder just where in the world this Luciferian “Torch Bearing”, Image of the Beast will be Genetically Engineered.

Say... isn't that DNA I see inside Lucifer?

ZECHARIAH – FOUR HORSEMEN

Zechariah 6 brings us back to the preview of the Four Horsemen of the Apocalypse described in Revelation. Are they the same or is there a difference? Let's look into this a bit further.

Zechariah 6:1

"And I turned, and lifted up mine eyes, and looked, and, behold, there came four chariots out from between two mountains; and the mountains were mountains of brass, In the first chariot were red horses; and in the second chariot black horses; And in the third chariot white horses; and in the fourth chariot grisled and bay horses"

Here we see Four Horses and Chariots, fitting the description of the ones in Revelation, arriving from between two mountains of Brass. Why two mountains and why Brass? Could this have something to do with Ezekiel's vision of the Whirlwind and the Four Living Creatures with 'feet of Brass'?...

Ezekiel 1:7

And their feet were straight feet and the sole of their feet was like the sole of a calf's foot and they sparkled like the colour of burnished brass

Mountains are also where the Harlot sits. Could these mountains be related to the Seven Lamps on the Candlestick of DNA and the Ark?...

Revelation 17:9

"And here is the mind which hath wisdom. The seven heads are seven mountains, on which the woman sitteth"

If we read just a bit further, we find that these Four Horses are Four Spirits of the Heavens...

Zechariah 6:5

"And the angel answered and said unto me, These are the four spirits of the heavens, which go forth from standing before the Lord of all the earth"

This is a definite match to our Four DNA Base Pairs and Two Witnesses. The language matches earlier passages...

Zechariah 4:14

"Then said he, These are the two anointed ones, that stand by the Lord of the whole earth"

Again in Revelation...

Revelation 11:4

"These are the two olive trees, and the two candlesticks standing before the God of the earth"

We can now place these elements into our theoretical Alchemical perspective...

Four Chariots and Two Mountains of Brass

Zechariah 6:1-3

"And I turned, and lifted up mine eyes, and looked, and, behold, there came four chariots out from between two mountains; and the mountains were mountains of brass. In the first chariot were red horses; and in the second chariot black horses; And in the third chariot white horses; and in the fourth chariot grisled and bay horses"

Once we link Chariots to the passages, we see an even clearer picture emerge...

Chariots Transporting Quaternary DNA Codes

Zechariah 6:5

"And the angel answered and said unto me, These are the four spirits of the heavens, which go forth from standing before the Lord of all the earth"

Joel 2:5

"Like the noise of chariots on the tops of mountains shall they leap, like the noise of a flame of fire that devoureth the stubble, as a strong people set in battle array"

Psalms 104:3

"Who layeth the beams of his chambers in the waters: who maketh the clouds his chariot: who walketh upon the wings of the wind"

2 Kings 2:11

"And it came to pass, as they still went on, and talked, that, behold, there appeared a chariot of fire, and horses of fire, and parted them both asunder; and Elijah went up by a whirlwind into heaven"

Chariots are known to transport people into Heaven via Whirlwinds. What else can we link them to?

Iron Chariots of the Giants, Mixed with Miry Clay

Joshua 17:16

"And the children of Joseph said, The hill is not enough for us: and all the Canaanites that dwell in the land of the valley have chariots of iron, both they who are of Bethshean and her towns, and they who are of the valley of Jezreel"

Genesis 6:4

"There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown"

Daniel 2:43

"And whereas thou sawest iron mixed with miry clay, they shall mingle themselves with the seed of men: but they shall not cleave one to another, even as iron is not mixed with clay"

Seems Giants have DNA Transporting Chariots as well, except there's a difference. The Giant's Chariots are made of Iron!

What does this mean?

Daniel 2:43

"And whereas thou sawest iron mixed with miry clay, they shall mingle themselves with the seed of men: but they shall not cleave one to another, even as iron is not mixed with clay"

Genetic Human/Giant Hybrids.

Note that these Horses go in the Four Cardinal Directions of North, South, East and West...

Zechariah 6:6 (NIV)

"The one with the black horses is going toward the north country, the one with the white horses toward the west, and the one with the dappled horses toward the south"

Another indication that this is meant to be interpreted similar to Ezekiel's Whirlwind vision.

We are almost there. As GMO spreads across the planet, it's only a matter of time before we see GMO humans and a return of the Nephilim.

Since the Horses represent 'Spirits', we may soon see the long forgotten disembodied spirits of the Giants return once again into flesh bodies.

Jude 1:6

"And the angels which kept not their first estate, but left their own habitation, he hath reserved in everlasting chains under darkness unto the judgment of the great day"

Get ready!

THE BOOK OF REVELATION

Last but certainly not least, we now enter the Book of Revelation.

This is a very important book and there is simply too much to cover here. A future study may be released to cover everything in more depth. For now, we will just take a small peek.

The Book of Revelation is like those school books with the answers in the back. The good news is that we aren't 'cheating' when we turn to the final pages of Scripture in search of answers to some of the most profound mysteries of life.

In fact, it's quite the opposite...

Revelation 1:3

*"**Blessed is he that readeth, and they that hear the words of this prophecy, and keep those things which are written therein: for the time is at hand**"*

We'll start off with the Seven Churches.

Since the Body of Christ is made of the Church, and the Church is made of Believers, the Seven Churches would be a reference to all Christians who are saved by Grace through Faith.

So what does this mean?

Upgrades!

In Revelation 2 and 3, Jesus tells us what they are. After everything we've learned so far, much of this can now easily be seen as DNA upgrades into new and improved 'Spiritual / Fourth Dimensional' bodies...

#1) *Revelation 2:7*

*"...To him that overcometh will I give to **eat of the tree of life**, which is in the midst of the paradise of God"*

Instead of being grafted into our existing DNA Tree of Knowledge of Good and Evil, we are now grafted onto the Tree of Life.

#2) *Revelation 2:11*

*"...He that overcometh **shall not be hurt of the second death**"*

No more death... ever.

#3) *Revelation 2:17*

*"To him that overcometh will I give to **eat of the hidden manna**, and will give him **a white stone**, and in the stone **a new name written**, which no man knoweth saving he that receiveth it"*

Our current DNA makeup of Luciferian Strands of Phosphorus Serpents will be replaced by the "White Stone"... a purified Virgin Grade component with a Quantum/Fourth Dimensional encryption key (New Name) that will allow us access into the New Kingdom. No more Original Sin. Wow.

Deoxyribose is now Manna... a permanent, Heavenly food source. No more grocery shopping for yucky poisonous GMO's... yay.

#4) *Revelation 2:26-28*

"And he that overcometh, and keepeth my works unto the end, to him will I give power over the nations: And he shall rule them with a rod of iron; as the vessels of a potter shall they be broken to shivers: even as I received of my Father. And I will give him the morning star"

We will cover the Power of the Rod of Iron later (think Electrons and Lightning). Note that the Vessels (people) will be shattered (dissolved) and a Morning Star be given. Some Bible translations confuse the Morning Star with Lucifer. This is because Jesus is the True replacement for our Serpent Strands as per the upgrade mentioned earlier, so naturally there is some confusion here.

#5) *Revelation 3:5*

"He that overcometh, the same shall be clothed in white raiment; and I will not blot out his name out of the book of life, but I will confess his name before my Father, and before his angels"

Simple. White Raiment is a new Spiritual Body. See how easy this is? What is the Book of Life? New improved DNA of course.

#6) *Revelation 3:12*

"Him that overcometh will I make a pillar in the temple of my God, and he shall go no more out: and I will write upon him the name of my God, and the name of the city of my God, which is new Jerusalem, which cometh down out of heaven from my God: and I will write upon him my new name"

Remember the Twin Pillars at the beginning of this study called Jachin and Boaz? Boaz represented our Phosphorus Serpent Strands of DNA with all of the Nitrogenous Bases attached to it.

Again, we see a confirmation of the upgrade process as a new Pillar (Boaz replacement) is made and new words of A, C, G, T etc. are added, removed and modified with the Name of God.

New Jerusalem becomes our new "Mom" (yes, we all get a new Mommy) in which we are 'Born Again' out of... LITERALLY!

New Temple = New Body.

So what about Heavenly Jachin?

#7) *Revelation 3:21*

"To him that overcometh will I grant to sit with me in my throne, even as I also overcame, and am set down with my Father in his throne"

There you go. Jesus is the Vine and the Hydrogen Bonds at the center of DNA where the Quaternary Codes are attached and married to.

This is the Throne... all is as should be.

Luke 17:21

"Neither shall they say, Lo here! or, lo there! for, behold, the kingdom of God is within you"

REVELATION – Shadow of Heavenly Things

Revelation is all about the Tabernacle we learned about at the beginning of this study; however the Tabernacle was merely a 'shadow' of things in Heaven. We now get to see a preview of our upgrades!

In Revelation 4, we see a throne in Heaven surrounded by Twenty Four Elders...

Revelation 4:4

"And round about the throne were four and twenty seats: and upon the seats I saw four and twenty elders sitting, clothed in white raiment; and they had on their heads crowns of gold"

The human heart is considered the Throne of God when viewed from an Alchemical perspective, so what then would the Twenty Four Elders be?

Humans have twenty four Ribs surrounding the heart.

This is a preview of the *real* Throne of God which is found in the Most Holy Place.

Yes, the Ark of the Covenant.

Remember, the Bible is written so that any generation can have an understanding, therefore the Foursquare or Fourth Dimensional Language requires a bit of 'pattern recognition'.

The Twenty Four Elders would then become the Twelve Stones covering each Cherubim.

No, not Lucifer this time... but Christ and New Jerusalem...

Naturally, we find that the Mitochondrial DNA of the Candlestick, with its seven lamps, is mentioned...

Revelation 4:5

"And out of the throne proceeded lightnings and thunderings and voices: and there were seven lamps of fire burning before the throne, which are the seven Spirits of God"

Ah, but wait! Revelation is revealing a mystery here. The Seven Lamps are also a representation of Seven Spirits.

We know that Spirits are related to breath and of course the Crooked Serpent Strands of DNA...

Job 26:13

"By his spirit he hath garnished the heavens; his hand hath formed the crooked serpent"

Since the Crooked Serpent has the Word of God (A, C, G, T) attached to it, we should see all of this related to the Bible itself.

Yep...

Revelation 5:1

"And I saw in the right hand of him that sat on the throne a book written within and on the backside, sealed with seven seals"

This is also reference to the Two Tables of the Testimony that Moses held, which was written on the front and back...

The Word of God Written on Four Sides of Two Mating Pairs

"None Shall Want Her Mate"

Isaiah 34:16

"Seek ye out of the book of the LORD, and read: no one of these shall fail, none shall want her mate: for my mouth it hath commanded, and his spirit it hath gathered them"

Here are some more mysteries revealed...

Revelation 5:6

"And I beheld, and, lo, in the midst of the throne and of the four beasts, and in the midst of the elders, stood a Lamb as it had been slain, having seven horns and seven eyes, which are the seven Spirits of God sent forth into all the earth"

Revelation 5:6 vs. DNA Composition

"Then I saw a Lamb..."

Christ

"...looking as if it had been slain..."

"X" Chromosome or Crucifix

"...standing in the center of the throne..."

Hydrogen (Element '1') the 'Center' of DNA

"...encircled by the four living creatures..."

DNA 'Base Pairs' Matthew Mark Luke John

"...He had seven horns..."

Menorah With 7 'Branches'

"...and seven eyes..."

Nitrogen Element '7'

"...which are the seven spirits of God..."

'Breath'

Nitrogen Based Atmosphere

"...sent out into all the earth"

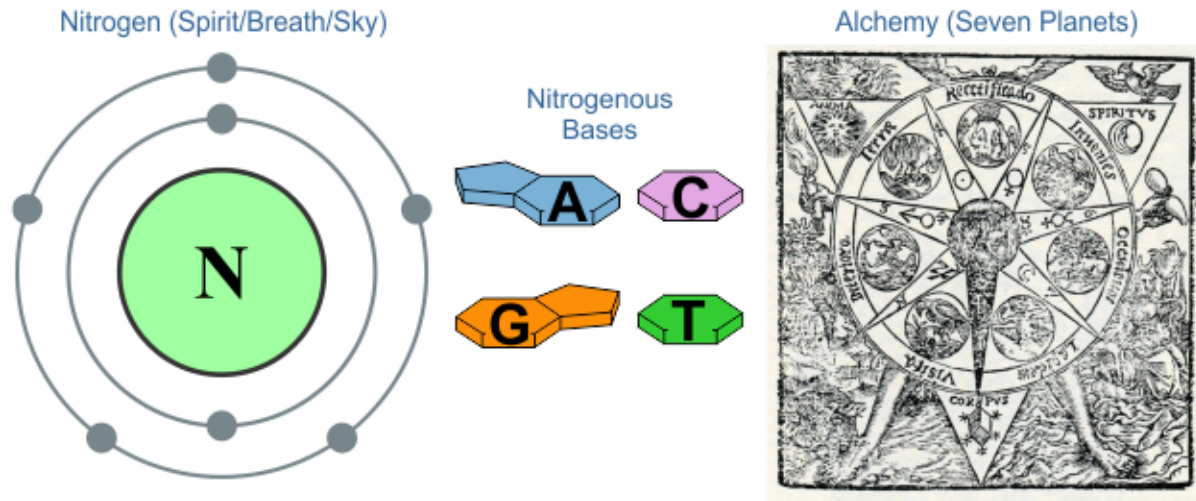

All Life on Planet Earth

The 'Seven Eyes' (Electrons) of Nitrogen, the air we all breathe, can clearly be seen here. Remember what we learned in Zechariah?

Stone with Seven "Eyes"

Zechariah 3:9

"For behold the stone that I have laid before Joshua; upon one stone shall be seven eyes: behold, I will engrave the graving thereof, saith the LORD of hosts, and I will remove the iniquity of that land in one day"

The 'engraving' of course would be the 'words' of the Nitrogenous Bases. I wonder what will be written?

Revelation 2:17

"To him that overcometh will I give to eat of the hidden manna, and will give him a white stone, and in the stone a new name written, which no man knoweth saving he that receiveth it"

Make sense? If there is one number that is seen over and over again in Scripture, it's the number Seven. Hopefully you can begin to see why...

REVELATION – Four Horsemen Return

In Zechariah we saw a preview of the Four Horsemen as related to Alchemy and the Four Winds/Spirits of DNA...

Zechariah 6:5

“And the angel answered and said unto me, These are the four spirits of the heavens, which go forth from standing before the Lord of all the earth”

Now in Revelation, we get to see more detail added to the revealing of these beings. Since there is much to analyze here, we will narrow our focus to the basics of Alchemy and how they relate to the symbols that each Horsemen represent.

Horseman #1 (White/Bow/Crown/Conquer)

Revelation 6:1-2

“And I saw when the Lamb opened one of the seals, and I heard, as it were the noise of thunder, one of the four beasts saying, Come and see. And I saw, and behold a white horse: and he that sat on him had a bow; and a crown was given unto him: and he went forth conquering, and to conquer”

The ‘Crown’ is a Feminine symbol. This horseman represents the womb and the Ovum. The ‘Bow’ is related to ‘Birth’ or the process of giving birth as well as a ‘simple fabric’ like a ribbon. Some researchers liken this word to a rainbow. All of which can fit perfectly together...

Bow

Strong’s: 5115 – Toxon

From the base of “Tikto” (Simple Fabric)

Tikto

Strong’s: 5088 – Tiktó

Definition: I bear, bring forth, produce, beget, yield

(fruit from the seed); properly, of women giving birth: absolutely

When we put it all together we have an Egg Cell, related to Birth and a ‘ribbon’ of a DNA rainbow (many colors of the 10 Stones Lucifer wore for example). We will use this graphic of an Egg with a DNA Ribbon coming out for illustrative purposes...

White Horse - Bow, Crown, Conquer

Horseman #2 (Red/Power/Sword/Take Peace)

Revelation 6:4

*"And there went out another horse that was **red**; and **power** was given to him that sat thereon to **take peace** from the earth, and that they should kill one another: and there was given unto him a **great sword**"*

Here we have the 'Mate' to the White Horse...

Red Horse - Masculine, Power, Sword, Take Peace

Horseman #3 (Black/Judgment/Balance/Measure)

Revelation 6:5-6

*"And when he had opened the third seal, I heard the third beast say, Come and see. And I beheld, and lo a **black horse**; and he that sat on him had a pair of **balances in his hand**. And I heard a voice in the midst of the four beasts say, **A measure of wheat for a penny, and three measures of barley for a penny; and see thou hurt not the oil and the wine**"*

The combination of the two previous Horsemen gives us our "Alchemical Wedding" and produces the Androgyny that will perform the task of separating the Wheat from the Tares. This is the "Golden Child" the Mystery Religions all wait for.

Note that there are 'four' measures just like there are four Base Pairs. One measure is different from the other three...

Black Horse - Androgyny, Judgment, Balance, Measure

Horseman #4 (Pale/Death/Hell)

Revelation 6:8

"And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth"

Daniels 'Fourth Part' or 'Fourth Kingdom' is not a fun time to be alive. GMO foods and Beasts rule the day. There is much suffering when VITRIOL becomes the byproduct of Mankind's Genetic tampering...

Pale Horse - Death, Hell, V.I.T.R.I.O.L.

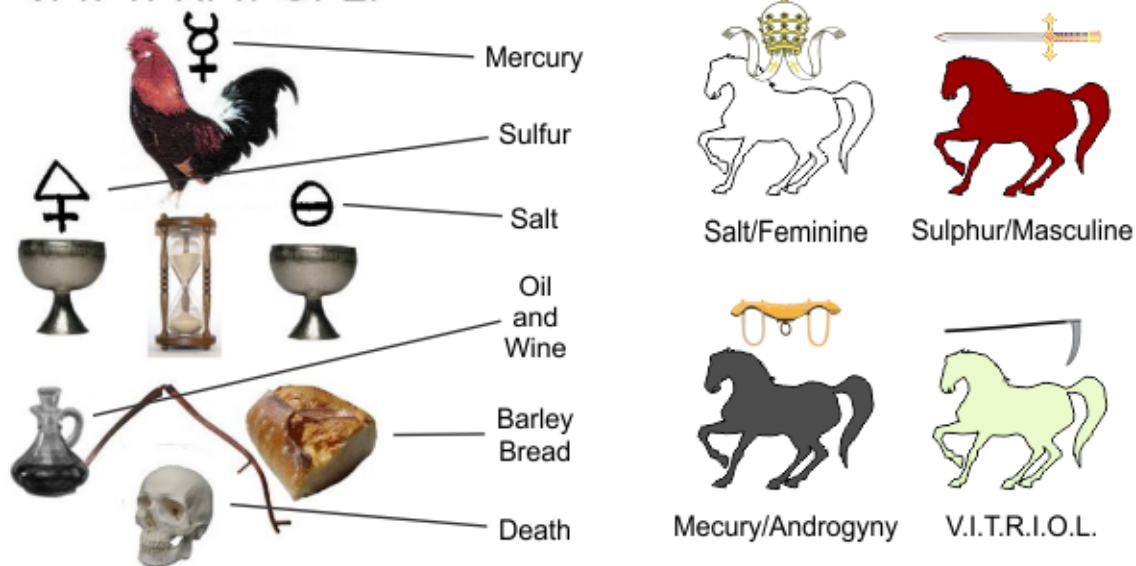

Is this really the fate of Mankind?

One thing is for sure... it is the goal of the Elites to bring this to fruition. As we learned previously, the Masons, whether they realize it or not, use the Four Horsemen symbology in there "Chamber of Reflection", complete with the Oil, Wine and 'Barley' bread...

Masonic "Chamber of Reflection" vs Four Horsemen

V. I. T. R. I. O. L.

The Cockatrice is mentioned in Scripture and is a representation of what is ultimately 'birthed' from the combination of the Alchemical Elements of Salt, Sulfur and Mercury.

You should now be able to easily decipher the Ordo Ab Chao symbol...

Flaming Sword and Crown (Order Ab Chao) and the Four Horsemen

Balanced and Yoked
Androgyny
Phoenix/Mercurius

Revelation 6

'33' End of Spiral...
Harvest Follows

Even the word 'Chao' gives there agenda away. Chao means 'Pit'... you know... the place where the Beast rises from?

Russia's symbols match the Four Horsemen and Revelations amazingly well...

Lesser Coat of Arms of Russian Empire Vs. Four Horsemen... Part of a Global Alchemy Experiment?

REVELATION – The Bottomless Pit

We are going jump ahead a bit to Revelation 9 where we see the 'Pit' being opened...

Revelation 9:1-2

"And the fifth angel sounded, and I saw a star fall from heaven unto the earth: and to him was given the key of the bottomless pit. And he opened the bottomless pit; and there arose a smoke out of the pit, as the smoke of a great furnace; and the sun and the air were darkened by reason of the smoke of the pit"

Stars are Angels, and here we see a Supernatural Being arriving on the scene who is able to open the Pit, or the Chao we learned about earlier. The 'Key' would be knowledge of Genetics and the ability to create life. Terrible things happen as a result, one of which or GMO creatures...

The Locusts of Revelation 9:7-11 vs. Alchemy

"and on their heads were as it were crowns like gold"

"And the shapes of the locusts were like unto horses prepared unto battle"

"And they had hair as the hair of women"

"and their faces were as the faces of men"

"and the sound of their wings was as the sound of chariots of many horses running to battle"

"And they had tails like unto scorpions"

"and their power was to hurt men five months"

Masonic "Chamber of Reflection"

"Hebrew tongue Abaddon, Greek tongue Apollyon."

"and their teeth were as the teeth of lions"

"And they had breastplates, as it were breastplates of iron"

"and there were stings in their tails"

Notice the resemblance to the Four Horsemen and the Chariots of the Giants?

The Four Horsemen - Zechariah 1:8-17, 6:1-8 / Revelation 6:1-5

Mercury
Azoth
Middle
Baphomet
Air

Black horse with a yoke: Union (Yoked/Balanced)

White horse with a crown: Daughters of Man (Crown)

Red horse with a sword: Sons of God (Sword)

Red + White = Black

Colorado rocky mtn high, I've seen it
RAINing **FIRE** in the **SKY**

Visita
Interiora
Terrae
Rectificando
Invenies
Occultum
Lapidem

Visit the interior parts of the earth (Bottomless Pit)
By rectification, thou shalt find the hidden stone

"I am he who was the green and golden lion without cares, within me lie all the mysteries of the philosophers"

A New Olive Branch is Added

Dappled (Spotted)

Green Lion Birthed From 'Royal Water'

V.I.T.R.I.O.L.
Green Lion
Death
Hail

"he might devour her child"

Death (Hell Follows)

REVELATION – The Mighty Angel and the Hand

In Revelation 10 we see a Mighty Angel...

Revelation 10:1-2

"And I saw another mighty angel come down from heaven, clothed with a cloud: and a rainbow was upon his head, and his face was as it were the sun, and his feet as pillars of fire: And he had in his hand a little book open: and he set his right foot upon the sea, and his left foot on the earth"

This is a picture of Jesus.

Note that he has a 'Little Book' in his hand? DNA is a little book.

Jesus holds lots of things in his hand... a Book, a Rod of Iron, Seven Stars etc.

If we take all of these elements and add them together we see an amazing picture develop...

Job 12:10

"In whose hand is the soul of every living thing, and the breath of all mankind"

Isaiah 49:16

"Behold, I have graven thee upon the palms of my hands; thy walls are continually before me"

Job 36:32 (NIV)

"He fills his hands with lightning and commands it to strike its mark"

Because Christ is "All and in all", we can compare him to Atoms, Protons and Electrons...

Holy Trinity as an Atom

Neutrons in All
Ephesians 4

"One **God and Father** of all,
who is **above all, and**
through all, and in you all"

Proton Standing Next to Neutron
Acts 7:56

"And said, Behold, I see the heavens
opened, and the **Son of man**
standing on the right hand of God"

Electron = Electricity/Power
Acts 1:8

"But ye shall receive **power**, after that
the **Holy Ghost** is come upon you..."

The Electron vs. Holy Ghost

Electrons as Power	Acts 1:8 "But ye shall receive power , after that the Holy Ghost is come upon you..."
Covalent Bonding Electron Cloud	Luke 3:22 "And the Holy Ghost descended in a bodily shape like a dove upon him , and a voice came from heaven, which said, Thou art my beloved Son; in thee I am well pleased"
Electrons React with Water	Acts 2:38 "Then Peter said unto them, Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost "
Quantum 'Wisdom'	1 Corinthians 2:13 "Which things also we speak, not in the words which man's wisdom teacheth , but which the Holy Ghost teacheth ; comparing spiritual things with spiritual"
Electronic Quantum Communication	Acts 19:6 "And when Paul had laid his hands upon them, the Holy Ghost came on them; and they spake with tongues, and prophesied "

REVELATION – Witnesses and Woman on Moon

Revelation 11 is where we find our Two Witnesses again...

Revelation 11:4

"These are the two olive trees, and the two candlesticks standing before the God of the earth"

This describes a Chromosome...

The Two Witnesses of Revelation A Representation of a Chromosome

*"For who hath despised
the day of small things?"*

*"The hands of Zerubbabel have
laid the foundation of this house;
his hands shall also finish it"*

*"and they shall prophesy
a thousand two hundred
and threescore days,
clothed in sackcloth"*

"X" Shaped Chromosomes

*"This is the word of the
LORD unto Zerubbabel"*

Nitrogenous Bases

Chromatid vs. Olive Tree

Olive Tree

Their testimony may be in fact in regards to Genetic Engineering and how it has caused God to have to destroy this planet and create a new one.

Most folks will not like to hear this and so the Two Witnesses will be much hated until the Beast kills them.

Revelation 11:7

"And when they shall have finished their testimony, the beast that ascendeth out of the bottomless pit shall make war against them, and shall overcome them, and kill them"

Revelation 11:10

"And they that dwell upon the earth shall rejoice over them, and make merry, and shall send gifts one to another; because these two prophets tormented them that dwelt on the earth"

The Gnostics and Alchemists have picked up the Two Witnesses as being a form of Cell Biology and thus we see many references to them in artwork...

Gnostic Version of the Two Witnesses

An Alchemical "Immaculate Conception"

"the beast that ascendeth out of the bottomless pit shall make war against them"

Notice the Tree of Knowledge of Good and Evil on each side looking like Candlesticks and of course DNA?

In Revelation 12 we see the Woman Standing on the Moon...

Revelation 12:1-2

"And there appeared a great wonder in heaven; a woman clothed with the sun, and the moon under her feet, and upon her head a crown of twelve stars: And she being with child cried, travailing in birth, and pained to be delivered"

She is a representation of our 'Boaz' half of our Nucleotide that is made pure again and now has dominion over the Moon/Phosphorus Strands of our DNA.

The Man/Child she gives birth to is a representation of all of us that are Born Again into our new and improved Spiritual Bodies.

The Dragon represents the 'flesh' bodies/RNA Strand/Tree of Knowledge of Good and Evil that the Elites want to enslave all of humanity in. Most likely this is a GMO of some sort and may even be a representation of a Triple Helix DNA construct...

The Archangel Michael shows up to defeat this abomination and as a consequence, the Dragon is cast down...

Revelation 12:7-9

"And there was war in heaven: Michael and his angels fought against the dragon; and the dragon fought and his angels, And prevailed not; neither was their place found any more in heaven. And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him"

REVELATION – Beast Rises

Revelation 13 is all about Beasts...

Revelation 13:1

“And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy”

Let’s break this one down a bit.

Why the Sand of the Sea?

Genesis 32:12

“And thou saidst, I will surely do thee good, and make thy seed as the sand of the sea, which cannot be numbered for multitude”

It’s a representation of Seed, or Human DNA, and guess what?

A ‘Beast’ rises out of it.

More specifically, it rises out of the Sea. Remember what we learned about the Masonic Checkerboard Floor?

The Masonic Checkerboard Floor is the Sea of Genetic Codons...

Table 1.: The Codons for the Various Amino Acids

First position	Second position				Third position
	U	C	A	G	
U	UUU Phe UUC Phe UUA Leu UUG Leu	UCU Ser UCC Ser UCA Ser UCG Ser	UAU Tyr UAC Tyr UAA Stop UAG Stop	UGU Cys UGC Cys UGA Stop UGG Trp	U C A G

G	GUU Val GUC Val GUA Val GUG Val	GCU Ala GCC Ala GCA Ala GCG Ala	GAU Asp GAC Asp GAA Glu GAG Glu	GGU Gly GGC Gly GGA Gly GGG Gly	U C A G

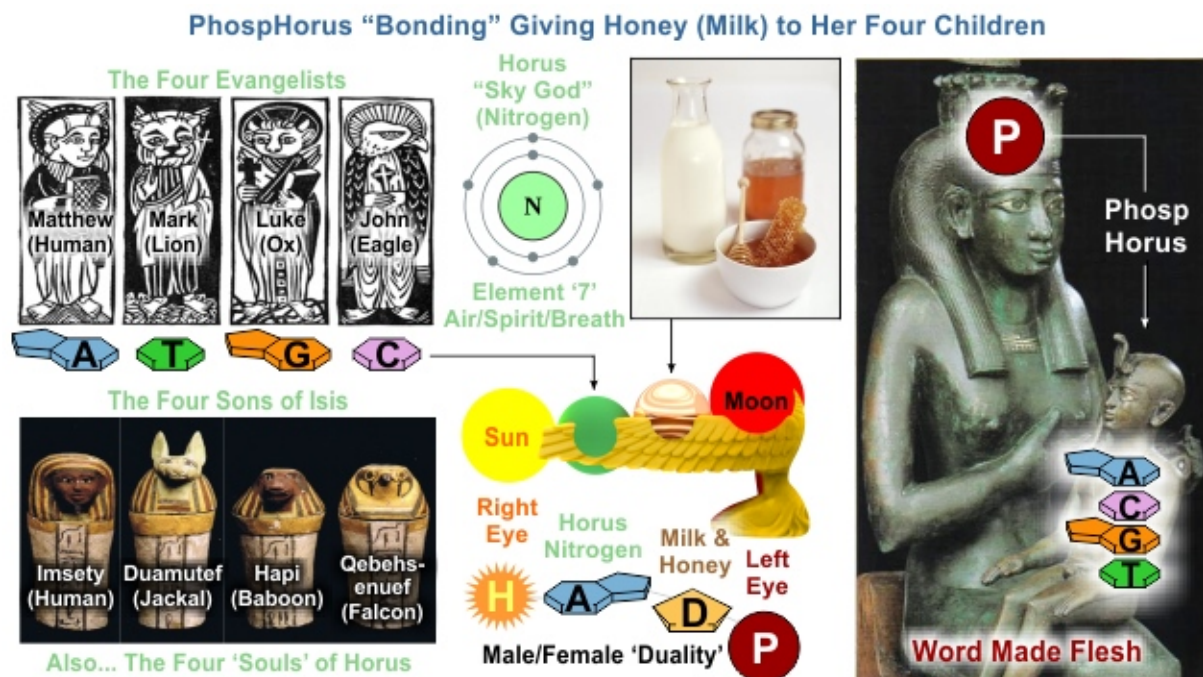

As a side note... do you see what the police officer is doing? It's a Masonic signal to "KEEP SILENT" about what you are witnessing. It is from the God Harpocrates...

<http://en.wikipedia.org/wiki/Harpocrates>

Who is that?

Horus!!!

Yes, Horus is the Beast rising from the Sea in that movie scene from Terminator II.

The New World Order Elite Lawyers must have caught that and told the film makers to put the 'signal' in there so as not to give the 'secret' away.

Revelation 13:2

"And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority"

GMO?

Man Creates New DNA Base Pairs

Daniel 7:4
 "The first was like a lion, and had eagle's wings: I beheld till the wings thereof were plucked, and it was lifted up from the earth, and made stand upon the feet as a man, and a man's heart was given to it"

Daniel 7:5
 "And behold another beast, a second, like to a bear, and it raised up itself on one side, and it had three ribs in the mouth of it between the teeth of it: and they said thus unto it, Arise, devour much flesh"

Genesis 2:22

"And the rib, which the LORD God had taken from man, made he a woman, and brought her unto the man"

Man Creates New DNA Base Pairs

Daniel 7:6
 "After this I beheld, and lo another, like a leopard, which had upon the back of it four wings of a fowl; the beast had also four heads; and dominion was given to it"

Here comes another one...

Revelation 13:11

"And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon"

Many agree that this is the AntiChrist... or Moshiah depending on your beliefs.

Revelation 13:14

*"And deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should **make an image to the beast**, which had the wound by a sword, and did live"*

And that my friends, is the Smoking Gun. An Image of the Beast is quite literally a Manmade Genetically Engineered creation.

Of course most if not all of you have heard of the Number of the Beast being 666.

Yeah... we know don't we...

Therefore, it's not a far stretch of the imagination to understand that the Mark of the Beast is Genetic in nature.

Funny... at this very moment we have free, rich, poor etc. taking the Mark right now...

Species Alteration: Is GMO Rewiring our DNA?

comment

New studies in cell research are bringing up some alarming new questions concerning GMOs, and one of them in particular makes liver failure or cancer seem like child's play compared to the garish possibilities that arise when we start to look at how genetically modified foods likely affect our DNA.

REVELATION – MYSTERY BABYLON

Revelation 17:3-6...

“So he carried me away in the spirit into the wilderness: and I saw a woman sit upon a scarlet coloured beast, full of names of blasphemy, having seven heads and ten horns”

“And the woman was arrayed in purple and scarlet colour, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication”

“And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH”

“And I saw the woman drunken with the blood of the saints, and with the blood of the martyrs of Jesus: and when I saw her, I wondered with great admiration”

Yes, unfortunately we have to go there.

Some say this is the United States of America. Some say it's the Papacy. Some say it's...

Well... we can play this game all day long or we can take a good look in the mirror and ask ourselves... could it be me? Could *I* be the cause of so many problems in this world.

Yes.

Let me explain...

Once mankind finally drops its ego, the cold hard Truth will finally prevail.

Who is this woman?

The Mystery Explained

Revelation 17:7

“And the angel said unto me, Wherefore didst thou marvel? I will tell thee the mystery of the woman, and of the beast that carrieth her, which hath the seven heads and ten horns”

Ready?

Revelation 17:9

“And here is the mind which hath wisdom. The seven heads are seven mountains, on which the woman sitteth”

Seven Mountains eh?

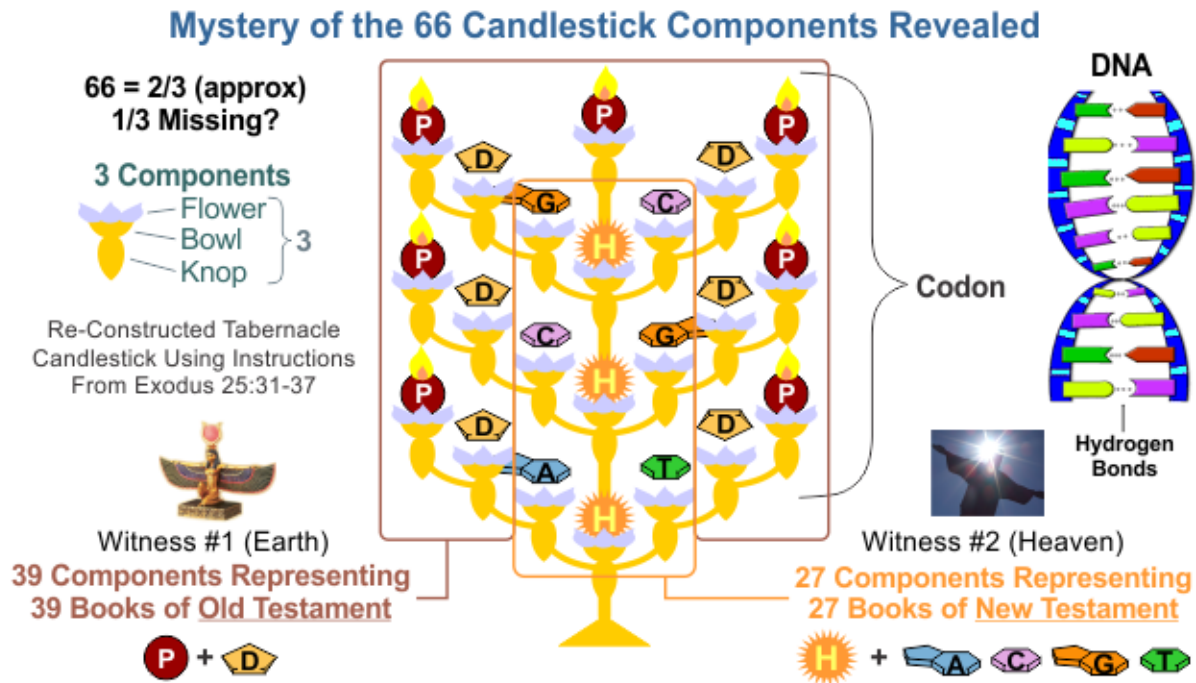

Who was there on those Mountains?

Ezekiel 28:14

“Thou art the anointed cherub that covereth; and I have set thee so: thou wast upon the holy mountain of God; thou hast walked up and down in the midst of the stones of fire”

Yep... Lucifer.

And here are the Seven Mountains where Lucifer/Phosphodiester Bonds sit...

In our very own corrupt DNA.

Not convinced?

Remember the Sea that the Beast rises out of?

Well, did you know that the water that you came out of from your mommy's belly is very similar to Sea Water?

[Revelation 17:15](#)

"And he saith unto me, The waters which thou sawest, where the whore sitteth, are peoples, and multitudes, and nations, and tongues"

Another Smoking Gun piece of evidence.

Waters = People

People = You and I

Do you get it yet?

The 'Whore' that sitteth in the Sea Water, with its little foot rising out of it... is right there...

Psalm 51:5

"Behold, I was shapen in iniquity; and in sin did my mother conceive me"

Congratulations. You are now awake.

REVELATION – Marriage Supper

We finally get to see some good news.

In Revelation 19, we see an amazing preview of our new home and upgraded DNA Spiritual Bodies...

Revelation 19:7-8

“Let us be glad and rejoice, and give honour to him: for the marriage of the Lamb is come, and his wife hath made herself ready”

“And to her was granted that she should be arrayed in fine linen, clean and white: for the fine linen is the righteousness of saints”

We are the body of Christ. Our corrupt DNA is made new again and we all join together as one in a place called New Jerusalem.

Who is New Jerusalem?

Our new Mommy!

Galatians 4:26

“But Jerusalem which is above is free, which is the mother of us all”

It's also a City Built Foursquare.

Foursquare is Quantum Code for the Fourth Dimension...

Revelation 21:1-4

“And I saw a new heaven and a new earth: for the first heaven and the first earth were passed away; and there was no more sea”

“And I John saw the holy city, new Jerusalem, coming down from God out of heaven, prepared as a bride adorned for her husband”

“And I heard a great voice out of heaven saying, Behold, the tabernacle of God is with men, and he will dwell with them, and they shall be his people, and God himself shall be with them, and be their God”

“And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away”

Anything built 'Foursquare' is always related to Human Physiology in some way...

"Foursquare"... a Code for the Fourth Dimension **Some Biblical Items Built 'Foursquare'...**

New Jerusalem:
Fourth Dimensional
City/Rescue Device

Temples (Human Body):
Fourth Dimensional
Soul/Heaven Link

The High Priest Breastplate:
Fourth Dimensional
Alchemical Stones/DNA

Revelation 21:16

"And the city lieth foursquare, and the length is as large as the breadth: and he measured the city with the reed, twelve thousand furlongs. The length and the breadth and the height of it are equal"

That verse is describing a Tesseract...

<http://en.wikipedia.org/wiki/Tesseract>

Cubes, Hypercubes and the 'Cross' **A Crucified Being "Rises from the Sea" of Checkerboard Squares**

As you can see... the Gnostics are all over that one. Notice the 'Cross'? Interesting eh?

New Jerusalem is built with Twelve Stones. These stones represent the Twelve Tribes of Israel (you and I) which, as we learned, are also a representation of a 12-Base DNA construct...

Revelation 21:19-21

"And the foundations of the wall of the city were garnished with all manner of precious stones. The first foundation was jasper; the second, sapphire; the third, a chalcedony; the fourth, an emerald"

"The fifth, sardonyx; the sixth, sardius; the seventh, chrysolite; the eighth, beryl; the ninth, a topaz; the tenth, a chrysoprasus; the eleventh, a jacinth; the twelfth, an amethyst"

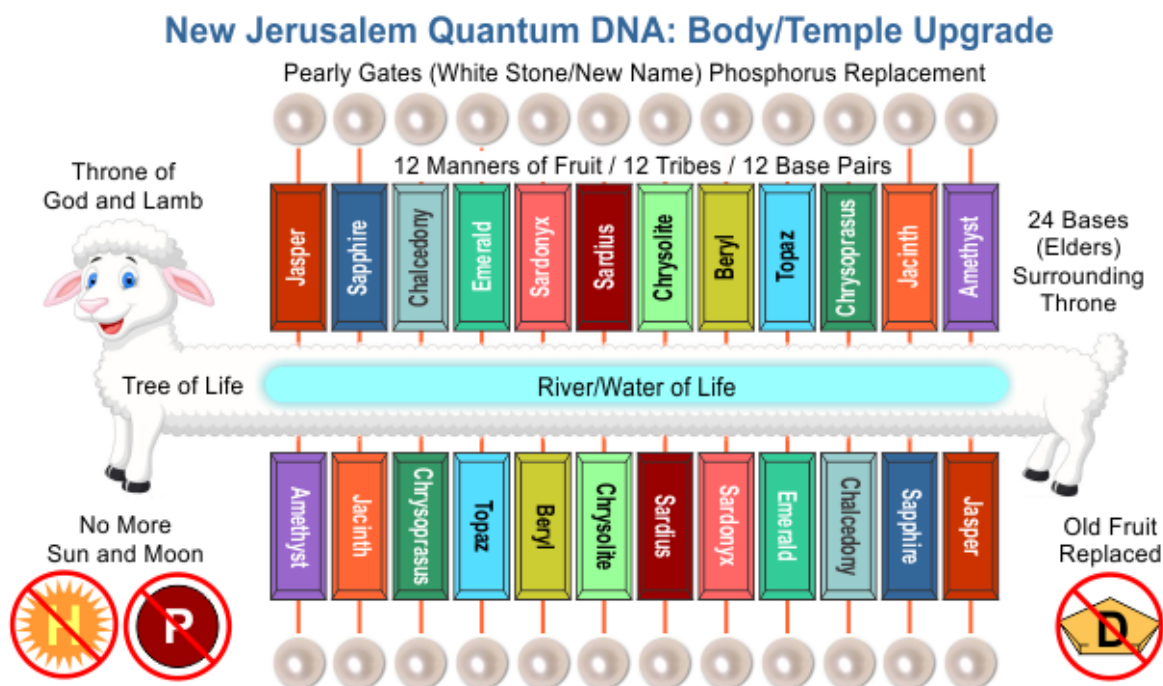

"And the twelve gates were twelve pearls; every several gate was of one pearl: and the street of the city was pure gold, as it were transparent glass"

Revelation even goes as far as to show us that the old Hydrogen and Phosphorus bonds are no longer required...

Revelation 21:22

"And I saw no temple therein: for the Lord God Almighty and the Lamb are the temple of it"

"And the city had no need of the sun, neither of the moon, to shine in it: for the glory of God did lighten it, and the Lamb is the light thereof"

The Center Hydrogen Bonds have been replaced with the Lamb...

Revelation 22:1-2

"And he shewed me a pure river of water of life, clear as crystal, proceeding out of the throne of God and of the Lamb"

"In the midst of the street of it, and on either side of the river, was there the tree of life, which bare twelve manner of fruits, and yielded her fruit every month: and the leaves of the tree were for the healing of the nations"

And there you have it!

We have reached the end of this journey.

I hope some of this information has resonated with you.

Maybe one of you can take this baton and run it further through time and space to improve on the theories.

Speaking of theories, remember... don't take anything I say as Truth until you research it for yourselves and verify.

Thank you for reading this presentation.

The End.
